A Golden Opportunity to Serve My Community: BUBBAS to the Rescue

Here at Bubba's we are always looking for opportunities to serve our community in what ever capacity that we can, so when the BLM called on Thursday, August 20th and asked if I could provide breakfast, lunch, and dinner for 65 firefighters for the Picture Rock fire for coming Saturday, Sunday, and Monday. I said, without hesitation, **"of course."**

I have always been taught not to say I can't but to say, "How can I." We operate on a week to week basis and I already had last weeks food from the previous weeks revenue. With only \$5 in my business account I made the 100 mile trek to purchase the food for the fire fighters. I had just enough money across three different credit cards to get the bare minimum for the three days, I had to trust the Lord for the rest.

I do my shopping at three different stores, I go to one store to get most of my bulk and to go containers, and they take credit card and debit and cash, I spread the bill out across two of my credit cards. I go to the next for fresh produce they don't take credit card so I used my personal debit, leaving my third credit card for the last store. I purchased the last of what I needed \$50 under budget. I thought I was home free

until the lady at the check stand said we don't take that card.

Well we tried another card, one that they took, but I knew I did not have enough money on it.

bill and I had \$14 left on my debit card. It all worked out.

We had to close down Saturday and had a few upset customers that wanted some of my food, but our fire fighters were my priority.

Somehow we made the food stretch: and with the help of a customer's loan and a local store from across the street, that discounted some fruit.

We ran on nearly zero sleep but, we pulled it off. We provided nearly 600 meals, and I am so happy that I said

"How can we?"

Bubbas Crew: Robert, Joshua, Erric and Elizabeth

The lady said let's run it and see how much we can cover, but we used my second card and it did not completely pay for the whole thing either. I had \$13 left of the

ADRC

Aging and Disability
Resource Connection
of OREGON
NO WRONG DOOR

*The first contact to make for information and resources
related to aging or living with a disability*

What are ADRCs?

ADRCs provide information and services to seniors, people with disabilities, their families and caregivers regardless of income. With a statewide searchable database, consumers are able to access over 6,000 resources: www.ADRCoforegon.org. There is also a statewide toll free number:

1-855-ORE-ADRC (1-855-673-2372).

It is one name, one number, and one website to make it easier for Oregonians to find the information and help they need.

ADRC Core Services:

- Information, referral and awareness
- Options counseling and assistance
- Access to public and privately funded long-term care programs
- Prevention and early intervention

The ADRC for Lake County is the Klamath and Lake Counties Council on Aging.

credit union

800.570.0265 • sagecu.org

We invite you to open an account and discover why 25,000 of your friends and neighbors trust Sage CU with their finances. We offer both consumer and business banking services.

Sage Credit Union (previously Pacific Crest FCU) was founded in 1936, originally serving timber industry employees and their families. Over time, we've grown alongside the communities we serve, updated the technology, and stayed focused on what matters most: providing trusted, local financial support.

Today, we're expanding across our region. The Lakeview branch is moving into a larger location, and we're excited to open a branch in Winnemucca in 2026!
