VANDALISM

Graffiti & RECKLESS DESTRUCTION!

What a sight: smashed light bulbs, a broken bench, damaged fencing, defaced walls, trashed toilets, destroyed locks, damaged public art, and litter strewn about...

Such is the reality at R. L. Flowerree Memorial Park and on Park and Rec. grounds. As Larry Turnbow commented, "It's probably just one bad apple out of 100." A number of security cameras are already in place on Park and Rec. property. Cameras are now in the plans for Flowerree Park as well.

The public is asked to report **ALL** vandals to the authorities.

Freedom of the Press

We receive numerous letters and article submissions and often have to be quite selective as to which get printed. The First Amendment allows us the freedom to be selective. If your submission is not printed, please don't take it personally.

Freedom of the press gives North Lake Park and Recreation exclusive control over what we choose to publish in Desert Whispers, including the right to refuse to print anything for any reason.

– Mark Joseph Russell, Editor

Women's Health

At Lake County Health District, we care about you, your family, and the overall health and well being of our community. Community Health Improvement Program (CHIP) has started the Woman's Health Ambassadors, a program which will continue over the next seven months.

My name is Rose Gibson. As a Woman's Health Ambassador I will be conducting sessions designed to help woman become aware of ways to address emotional well being, increase exercise, incorporate a

DESERT WHISPERS

The intent of **DESERT WHISPERS** is to publish a variety of information from all aspects of life in North Lake County. We neither support nor condemn any ideas, creed, religion, custom, attitude, belief or law. Opinions expressed are not necessarily the opinions of the North Lake Park & Recreation District Board members, staff, personnel or advertisers. The North Lake Park & Recreation District is not responsible for errors in articles and/or ads submitted to be published without change. The North Lake Park & Recreation District Board of Directors reserves the right to reject unduly pejorative or inflammatory material.

DESERT WHISPERS welcomes letters to the Editor. Letters should be printed or written clearly. Each letter must be signed. **DESERT WHISPERS** reserves the right to condense long letters or to edit for content. We will avoid this whenever possible. **DESERT WHISPERS** reserves the right to judge the acceptability of a letter in regards to vulgarities, profanities, or slanderous content.

Deadlines for **DESERT WHISPERS** are at least seven (7) Days before issue dates of the 1st and 15th of each month. Please have your ad or article to the **DESERT WHISPERS** office BEFORE the published deadline. If the ad or article is NOT received by 2 pm on the deadline, it may not make it into that issue. Ads and articles can be received by mail, fax, e-mail, or dropped off at the office.

Treasures Galore at Christmas Valley Spring Bazaar

The Christmas Valley Spring Bazaar sprang into action Friday, April 29 and continued on Saturday the 30th. "The bazaar was well attended," reported Fran Baxter, "by locals and guests from all of Central Oregon."

Delicious baked goods were sold to raise funds for the Christmas Valley Fire works show on July 4th. The Friends of the Library sold "overstock" books and other items of interest. North Lake 4-H Lego Club was on hand to display their tower-

in-progress, while selling Lego items to help fund more pieces for the tower.

From a *Million Dollar Ball* (inflatable) to many beautiful houseplants, crochet, works of art, jewelry, tools for the handyman, collectables, and more, there was something available for everyone.

As the many vendors packed up their wares Saturday evening, many were already making plans for the Christmas Valley Christmas Bazaar in December. They all hope to see YOU there!

From the CV Fire Chief

Fire season is almost upon us again. The Christmas Valley Fire Dept. will be holding a burn barrel and burn pile safety class May 5, 2016 at 6:00 pm. The public is welcome and encouraged to participate.

Over the winter, the fire department graduated 9 students as Fire 1 certified, and in June, Walker Range will be having a wildland fire school course; it lasts for one week. The Christmas Valley Fire will be send 4 to 6 fire fighters, and if anyone is interested please contact the CVRFPD.

Three of the fire department's Jr. fire-fighters that graduated this winter have moved on to other fire departments. Christmas Valley Fire Dept. as always is looking for volunteers.

The Christmas Valley Fire Association will have a barbecue at Flowers Park over the Fourth of July weekend to raise money for the fire fighter fund; please come enjoy a burger, and pick up an application.

Just a reminder: As fire season goes into effect, please remember to call the Fire information phone for the latest updates on bans: 541-480-3979.

For those having large fires/burns, please make sure to contact Lakeview dispatch at: 541-947-2504.

Thank you, and burn safely.
Chris Wade, Fire Chief

Back in Thyme Herbals: Herb Walks

Linda McCoslin

This article is about a new adventure that a few of us locals would like to begin. We are putting together Nature herb Walks, to identify plants native or not for this area and what they may be used for or not - Pros and Cons. Once a month we would like to find somewhere of interest to walk and see what grows where, what soil, shade, sun, etc.

Our goal is to renew the knowledge of our Elders, which has slipped away over the years due to society and medicine and science. We have so many beneficial plants in our county that we might have a wonderful meal with as well as make us healthier without the chemicals and ease many ills.

There are five of us who had a meeting April 23rd at The Pines Cafe to discuss our thoughts and plans. Participating were Pat Widenoja, Melody McCarthy, Carry Reedy, Tori Joe Spence and myself. I have found several other people who are highly interested in joining us some of the time, health and weather permitting. We have come up with a partial list of places we could start with, how often we could go, how far away we could go, how long each time we could walk or want to walk, some may want to leave early, some may want to stay and discuss what we have seen and where to go next. Does this sound like fun? Sound interesting? Sound informative? Then join us.

The walks will be slow and casual, and very relaxing at our own pace. Anyone could go as many times as they wanted or as few as they want. It's up to each individual.

We welcome ALL who are interested. Come join us for a fun, learning ADVENTURE. The more who participate the better, so PLEASE put this on your date book and help us make this a success!

At this time our partial list consists of

Christmas Valley Golf Course and Lake, the Black Hills, Silver Creek, Buck Creek, Crack in the Ground, Thompson Reservoir, Duncan Reservoir, Lost Forest, the Sand Dunes area, Lakeview Nature Trail, Rosehip gathering, etc. Anyplace you have in mind you would like to investigate can be added to the list.

Our first walk will be Saturday May 14 and we will meet at 9:00 am at Flowerree Park. We will be walking the Golf Course and Lake area as there are some beneficial plants growing there. ALL ARE WELCOME TO COME PLAY!

The walks will be approximately 1 - 2 hours, depending on conditions of weather. Please bring a walking stick if needed. Wear comfortable walking shoes. Always have a bottle of water, a backpack or fanny-pack with bug repellent and sunscreen, a sunhat if needed, a note pad with pen for observations, a camera or phone for pictures to identify plants properly and if you have any small nature books with pictures to compare what we see, as proper identification is highly important.

Because of my articles, I am pleased to have been chosen as the spokesperson to begin this exciting adventure. I hope to see lots of you there to have fun as we all learn.

God be with you and thank you,
- Linda McCoslin

See you there!

The Empowered Life

Submitted by Loyd Major

My Name is Loyd Major, and I have 25 years experience in studying and coaching Self Empowerment. I would like to hold a local Self Empowerment workshop. If this interests you, please read through this article, and if it is a good fit, please contact me to determine a time and place for the workshop.

You can live an Empowered Life through self Empowerment training. The reason we do not have Empowerment is because we have been conditioned for thousands of years to believe we are either herd animals, or broken. Both beliefs give us the illusion that we are powerless. WE ARE POWERFUL.

To keep this short I will not be going over all the facts involved. From here I will be describing the solution. Please note these are my experiences and beliefs and will not be for everyone. If you can be open minded and honest with yourself, please continue reading. Take what you can use and leave the rest. Also this is not a replacement for professional care. If you need or have a care provider, please consult with them before working with me.

First you have to accept that you are a powerful spiritual being. You are not your body, or your mind, and especially not you're Ego. These are all creations designed for you to experience this reality.

The second process though simple is not easy. But it gets easier as we work together. And that is to RECONDITION YOUR MIND. The following are steps that I used for my self and teach to others. Once they know they are Powerful and have a burning desire to recondition.

1. Begin the practice of writing out your thoughts. Starting with everything you are grateful for. And all that you see as your

strengths. Read and add to these lists every day for a year at least.

2. Emotional intelligence - Your emotions are how your subconscious higher self (inner coach) communicates with you, as well as thru the pictures you see in your minds eye. When you master your emotions, and learn to accept and allow them as they are, which is energy in motion, the Ego (inner saboteur) will no longer be able to control you. Once you are master of your emotions at least 80%, you can move on to the next step.

3. Self evaluation - There are many ways to do this. Though the main idea is to get all your thoughts, experience, emotions, beliefs, and values out on paper to look at them. The disempowering ones will fall away leaving you more empowered.

4. Mind mastery - Though technical books are not necessary for the average person. A basic understanding of how the mind works is needed. Such as all negative thoughts and feeling are learned behavior, and can be unlearned. It is possible to silence the mind so you can hear your inner coach. It is very empowering to experience your self separate from the Ego and all its disempowerment.

5. Designing your Life - There are hundreds of ways and books describing this process (goal setting, mind mapping, visioneering to name a few). I teach the process of setting intentions.

6. Coaching others - Life coaching and emotional intelligence was only available to the CEO's and elite. But since the validation of Quantum Physics it has been proven that we all can learn and change no matter our age, race, genetic background or social up-

DEQ to Host Public Meeting Regarding the Alkali Lake Chemical Waste Disposal Site

DEQ will hold a public meeting on Monday, May 2, 2016 to provide information and answer questions about the Alkali Lake Chemical Waste Disposal site. The meeting will be held at the Christmas Valley Community Center. It will begin at 6:30 pm.

DEQ has been holding meetings periodically to provide the public with an opportunity to meet with DEQ's technical staff and to learn about this site. DEQ currently inspects the site on an annual basis.

The Alkali Lake Chemical Waste Disposal site is just west of Alkali Lake in Lake County. The key feature of the site is a 10-acre chemical waste disposal area. Between 1969 and 1971, about 25,000 drums containing waste from the production of herbicides were transported to the Site. In 1976, the drums were crushed and buried in 12 trenches in the disposal area.

DEQ has been monitoring environmental conditions at the site since the 1970s. Primary contaminants are herbicides and phenolic compounds. Groundwater is highly contaminated near the disposal area. Detectable contamination extends about 2,000 feet from this disposal cell. A risk assessment conducted in 2005 concluded that acceptable risk levels are not exceeded provided current safeguards are maintained. This assessment takes into account reasonably likely exposure by people and animals to this contamination.

The disposal area is enclosed by a barbed-wire fence. In addition, a four-mile fence was installed in the 1990s to discourage entry within the vicinity of the disposal area and the area of the groundwater contaminant plume. DEQ continues groundwater monitoring, and to maintain fences and signs warning trespassers of the presence of hazardous substances.

For more information, please contact DEQ Project Manager Bob Schwarz, 541-298-7255 x230, or schwarz.bob@deq.state.or.us.

RE-ELECT LARRY REEDER

ASSESSOR

WHAT WE DO:

The Lake County Assessor's Office is responsible for applying the Oregon Property Tax System to the property owners of Lake County.

The purpose of the Property Tax System is to provide a financial mechanism for local services such as schools, hospitals, Fire departments, local government, etc, etc.

OUR MISSION STATEMENT:

The Lake County Assessor's Office Mission is to provide quality customer service for each assessment and appraisal for all taxable property as it is mandated by the State of Oregon in order to insure the highest degree of confidence in the integrity, efficiency and fairness in our office and our employees.

The On Line Property Assessment and Tax Search (PATS), helps provide public information to banks, mortgage companies, bank appraisers, realtors, private citizens, insurance companies, to better serve the people of Lake County.

MY QUALIFICATIONS:

- 15 years in the Assessor's Office as an Assessor, Tax Collector, Appraiser and Chief Appraiser.
- Trained to serve as the Assessor and Tax Collector by predecessor (2008 - 20012).
- Recommended by my predecessor to be appointed Assessor and Tax Collector (2010).
- Appointed by the Governing Board to the position of Assessor and Tax Collector (2010).
- Elected Assessor and Tax Collector (2012).
- Active member of the Oregon State Association of County Assessors serving on multiple committees.
- Active member of the International Association of Assessing Officers.

ACCOMPLISHMENTS DURING MY TIME AS YOUR ASSESSOR and TAX COLLECTOR:

- Our office has created a true and accurate (99+%) Tax Roll on time, every year.
- Successfully accomplished every County and State requirement, 100% on time and approved.
- Billed, collected and processed over 50 million dollars without one penny unaccounted for.
- Secured over \$600,000 in grants.
- Created On-Line services to better serve the people of Lake County.

ELECT SHARON FORSTER DISTRICT ATTORNEY

ENDORSED BY

ROB PATRIDGE
KLAMATH COUNTY DISTRICT ATTORNEY

Sharon Forster's remarkably successful career practicing law includes 14 years as a prosecutor with the Klamath County District Attorney's Office where I now serve as District Attorney. Although Sharon may be renowned for her advocacy for child victims and victims of domestic violence, her skills and capabilities have been demonstrated repeatedly in all aspects of the monumental duties of being a prosecutor. I not only have no hesitation in endorsing Sharon's campaign for Lake County District Attorney, but I emphasize that I look forward to establishing a great working relationship between her office and mine. Sharon is not just a colleague but a personal friend.

ENDORSED BY

LESA CAHILL
FNP

As a practicing family nurse practitioner for our community since 2004, I have cared for sexual assault victims, child abuse and neglect victims, and elder abuse victims. I have been disappointed in our current District Attorney's ability to prosecute these cases successfully and feel that we have become complacent with plea bargaining instead of taking these cases to trial. Lake County needs a DA who is will to fight for the victim, not the perpetrator.

I believe Sharon Forster is the one for the job.

North Lake 4-H Lego Tower Hits New Record

Red, yellow, blue, white, green, black, pink, orange, brown, and other colored pieces make up the tower, seen here from the base looking up!

Not yet even halfway to their goal height of 20 feet, the North Lake 4-H Lego Club has surpassed the height of their 2015 tower of 83.5 inches (6 feet, 11.5 inches). Their 2016 structure, tallest Lego tower on record in Lake County, now stands at just over 91 inches (7 feet, 7 inches) tall. That 91 inches is made up of 7825 pieces so far. Club leader Mark Joseph Russell says, "I imagine we will need to assemble nearly 15,000 more pieces to reach 20 feet."

The club is gathering funds and seeking donations of additional pieces. On-line retailer, *Christmas Valley Bricks* has agreed to loan several thousand pieces for the project.

County Library Seeks North Lake Budget Committee Member

Do you have or are you looking for budget experience? Are you willing to attend just one meeting per year? Do you live in the North Lake Area? If so, join the Lake County Library District Budget Committee!

The Budget Committee reviews and approves the budget for the district. Generally, the committee meets just one time per year. Committee members are appointed by the library board to four-year terms. We very much would like a representative from the North Lake area!

If you'd like to join, please send a letter of interest to amyh@lakecountylibrary.org or 26 South G Street, Lakeview, OR 97630 by May 5th. For questions, please call Amy Hutchinson, Library Director, at 541-947-6019.

Candidates Respond to Question...

Early last month, Desert Whispers reached out to the eight candidates in the up-coming election, asking each of them the same question:

“If you are elected/re-elected, what difference will it make to the residents of Lake County?”

Seven of the eight candidates responded.

Candidate for Lake Co. Commissioner

Jana Hanus

After speaking with and learning the thoughts and concerns of a great many Lake County residents, I see and understand the need to work together, now more than ever, in resolving

some of the basic issues facing us.

Through a combination of an “open-door” policies, Information and communications sharing and maintaining a fair balance between economic health/growth with overall quality of life throughout the county, many of these issues can be resolved.

Sound fiscal responsibility, through strategic planning and thoughtful budgeting of resources, is necessary to ensure a continued positive and bright future for Lake County.

With strong leadership and cooperative efforts, we can all work together to mold a more beautiful future for Lake County

Thank You

– Jana Hanus

Candidate for Lake Co. Commissioner

Brad Winters

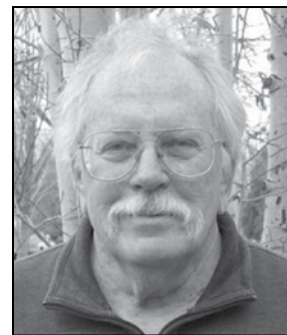

If I’m re-elected I will continue to promote Lake County in every aspect I can while keeping the interests of our citizens at heart. I have proven that I represent all of Lake County from being on the

North Lake Christmas Valley Chamber Board and the Lake County Chamber Board both at different times. In all the years I’ve been Commissioner we have never come to the citizens for a tax levy or bond. I will continue to work with that same dedication. I will continue to be conservative with our county budget and promote for researse while putting money toward the deferred maintenance that has been a long time coming. We are facing some hard times for our road department based around Federal funding diminishing or going away completely. I will continue to promote for funding at State and Federal levels. I’ve always been a team player and know that I’m only as good as the people that I work with. This will continue. With my longevity I’ve been able to gain the

respect from State and Federal elected officials. This has, and will continue to bring respect and dollars to Lake County. I have made many connections at the State level with department directors, their staff, the Governor’s office. This too brings respect and dollars to Lake County. This will continue. Examples are: Connect Oregon projects, C.V. Airport, Lake County Railroad, Lake County Airport. From the Regional Solutions Team, appointed by the Governor, I promoted and secured one million dollars for natural gas development. I have the track record to show my dedication to Lake County, and that dedication will continue. So much more to say, but you have my promise I will be dedicated to doing the most and best I can for all of Lake County. I would appreciate your vote for me in this up-coming election. Thank you Lake County.

– Brad Winters

Candidate for Lake Co. Commissioner

Bruce Webbon

I have many years experience bringing people and resources together to solve real world problems. I will provide critical, professional thinking, objective analysis, and leadership to re-

solve issues and make decisions.

I am an engineer and engineers make decisions based on facts and an assessment of whether the decision will achieve the desired outcome. Far too often decisions are made based on the political outcome rather than what is best for all of the citizens and the entire county.

I believe there is often too much dependence on studies produced by so-called experts without careful analysis of their recommendations. The commissioners should not just depend on experts and their studies without critical questioning of the results.

Decision making and leadership are linked. Decisions are often deferred to avoid political fallout. Leadership sometimes may require making an unpopular decision for the near term because it is best for the future. A commissioner has an obligation to explain decisions and take responsibility for them.

It is time for good people to stop just complaining about problems and issues facing us all and work together with their elected representatives to solve them.

– Bruce Webbon

Tuesday, May 17th
Ballot Drop Box
at the Christmas Valley Community Hall
8:00 am - 8:00 pm

Make sure your vote counts.

If you are mailing your ballot, it must be delivered in Lakeview on or before May 17th. To ensure this happens, mail your ballot NO LATER than Friday, May 13th. You can drop your ballot in the drop box at the Christmas Valley Community Hall on May 17th up until 8:00 p.m.

Candidate for Lake County Assessor

Dave Knowles

I am running for this office because I feel I can improve the leadership in office while enhancing communication with land owners. I am ready for a new challenge within the Assessor's office and

will bring an increased focus on detail, organization and service to the Lake County taxpayers. I feel the Assessor should be skilled and knowledgeable while having the ability to perform the tasks of any team member in the office if there is a vacancy or prolonged absence so that there are no delays in accomplishing the day to day work. I believe in a days work for a days pay and that a leader should lead by example. This position must be held to the highest standards for the public and the Department of Revenue. When dealing with tax payers it is important to take time to educate and explain the procedures, tax rules and laws. I have always treated people the way I would like to be treated and respect land owners rights. I am committed to working for the taxpayers and taxing districts in a fair and courteous manner. I also have the complete support and endorsement from Phil Israel, Retired Lake County Assessor.

– Dave Knowles

Candidate for Lake County Assessor

Larry Reeder

If I am re-elected Lake County can count on the same level of integrity, efficiency, and fairness they have received from the Assessor's Office for the past 26 years.

We will produce a "Fair and Equitable" Tax Roll, collect the revenue and pass it on to the schools, hospitals, fire departments, and other tax districts, just as we have over the past 6 years that I have been the Assessor, and the prior 20 years under my predecessor. We will continue to meet every State and County requirement on time and approved. In other words, my goal is to not have any major difference between the last 26 and the next 4 years.

When I started in the Lake County Assessor's

Office back in 2001 as an appraiser trainee, I was taught by my predecessor that the work we do is very important to both the tax payers and the districts that provide services (i.e. schools, hospitals, fire departments, etc.). I knew from the start that I needed to gain both knowledge and experience in order to achieve the office goals.

The Oregon Property Tax and Assessment programs are complicated. Our programming that we use to calculate your tax bill is complicated. The more experience you have, the better you will be able to achieve the goal of providing "Fair and Equitable" service to all of Lake County.

I am happy to report that the quality of work and our commitment to "Fair and Equitable" has continued under my leadership.

Over the past 15 years the tax payers have paid my salary, benefits, and retirement. In turn I have taken every advantage to grow as a professional in this field to better serve them. The result is, I feel, I am the only qualified candidate to serve as your Assessor for the next 4 years.

– Larry Reeder

Candidate for Lake Co. District Attorney

Patrick Flaherty

I will bring all that I have learned about seeking justice and ascertaining the truth to the citizens of Lake County if they honor me with the privilege of serving them.

Over the last 28 years, I have served the public as a deputy district attorney, chief deputy district attorney and most recently as the elected district attorney for neighboring Deschutes County. For 9 of those 28 years I was a partner of a very successful law firm, Wright, Van Handel & Flaherty, where my focus was criminal defense. During my career I have successfully prosecuted and defended, in the courtroom before judge and jury, the most serious crimes occurring in my community. I also have had the opportunity as an elected district attorney to administer an office of 18 prosecutors and 28 support staff.

If elected as District Attorney the difference that I will bring to the residents of Lake County is this: a balanced approach to justice. If you have liked the way that things have been going with the current District Attorney, re-elect him. If you liked the way that things were when Mr. Schutt was in office, elect Ms.

Forster. But if you believe, as I do, that justice requires finding the truth and if you believe, as I do, that the truth is often in the middle, then elect me. The difference I will bring is a balanced approach to justice.

– Patrick Flaherty

Candidate for Lake Co. District Attorney

Ulys Stapleton

When I took office in 2012, I promised to take a different approach in how cases were handled in Lake County and how people (including defendants) were treated. I will continue to

have an open door policy, in spite of some in law enforcement who do not want me talking to people who disagree with the police.

Working with the police does NOT mean they should be able to dictate how a case is prosecuted. It sometimes means the police need to do more than simply arrest a defendant. Recently, I received reports from the sheriff's office that were 5 months and 16 months late. In another case, the sheriff's department refused to interview witnesses who the defense was going to call at trial. This is unacceptable. **Victims depend on more and justice demands it.**

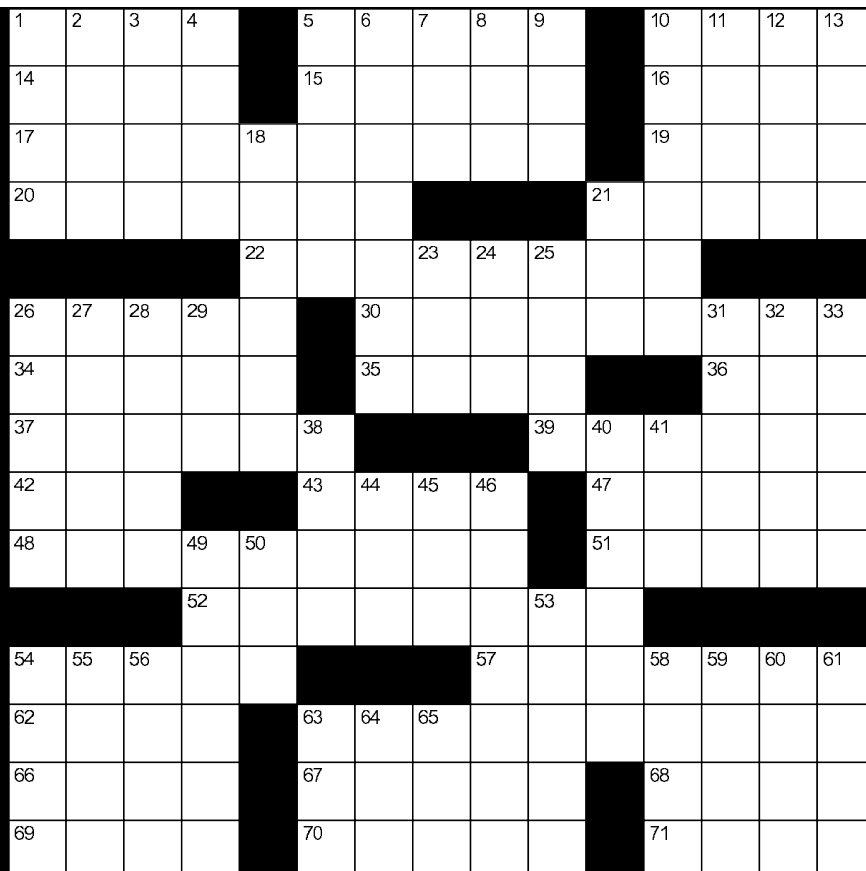

I will continue to make the enforcement of methamphetamine laws one of my top priorities. It destroys lives, families, and communities. Our drug treatment court, which is now one year old, has made significant progress in dealing with the addiction of methamphetamine.

My ancestors were settlers in Silver Lake and I was raised in Lakeview. I understand that prosecuting cases is more than getting a conviction. It is in seeking justice and understanding needs of the people in Lake County. While sometimes the circumstances may require a defendant to be sent to prison, usually a case involves probation and conditions that will help defendants make restitution to victims and become law abiding and productive citizens.

– Ulys Stapleton

Thank you for your responses.
– Mark Joseph Russell, Editor

bringing. We can all wake up to our empowerment. Co-coaching others will take your empowerment to a deeper more powerful level. And give you other empowered people to surround yourself with. You can Co-coach others at any level of this process.

7. Physical Mastery - Health and exercise are important to empowerment, though there are programs out there that accelerate the empowerment process by using body positioning and movements. Martial arts, Yoga, and NLP are excellent examples.

8. Social Mastery - As we become empowered and we work ourselves into the existing social systems, Rather than fighting them. And teach how self empowerment is both socially and economically beneficial, which is already happening in the professional and business world. We will see humanity shift to a harmonious empowered reality. Science has proven that we are linked in many ways. And when you have an empowered reality, you communicated this ability to everyone around you.

If you would like to talk to me about this Self Empowerment Workshop, and/or would like to support me in developing it. Please contact me.

Women's Health *From page 1*

healthy diet, evaluate substance abuse and maintain regular reproductive and prenatal check-ups to build healthy bodies.

As a Women's Health Ambassador, I will teach other women to gently pay attention to what is going on in their bodies without judgment. My role will be to: provide support, model healthy behavior, and offer educational resources.

When participating members practice what they will learn in these sessions that on a regular basis, they will develop a strong foundation for their health; enhance their ability to cope with stress, and increase satisfaction and happiness in their life.

The first session is on Thursday May 26th at the Christmas Valley Community Hall at 5pm. These sessions are free to attend. The topic will be: *Nutrition and finding a way to shop Healthy on a budget*. Snacks will be provided, but if you would like bring a sample of a healthy snack to share.

For more info call Rose Gibson at: 541-728-8075. Please leave message.

3rd Run to the Desert Car Show Coming Soon

Hey everyone it's almost that time again, the 3rd annual Christmas Valley **Run to the Desert** car show is going to be on Saturday, August 13th from 11am - 5pm. This year we are adding Big Rig classes, bobtail only please.

The entry fee will be \$25. We will have raffle prizes and a 50/50 raffle too. The music festival will be going on as well. So come and show off your classic car or truck and enjoy the music and good food at our nice Floweree park. Maybe you will win a fancy plaque to show off.

All proceeds will go to local charities. Hope to see you there. Contact Becky Tocol for more info @ (541) 408-1386.

The Hugger Hat Project

The Hugger Hat Project makes hats out of yarn for cancer patients. We are seeking individuals interested in helping with this project. All supplies are provided. Please contact Carol E. Chapman at 541-408-2642 for more information.

Project Sponsored by:
Friends of the CV Library
a 501C3 organization
