ODFW Invites Families to Enjoy Free Fishing Weekend June 4-5

Free Fishing Weekend in Oregon is June 4-5, and many events are planned around the state to help families make the most of this opportunity.

During Free Fishing Weekend, fishing licenses, tags and endorsements are not required anywhere in Oregon.

The Oregon Department of Fish and Wildlife will make sure there are plenty of fish to catch. During the week leading up to Free Fishing Weekend ODFW will release more than 185,000 trout at 80 locations around the state. Many additional locations were stocked in the preceding weeks, and some of those fish should be available as well.

Continues as Free Fishing on page 5

Changes at the NL Park and Recreation Office

In an effort to serve the community, while best utilizing our staff and facilities, North Lake Park and Recreation is making a small change to our office hours. Starting June 1st, 2016 the office will be open to the public Tuesday - Friday from 10am - 2pm. Staff may be there at other times, but if the closed sign is displayed, please do not disturb those working inside. We apologize for any inconvenience this may cause.

Continues as Changes on page 11

DESERT WHISPERS

The intent of **DESERT WHISPERS** is to publish a variety of information from all aspects of life in North Lake County. We neither support nor condemn any ideas, creed, religion, custom, attitude, belief or law. Opinions expressed are not necessarily the opinions of the North Lake Park & Recreation District Board members, staff, personnel or advertisers. The North Lake Park & Recreation District is not responsible for errors in articles and/or ads submitted to be published without change. The North Lake Park & Recreation District Board of Directors reserves the right to reject unduly pejorative or inflammatory material.

DESERT WHISPERS welcomes letters to the Editor. Letters should be printed or written clearly. Each letter **must be signed**. **DESERT WHISPERS** reserves the right to condense long letters or to edit for content. We will avoid this whenever possible. **DESERT WHISPERS** reserves the right to judge the acceptability of a letter in regards to vulgarities, profanities, or slanderous content.

Deadlines for **DESERT WHISPERS** are at least seven (7) Days before issue dates of the 1st and 15th of each month. Please have your ad or article to the **DESERT WHISPERS** office BEFORE the published deadline. If the ad or article is NOT received by 2 pm on the deadline, it may not make it into that issue. Ads and articles can be received by mail, fax, e-mail, or dropped off at the office.

To The Editor...

Situation 28: General Election

Over 110,000 voters have changed party affiliation or have registered with a party in 2016. Clearly, a lot of attention has been paid to the Presidential Primaries in Oregon.

In most of Lake County we sit in Oregon's 28th Senate District where the incumbent State Senator, Doug Whitsett vacated the office leaving this seat open. His wife vacated House District 56 in similar fashion, at the same time. Two individuals filed for these offices minutes before the filing deadline back in March, denying any collusion with the incumbents.

Candidates within the Partisan Primary process follow one path to nomination and that process is different than those of Non-Partisans. Non-Partisan candidates are nominated by registered voters within the district from any party or no party at all. Non-Partisans Circulate a "Petition of Electors" requiring signatures from the voters in the district based on recent Presidential election data.

Understanding the real dynamic in Senate District 28 this General Election cycle is key. The withdrawal of both Doug and Gale Whitsett, the morning after Dennis Linthicum and Werner Reschke filed for these same offices, was within the letter of the law but was not within the spirit of the law.

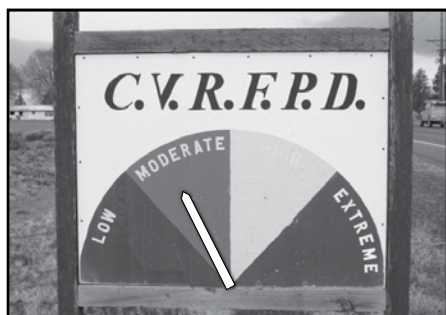

The Great State of Oregon deserves better from its incumbents. Appointees, of incumbents, who vacate office without giving notice to their colleagues in Partisan Circles, will not be received well in Salem. Oregon's 28th Senate seat could have been offered to Oregon's incumbent 55th House District Representative Mike McLane.

Why not give the opportunity to run for Oregon Senate to someone already toting party lines in Salem?

Brinksmanship within party circles, becoming a priority before the people's work, is the answer. I am Michael Stettler, I'm an un-affiliated voter seeking support for a nomination by "Petition of Electors" in Oregon's 28th Senate District.

– Michael Stettler
Christmas Valley

Free Fishing Continued from page 1

"Free Fishing Weekend is a great opportunity for families to get out and enjoy a day or two of fishing," said Rick Hargrave, administrator of ODFW's Information & Education Division. "Lakes and ponds are fully stocked, a number of rivers are open, and don't forget about the coast for crabbing and clamming."

As in years past, ODFW is teaming up with the Oregon State Parks Department to inspire people to explore Oregon's parks and outdoors by waiving fees and offering such activities as fishing events, nature walks, and specialized outdoor-related workshops. Several state parks will be hosting ODFW Free Fishing Weekend fishing events and waiving park admission and camping fees on "State Parks Day" Saturday, June 4.

4-H Livestock Skillathon

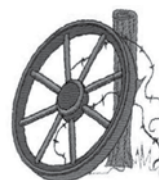

The Livestock Skillathon is a competitive event that will engage livestock 4-H members of Klamath, Lake and Harney counties. It will be held the evening of Thursday, August 11th from 4:30-8 pm at the Lake County Fairgrounds.

Participants will enter the Livestock Skillathon in teams of 4-6 members in either the Junior category or Intermediate/Senior category, age dependent. There will be no entry fee for the event and 4-H members of all ages will be welcome. The contest will be broken down into 3 sub-contests; practical application/lab, written exam and quiz bowl. Teams will receive a score at each station and scores will be combined to determine the overall winning team.

The Livestock Skillathon will serve as a fun and competitive event to expand the animal science knowledge of 4-H livestock members and prepare them for county fair. Team registration will be open in early summer and will be completed online.

For more information, or if you would like to be on the planning committee, please contact Samara at the Extension Office.

Back in Thyme Herbals - Herb Walk

Linda McCoslin

It started out as a beautiful, sunny day. Six of us met at Flowerree Park at 9am. We then drove to the Golf course shop by the baseball field and walked from there across part of the golf course, to the north side of the lake. The first sighting of herbs was a nice patch of comfrey growing around an outside faucet by the shop. Across the golf course we found lots of pretty pink flowers growing that are called Filaree and a lot of Toad Flax, which is considered a noxious weed, according to the county weed book. It is pretty but it is taking over a lot and is very difficult to eradicate. There were quite a few usable herbs along the trail. Common Plantain grew amongst the Wilows and Birch along the way.

We found the Lemon Mint growing very well at the bottom of the Cat Tails and the Cat Tails are shedding their cotton tops at the same time they are growing lots of new shoots at their bases. On the trail we found Canadian Thistle, Russian Thistle (tumbleweed), Salsify, vetch, locoweed, Pigweed, Wild Lily of the Valley (Mayflower), Miners Lettuce, Common Mullein and some Dock, but I'm not sure yet which ones. There is a Juniper bush that has spread rather large with berries on it. The growth around the lake has changed a lot and become very expansive over the years. There are lots of deer beds in the trees and quite a few current bushes, one of which is the size of a tree now.

The wildlife must be very pleased for the food. There were lots of Yellow headed Blackbirds that sang and talked to us as we roamed in their area. You know some of them actually sound as though they are saying words. As we were leaving

there was a large growth of Yarrow next to the Lodge. It was a very pleasant and informing walk. It is amazing what you find growing in our area. We completed our walk of approximately 2 hours in the sun just as the wind began to pick up and just in time as the sky clouded and burst into rain, hail, thunder, and lightening when we got home. It was a "Close Call." We enjoyed ourselves and were happy we stopped when we did.

We will meet again for our second outing on June 11 at 9 a.m. in Flowerree Park. We will go to the Crack In the Ground from there and will leave at 9 sharp, to explore that area. So if you are late, you can catch up to us on our way up there. Everyone should bring a snack and drink with them as it's a ways up there. I have several neck coolers if anyone needs one to use and can't take the heat for long, they really do help.

I hope to see more of you there and bring your youngsters with you. They might enjoy the trek and getting out of the home for a fun, informative hike.

God Bless,
Thank you
Linda

Send Your Kids on an Over-The-Top Underground Adventure

At Cave Quest VBS, kids explore the rock-solid foundation of Jesus' love. Cave Quest VBS is filled with incredible Bible-learning experiences kids see, hear, touch, and even taste! Sciency-Fun Gizmos™, team-building games, cool Bible songs, and tasty treats are just a few of the stand-out activities that help faith flow into real life. (Since everything is hands-on, kids might get a little messy. Be sure to send them in play clothes and safe shoes.) Plus, we'll help kids discover how to see evidence of God in everyday life—something we call God Sightings.

Get ready to hear *that* phrase a lot!

Your kids will also participate in a hands-on mission project, through a program called Operation Kid-to-Kid™, that will let the kids in our community show God's mighty love to needy kids in the United States.

Parents, grandparents, and friends are invited to join us at Cave Quest Closing each day at 11:30, a daily exploration of Jesus—the light of the world!

So mark these dates on your calendar:
June 13th - June 17th.

For ages 3yrs - 5th Grade the fun starts at 9am and will end at noon each day. Call Paulette at 541-576-2514 to register your children for this life-changing adventure! For more info call the church office at 541-576-2757.

6th -12th grade VBS is June 13th-16th 7pm-9pm. Call Fred Chugg for more info 541-420-5905.

FROM

FORT ROCK HOMESTEAD MUSEUM

Early Rockshelters

M.E. "Jack" Swisher
Fort Rock Homestead Museum

Rockshelters provided snug homes for thousands of years, for our ancestors in Europe, Asia, Africa, and the Americas. We imagine that little kids played within sight as the daily household industries occurred, while the men fished or hunted or raided & traded with neighbors. We tend to think it was an idyllic time for small egalitarian bands, but our ancestors were humans too, so it is likely they dealt with favor-

itism, jealousy, love, hatred, distrust of strangers, and the other emotional whirlwinds that sometimes sweep through our camps today.

Thank you to Jim Ford for this interesting photo.

You can read more articles from Jack at the Fort Rock Homestead Museum on Facebook.

Last year the Fort Rock Homestead Museum provided 2,500 visitors the opportunity to explore – for learning, inspiration and enjoyment. The public is encouraged to attend our board meetings.

The Board of Directors meet the second Tuesday each month at 9:30 a.m., in the visitors center at the Fort Rock Homestead Museum.

North Lake FFA National Soils Team:
(L-R) Nathan Gilbert, Brittnee Kezer, Laurena Schmidt, Wyatt Waldron

North Lake FFA Competes at National Soils Event

The North Lake FFA Soil Judging Team competed in the National Land and Range Judging Contest in Oklahoma City, Oklahoma, during the week of May 1st-6th. The team consisted of Nathan Gilbert, Laurena Schmidt, Wyatt Waldron and Brittnee Kezer. The soils judging team qualified for the national competition after receiving 1st place at the Oregon State FFA Soils Contest held in October. North Lake has placed 1st at the state level six out of the last seven years, and has won the Central Oregon District competition eleven consecutive years.

At the national level North Lake placed 50th out of 106 teams representing the top FFA soils teams from across the nation. Friendly rival Bonanza FFA chapter also made the trip placing 33rd. North Lake earned a top 20 finish at the National Soils

event in 2013, and competed in 2015 where they placed 51st.

The event includes the judging of four soil pits. The scorecard used to judge the soil pits is divided into two parts. In the first part, contestants must determine textures, slope, depth of soil, erosion, permeability, and runoff to select a land capability class. In part two, they must decide on recommended vegetative and mechanical land treatments.

During the trip, members spent two days preparing at practice pits and attending an awards banquet. They toured the Oklahoma City National Memorial and Museum, Bricktown, The Oklahoma National Stockyards, as well as the National Cowboy Hall of Fame and Museum. They also attended a minor league baseball game in historic Chickasaw Bricktown Ballpark.

Changes *Continued from page 1*

Also effective June 1st, we are making some adjustments to office service fees.

Take for example photocopies:

- A single B/W copy will be 25¢
- 2-9 B/W copies will be 15¢ each
- 10-99 B/W copies will be 10¢ each
- 100-999 B/W copies will be 7¢ each
- 1000+ B/W copies will be 5¢ each
- A single COLOR copy will be 50¢
- 2-9 COLOR copies will be 35¢ each
- 10+ COLOR copies will be 25¢ each (prices are per original)

Faxes are still just 50¢/page whether sending or receiving. Laminating is available at \$1 per page. Graphic design, computer work and production time will be charged at \$15/hour.

A full menu of the service fees is on display at the Park and Recreation office. If you have questions, please call Mark at: 541-576-2216.

Freedom of the Press

We receive numerous letters and article submissions and often have to be quite selective as to which get printed. The First Amendment allows us the freedom to be selective. If your submission is not printed, please don't take it personally.

Freedom of the press gives North Lake Park and Recreation exclusive control over what we choose to publish in Desert Whispers, including the right to refuse to print anything for any reason.

Fireworks and Exploding Target Ban

OR/WA BLM

FIRE PREVENTION ORDER

Pursuant to 43 CFR (Code of Federal Regulations) 9212.1(h), the following acts are prohibited on lands administered by the Bureau of Land Management in Oregon and Washington beginning on midnight, May 27, 2016, and continuing to midnight, October 14, 2016:

Igniting, possession, or use of fireworks.

This prohibition includes target shooting with exploding targets.

On public lands, under section 303(a) of the Federal Land Policy and Management Act of 1976 (43 U.S.C. (United States Code) 1733(a) and 43 CFR 9212.4, any person who violates this fire prevention order may be tried before a United States Magistrate and fined up to \$1,000 or imprisoned for up to one year, or both. Such violation may also be subject to the enhanced fines provided for by 18 U.S.C. 3571.

The Bureau of Land Management (BLM) and the U.S. Forest Service want to remind everyone that the use of fireworks and exploding targets is prohibited on all BLM-managed public lands and U.S. National Forests throughout Oregon and Washington.

So far this year we've already seen 288 fires that have burned over 1,500 acres. In recent years we've had longer fire seasons and fires are burning hotter and longer fueling the costs of fire suppression.

Those who ignite fireworks or exploding targets on BLM-managed lands can be fined up to \$1,000, receive a prison term of up to one year, or both. In addition, individuals responsible for starting wildland fires on federal lands can be billed for the cost of fire suppression.

The BLM and the U.S. Forest Service cooperates with the Pacific Northwest Wildfire Coordinating Group to fight wildland fires in the Pacific Northwest. The Geographic Area Coordination Center offers updates on the fire potential regionally and nationally and the NW Coordination Center provides updates in the Pacific Northwest.

Hear the latest fire news in the Pacific Northwest. Tune to the weekly Wildland Fire Minute: <http://blm.gov/ksmd>

FFA District Tractor and Machine Operation Career Development Event

Bottom Row - Levi Savage Waldron, Cole Vore, Austin Murphy, Ethan Fine.
Top Row - Gentry Strong, Garrett House, Russell Brown, Tony Anderson

On May 11th, eight of our North Lake FFA Chapter members met with the other Central Oregon District chapters in Madras for the Equipment Operation and Safety Contest.

The Equipment Operation and Safety Tractor Driving Contest, involved three parts: the safety test, where competitors took a written exam on common safety precautions and practices; the parts on the tractor; and the main event which consisted of the members actually getting behind the wheel of a tractor.

There were five different courses that members had to complete. The first two courses involved driving the tractor with a trailer attached, a short hitch trailer and a pipe trailer. Members are graded on how quickly, yet safely, they could maneuver through the course without knocking over the flags, and how accurately they could back the trailer into a simulated shed.

The third course entailed loading pallets on a truck while balancing a bucket of water on top. In this course competitors were judged on how many inches of wa-

ter was spilled from the bucket, how many inches the furthest corner of the pallet was from the simulated headboard which is measured in inches, and other safety precautions such as riding the clutch and stalling the engine.

In the fourth course, the members had to balance a tractor on a trailer. Students were judged on how many pounds off-balance they were, and how centered on the trailer they got the tractor.

In the final event students had to attach an implement to the tractor. When attaching the implement, the students were judged on the number of attempts at hook ups, if they made sure the lynch pins were secure and other safety measures.

All the courses were very challenging and were judged based on speed, skill, safety, and general equipment operation.

The beginning team, Austin Murphy, Tony Anderson, Cole Vore, Ethan Fine and Levi Waldron came in 1st place. Sherman County placed 2nd and Culver placed 3rd. Austin Murphy had the 2nd high individual score. Tony Anderson 4th and Cole Vore 5th.

Junior Gentry Strong, who has competed since his freshmen year, took the high individual score in the advanced competition and will be representing Central Oregon District at state competition during the Oregon State Fair. Other members of the Advance team include Garrett House (5th high score), and Russell Brown. The team took 2nd place, getting edged out by Sherman County by two points. Culver came in 3rd place.

Our members did an outstanding job

Tractor Skills

From page 15

in this contest again this year. Mr. Waldron said, "We have an edge over the other schools in this career development event because we require all 8th graders to go through Tractor Safety Class and we have such a large number of experienced FFA students to choose from who have spent their whole summers in a tractor seat. I don't teach student how to operate a tractor. I just teach them safe operating practices, and make sure they have the best opportunity to demonstrate their skills."

Keep up to date with the North Lake FFA Chapter, please visit us on facebook.
