Progress in North Lake County

J.W. Kerns

J.W. Kerns, Gifts-n-More, CVCC, Flowerree Park & Others show marked signs of Progress

These days, one has only to drive through Christmas Valley to see the signs of progress in the north end of Lake County. New construction can be seen in all parts of the township.

J.W. Kerns Irrigation, Hardware & Feed store at 87226 Christmas Valley Hwy is adding several thousand square feet of storage and retail space on the east side of their building. The structure is planned to be partly enclosed with roll-up doors and partly open. This increased space will allow for better organization of existing product lines, as well as allow for expansion into new areas. Jake Chess says they plan to carry a larger quantity and a greater variety of lumber in the near future. He also added optimistically, "We should be done with construction around July 1st."

R. E. Flowerree Memorial Park, in the heart of Christmas Valley is seeing some extensive changes too. As reported in *The Community Breeze*, a low wall along the highway, and a memorial to R.E. Flowerree are being added.

Gifts-N-More, now located at the corner of Christmas Valley Hwy and Park Road, has expanded nicely into their new location. The new covered deck area is a welcome addition to the previously vacant building.

Oregon Dept. of Forestry

**For burning information call:
541-480-3979**

Fire officials in Klamath and Lake Counties officially declared fire season beginning Friday, June 3rd, 2016 at 12:01 A.M. on lands protected by the Oregon Department of Forestry (ODF) Klamath-Lake District. Areas protected by the Walker Range Forest Protective Association, northern Klamath County, have been in a declared fire season since Wednesday, June 1st, 2016 at 12:01 A.M. This affects all private, county, state forestlands, and those Bureau of Land Management (BLM) lands under contract and

agreement west of the Gerber Reservoir area and HWY 97.

"Despite fairly cool and spring like weather for a good portion of May, these current hot and dry conditions look to continue thru the first weeks of June, so it's time to prohibit all outdoor burning and put normal industrial restrictions in place." Stated Randall Baley, Protection Unit Forester, Oregon Department of Forestry.

The "Fire Season in effect" declaration puts into place regulations restricting debris burning and forest operations. Wildland and structural fire protection agencies in Klamath County have agreed to prohibit all outdoor debris burning as do the agencies in Lake County unless a permit is first obtained. Forest operations that require a Permit to Operate Power Driven Machinery now are required to have Fire tools, on-site water supply, and watchman service on privately owned forest land.

The Lakeview Interagency Fire Center website: <http://scofmp.org/lifc.shtml> is available to assist in keeping people informed of current and changing conditions for our area.

Cyril A. Stevens, October 18, 1931 - May 27, 2016

Rev. Cyril Albert Stevens was born October 18, 1931 to Albert James and Dorothy Maude (Fitzgerald) Stevens in Balham (London), England. He died at his home in Christmas Valley, OR, May 27, 2016.

He attended schools in London during WWII, enduring the Blitz, and served in the British Army for two years. He attended art school in South Wales and studied the Bible with veteran ministers.

On October 30, 1954, he married Rene Cheer Roberts and they have three children; Sharon (Umpleby), Paul Stevens and Judith (Heckenberg). Cyril and Rene were full time pastor and wife of various churches, moving the family to the U.S. in 1969.

Pastor Stevens served several churches: Newtown Baptist Church in England; Lakewood Baptist Church, Tacoma, WA; First Baptist Church, La Grande, OR; First Baptist Church, Watsonville, CA; First Baptist, Molalla, OR and Christmas Valley Community Church in Christmas Valley, OR. He was a much sought after speaker for camps and special meetings. At La Grande, he encouraged the church to open Heidi Ho Christian Kindergarten which is still operating. He also enjoyed hunting for elk, climbing mountains, backpacking and riding horses.

Cyril's greatest passion was preaching and sharing the Gospel of Jesus with others and instructing them in Biblical principles for living. Spreading the Gospel took him to various mission fields such as Brazil, India and Latvia, Europe. He first became acquainted with Americans at the Air Force bases in Upper Heyford and Croughton in England, which led to

the move to Tacoma. He had a great vision to have the Word of God proclaimed over the radio airs. While in Chesham, he would take the sermons in a large tape recorder that he would transport in the baby buggy and push it around town for the sick or shut-in members to hear. During the ministry in La Grande, the morning worship service was aired live on the local radio station and in California, a weekly sermon was aired. Recently the program "Saints for Jesus" has been aired on KLGK, Bend, OR.

Cyril is survived by his wife of 61 years, Rene, his three children and spouses, Sharon & Lyle Umpleby, Paul & Joyce Stevens and Judith & Gene Heckenberg; 10 grandchildren: Adam & Stephanie Umpleby, Aaron & Kati Umpleby, Andrew & Janelle Umpleby, Alex Umpleby, Nathan Stevens, Isaac Stevens, Timothy Stevens, Peter Heckenberg, Heidi Heckenberg, & Jesse Heckenberg; and 7 great grandchildren. Cyril was preceded in death by his parents and his brother, John Stevens.

A graveside service took place, Friday, June 10, 2016 at the Grandview Cemetery, La Grande, OR, followed by a Memorial Service at First Baptist Church, La Grande. A second Memorial Service at Christmas Valley Community Church will take place on Saturday, June 18, 2016 at 2 p.m., followed by a dessert potluck.

In lieu of flowers, memorial contributions may be made to the Gideon's or Heidi Ho Christian Kindergarten through Tami's Pine Valley Funeral Home PO Box 543 Halfway, Oregon 97834. On line condolences may be shared at:

Back in Thyme Herbals - Filaree

Linda McCoslin

"A very popular domestic remedy in many parts of the country," is what a 19th-century handbook for physicians says about cranesbill, or wild geranium, citing the wide spread use of this astringent plant for diarrhea, dysentery, and hemorrhaging. An herbal remedy that settlers picked up from North American Indians, the plant proved to be both effective and harmless. The Chippewas used the dried and powdered rhizome, or underground stem, on sores inside the mouth, especially of children.

Other Indian peoples steeped the plant in water as an eyewash. Mixed with other herbs and water, the powdered rhizome was applied to sores and open wounds, and as a poultice to swollen feet. Indians also ate the young green leaves as food.

To this day herbalists recommend the plant for many of the same medicinal purposes. The fluid extract and powdered rhizome are both widely available in herb stores. Cranesbill was listed in the U.S. Pharmacopeia, a reference for pharmacists from 1820 to 1916.

I have found at least four plants in this species: *Geranium Pratense*, Meadow cranesbill, has blue-violet flowers that can be added to salads. *Geranium Macrorrhizum* has a long rootstock with small rootlets, magenta flowers and deeply cut leaves. *Geranium Robertianum* has hairy leaves that are divided, lobed, and toothed. It is an annual or biannual with diuretic aereal parts. It was given for toothaches. It lowers blood sugar and may help diabetics. It is used like the valuable and rare Goldenseal. The flowers are pink. This and the next one grow in my yard. *Geranium Maculatum*, American Cranesbill is a perennial given by Native Americans for diarrhea. It has hairy toothed leaves that

On our recent Herb Walk, we found Filaree, which grows all around us.

Filaree or Cranesbill, *Erodium cicutarium* Geraniales, of the Geranium family

turn red-gold in the autumn. It has red to purple flowers and explosive seed dispersal. When the seeds explode, they have spiral seeds that will screw themselves into the soil. The spicy leaves and root are added to potpourri and considered an aphrodisiac in Bulgaria. An infusion of the root is used as a mouth wash for ulcers and throat infections. It is used internally for diarrhea, stomach ulcers, internal bleeding and externally for hemorrhoids. It may be used where excessive blood loss during menstruation or uterine hemorrhage occurs.

In mild climates, this little immigrant stays green and edible all through the winter, and is a valuable source of vitamins and minerals. It is at its best in spring, when the tender new growth can be eaten raw in salads.

Welcome to Barnum and Bailey—or is it the “Dingaling” Brothers? No, wait a minute. They’ve retired the elephants and some of the lions. So who does the circus feature this year? We still have the monkey act. Strangely, these “monkeys” are vying for a top spot in a bigger cage—the White House. Meantime their acts provide a lot of entertainment. One of my friends commented, “I don’t get into political stuff, but this is the most entertaining election I can remember.”

One monkey looks like his cage is dirty. He makes a lot of noise. He takes joy in shouting down all the other monkeys. Then when nobody likes him he makes more noise. In monkey talk he chitters, “Why is everybody picking on me?”

One monkey keeps the cage dirt nice and neat—a real housekeeper

monkey. But underneath? Wow! The chittering says one thing, the cage says another.

One monkey, a very likeable one, calls for a new order. He would lead us into a genuine planet of the apes; he assumes that would make us happy. In his favor, he never changes his message (a good idea) and he keeps his cage genuinely clean.

We have one other choice, the free monkey. If monkeys have principles this one does. He wants to break down the walls of the cages and make everybody free to do what they want. In his favor, he’s sane, experienced, and again lives in a clean cage. Trouble is, no one ever sees him or hears about him.

This election year is more fun than a barrel of monkeys. Only one problem: Do I want to vote for any of these bozos?

A Sincere Thank You

On Saturday, June 11, 2016 my Dad, Everett Russell, was driving over to the neighbors when loose gravel sent him off the road, rolling 3 times, through a ditch & fence and into a field.

My sincere thanks to Kelly and the other emergency responders who got him to the hospital 100 miles away. My thanks to the hospital staff for patching him up. My thanks to the many friends, and family that immediately went to prayer on behalf of my Dad. And thanks to our Lord and Savior, Jesus Christ for His protection and preservation of those that follow Him.

My Dad only required 2 stitches, and was discharged shortly after arriving at the ER. He was back milking their goat the next day. He almost seems more *alive* than ever.

Thank you ALL.

Many were in attendance on Sunday, June 5th, when the new sanctuary at Christmas Valley Community Church was dedicated.

Christmas Valley Post Office

Christmas Valley Community Church

Local Progress

From page 1

ley's main drag is Hamilton Auto Repair, located at 87180 Christmas Valley Hwy. Just east of Sagewood Grocery, in another previously vacant building, it looks like Jeff and his crew are keeping busy.

Even the local Post Office has had a subtle enhancement. Above the main entrance patrons will notice a new sign, cut from steel.

One recently completed construction project that was not totally obvious from the highway, is the new sanctuary at Christmas Valley Community Church. Though the church is located at 87921 Christmas Valley Hwy, the addition is on the north side of the building, facing away from passing motorists. The new space-dedicated on Sunday, June 5th-will seat almost 300 people. During the dedication service it was emphasized that though the church has a nice new building, with more bells and whistles than before, it is simply a tool to be used in serving the congregation and the community. 2016 marks CVCC's 50th year since their first meetings in the A-frame church on Sunrise Circle.

There's a lot going on in this part of the county. Some of it is obvious. Some of the progress is more subtle. Some of it undoubtedly is thus far unnoticed.

In as much as it seems that some aspects of northern Lake County never change, just as much of it is moving forward.

Thirty-one North Lake chapter members traveled to Redmond to compete in the Central Oregon District Shop Skills Career Development Event.

Central Oregon District FFA Shop Skills Career Development Event Chad Waldron

On May 25th, thirty-one North Lake chapter members traveled to Redmond to compete in the Central Oregon District Shop Skills Career Development Event. Culver, Madras, Redmond, Bend, Crook County, and Sherman County all gathered in the Redmond High school shop for the contest. North Lake members have been preparing for this event since the first day of school, and were ready to test their knowledge and skill once they were sent to work.

Shop Skills is an exciting time for all members. It's a time when everyone gets to show off their skills in what they do best. Besides the shop events there are also math, spelling, crop and tool identification, technology and floral events.

The North Lake chapter has been very successful in this contest for over the last 15 years, placing 1st or 2nd. This year our chapter brought home the 1st place banner. Redmond placed 2nd, and Culver placed 3rd.

Some standout performances came from Gentry Strong and Levi Waldron, who both placed 1st in each of their events. Zack Morse, Carlie Nelson, Kole Baert, Larissa Hackett, Kali Lorenz, Nathan Gilbert and Brittnee Kezer all had a 1st place finish in an event as well.

Shop skills is the last FFA event for the school year. We hope to see everyone at the Lake County Fair in September. The following list is the results from our chapter.

Shop Skills is a great contest that displays the hard work of FFA members in the Central Oregon District. It feels great getting to compete in this contest. North Lake FFA would like to thank Redmond High School for letting the district use their school once again.

Historical Society holds Raffle for Photograph

Fort Rock Valley Historical Society is raffling a 31"x43" framed photograph of Fort Rock by Freank E. George III. Tickets are \$5.00 each, or 5 for \$20.00. Only 400 tickets will be sold. The drawing will take place September 11, 2016.

Mr. George is a well-known photographer in Oregon, for his landscapes, and especially nighttime landscapes which may include the Milky Way, Northern Lights, or shooting stars. He was at the Fort Rock Homestead Museum with a group of photographers on June 10 through 12, for Milky Way photography. He has been very generous to the museum. He donated this huge photograph of Fort Rock (pictured above), and also a Milky Way photo the same size, which we will also raffle off.

For more information concerning the raffle, or the museum in general, please call 541-576-2251 or visit:

PUBLIC NOTICE

The Lake County Road Department would like to remind residents that in accordance with ORS 536.220 and 536.710 as well as County Ordinance 23, all irrigation water is to be kept off of County roadways. Water on the roads interferes with road striping, weed spraying and undermines the integrity of roads, shoulders, chip sealing and paving materials. Water on the roads can also ice up and cause safety hazards when the temperatures dip below 32 degrees which is very typical in Lake County. In addition to ice hazards, hydroplaning can cause drivers to lose control with potentially devastating results. The Sheriff's Department and the Water Master will be citing offenders so please be mindful of this when watering this spring and summer!

Thank you!
Lake County Road Department

PUBLIC NOTICE

NOTICE IS HEREBY given that the Lake County Planning Commission will hold a public hearing Tuesday, June 21, 2016, at 6:00pm, in the Board of Commissioners Meeting Room, 513 Center Street, Lakeview Oregon, to receive public comment and testimony on the following applications. Failure to raise an issue at the hearing or to provide sufficient specificity precludes your ability to appeal the decision. If you have needs requiring special arrangements, please call 541-947-6036 at least 24 hours prior to the meeting.

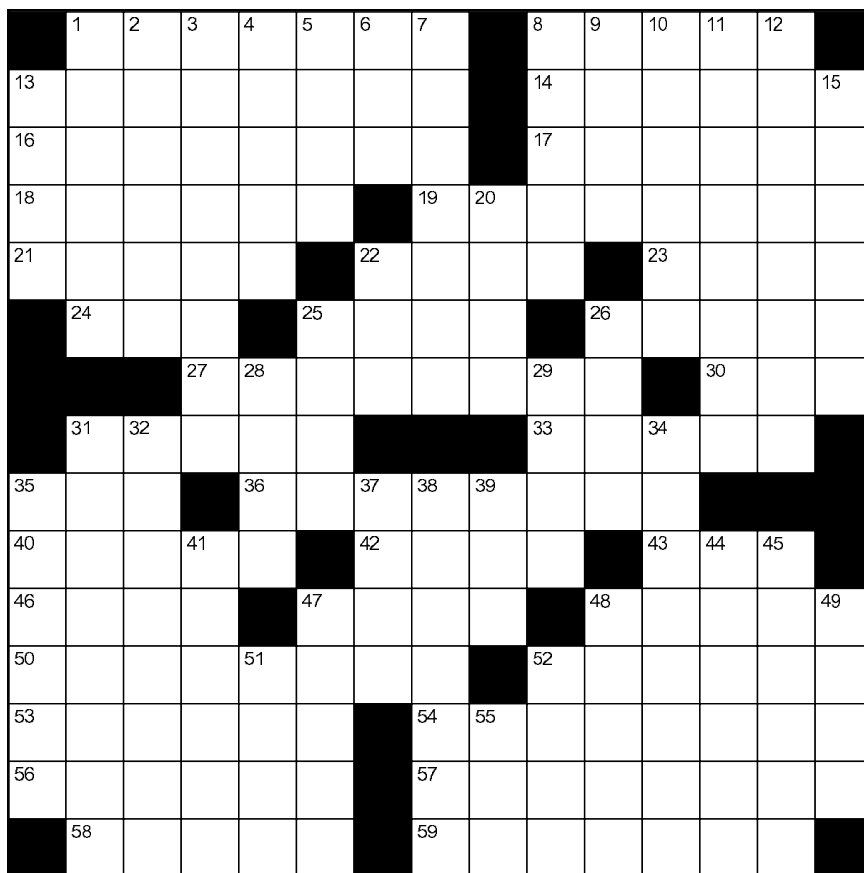

CONDITIONAL USE PERMIT APPLICATION NO. 16-020-CUP
Public Hearing concerning an application by Larry Thomas to establish a Non Farm Dwelling on a 19.29 acre parcel. The property described as: T40S, R19E, S31, TL700 in an A-1, Exclusive Farm Use Zone. A decision will be based on Articles 2 and 24 of the amended Lake County Zoning Ordinance of 1980.

CONDITIONAL USE PERMIT APPLICATION NO. 16-021-CUP
Public Hearing concerning an application by Andrew Cobbett to establish a Non Farm Dwelling on a 19.55 acre parcel. The property described as: T27S, R16E, S10, TL2600 in an A-2, Agriculture Use Zone. A decision will be based on Articles 3 and 24 of the amended Lake County Zoning Ordinance of 1980.
