

DESERT WHISPERS

November 1980

V O T E NOVEMBER 4, 1980

Don't forget that November 4th is the General Election. Let's all get out and vote so that the people in Salem and Washington D. C. know that Christmas Valley is more than just a name on the map.
SEE YOU AT THE POLLS.

BUSINESS OF THE MONTH

Gordon & Betty Goeres came to Christmas Valley in 1969 and bought their store from Al & Connie Baert. Their family consists of five children, 3 girls and 2 boys, Linda, Mark & David, Ann & Mary, all now grown and living away from home. Linda, Mark & David are all married. Ann and Mary are both in Nurses training, Ann at COCC and Mary at U of Oregon, Health Science Center. They also have one Grandchild.

Gordon for the past year has been the water master for the town's water district. At one time Gordon was a well driller and has been involved with the water system for several years.

Goeres Grocery carries Food, Notions, Plumbing Supplies and essential clothing. The Library in the store is a popular corner and is one of the most well read stations in the county. The books are from Lakeview and are changed five times a year. A new convenience is the Phone Center. People moving can leave their phone at the store and save themselves a trip into Bend.

Store hours: 8AM - 5PM, Monday thru Friday & 8 AM - 3 PM Saturday.
Closed Sunday

Betty & Gordon have been a part of the growth of Christmas Valley over the years and are very much aware of the increase in activity in general and the farming increase in particular. Betty commented on how green fields are replacing sagebrush.
