December 1980

MERRY CHRISTMAS

BUSINESS OF THE MONTH

The Trail Tavern is owned by Patch and Ava Parker. The Parkers, who moved to Christmas Valley from Bend in 1977, purchased the Trail Tavern from Paul, Elsie, Claude and Shirley Blackman. Patch and Ava lived in Bend for ten years where he worked for the City of Bend in the engineering Dept. Ava was employed by CBI Reporting and Collection Agency as a credit reporter and collector. She was with the firm for 16 years. Ava also worked as a fry cook and waitress at the D & D Club.

The Parkers have two sons. Cary is serving in the Air Force. He is stationed at Grand Forks, North Dakota where he is studying jet mechanics. Joe is attending high school in Madras where he is a member of the golf team and appears in the school dramatic productions.

Patch and Ava have been very active in Boy Scouts. One year between the two they held down 27 positions in Scouting.

The Parkers moved to Christmas Valley because Bend was growing too fast and they liked the desert. They bought the Trail, Ava said, because it was the only thing available.

In August of 1979, Patch and Ava opened the Trail Restaurant next to the Tavern. They opened the Restaurant because there wasn't a full service in Christmas Valley at the time. Little did Ava realize at that time that she would soon be getting up and going to work at 4:00 AM.!!!

For good home cooked food and cold beer, drop in and see Patch and Ava at the Trail Tavern and Restaurant.

"Here are some practical applications of the Golden Rule:"

1. If you open it, close it.
2. If you turn it on, turn it off.
3. If you unlock it, lock it.
4. If you break it, repair it.
5. If you can't fix it, call in someone who can.
6. If you borrow it, return it.
7. If you use it, take care of it.
8. If you make a mess, clean it up.
9. If you move it, put it back.
10. If it belongs to somebody else and you want to use it,
get permission.
11. If you don't know how to operate it, leave it alone.
12. If it doesn't concern you, don't mess with it.
