BUSINESS OF THE MONTH

Bud and Peggy Maple lived in Eugene about 30 years before moving to Christmas Valley. The Maples used to spend a week every year rabbit hunting. During that week they spent Wednesday sight seeing and one Wednesday they discovered Christmas Valley.

Bud was superintendent at the Eugene Stud and Veneer plant. Because of the long hours involved in his work, he and Peggy had very little time together. They decided to change their life style so they purchased the Desert Inn Motel from J. Woodrow Duff.

While they lived in Eugene, Bud coached little league basketball, baseball and football. He was very active coaching these sports while their son was involved in these activities. The Maples were also very active golfers.

The Maple's have a son and daughter. Both are married and live in Eugene. Bud and Peggy have three grandchildren.

Because of the growth of the area, the Maples are planning to add more units to the Desert Inn. Both Bud and Peggy are golf enthusiasts. Bud donates many hours of time working to get the golf course in the best possible shape. He also drives the Christmas Valley ambulance. He volunteered to be on call as an ambulance driver on a 24 hour basis. Bud and Peggy both dispatch for the Fire Department and ambulance.

The Christmas Valley Boosters Club met on January 26 at the Trail Cafe to elect officers for the new year. The officers are as follows: Suzanne Johnson, Chairman; Joyce Gallier, vice Chairman; Lois Tran, secretary; Lea Lushenko, treasurer and Emma Hennigan, historian.

The Boosters are planning to have a Christmas Bazaar on December 5 & 6 at the Community Hall. They will continue to sponsor the Easter Egg Hunt and Santa Claus visit to Christmas Valley, according to Suzanne Johnson, Chairman.

The Boosters meet the first Monday of the month from 1-3 p.m. at the Community Hall. All persons interested in community service are welcome to attend.

CHRISTMAS VALLEY PARK & RECREATION

The Christmas Valley Park & Recreation District Board of Directors held their regular meeting on Thursday, February 12 at the Community Hall. The Directors decided to charge \$20 per month for stall rent at the rodeo grounds. The new rate will go into effect on March 1, 1981.

A discussion was held about charging fees for the use of the Community Hall. It was decided that all private functions for individual use or gain will be charged the fee. All functions sponsored by community service groups for the good of the community as a whole may be held in the hall without charge. The regular cleaning fee will still be charged and refunded if the hall is left clean and undamaged.

ANDERSONS TO MOVE

Public Health Nurse Linda Anderson will be leaving soon. Her Husband Carl, a forest service employee, is being transferred to Entiat, Wash. The Andersons will actually live in East Wenatchee which is 20 miles from Entiat. Linda has applied for work in a near by hospital.

Linda volunteered her nursing skills when she first moved to North Lake County. When funds became available to employ a public health nurse, Linda took the position.

The Andersons intend to come back to the area after Carl retires. They plan to settle on their property in Fort Rock.

Linda recalls that she has had to care for patients in strange places. One man needed his blood pressure taken in Summer Lake Area. Linda finally found him at the cemetery. He was cleaning it up for Memorial Day.

Carl and Linda have enjoyed the people of North Lake County "No one was a stranger", according to Linda. "We will miss the community," she added.

The Cromwells came to Christmas Valley and fell in love with the country. They had been thinking about going into a different business. When they decided to stay in Christmas Valley, they purchased the Lakeside Terrace Motel and Dining Room.

The Cromwell's son, Mike, is out of school and working at the Lakeside Terrace. Daughter, Kelly, is a student at Paisley High School and Tim is a student at Fort Rock School. They have another son, Brad. Brad and his wife, Gwen, will be staying in Christmas Valley and helping with the operation.

NEW BUSINESS

Have you been asking what is going in next to Valley Foods? Well, Hi-Desert Building Supply, Incorporated is the answer.

Earnie and Phyllis Brown, owners, will have a full line of building supplies including hardware, sheetrock, paneling, insulation, plywood, foundation materials, etc. The Browns plan to have "Lumber, Plywood and something to put it together."

Hi-Desert Building Supply will be open around the first of the month. The grand opening will be held as soon as all of the merchandise arrives.

Mr. Brown was employed in Weyerhaeuser's marketing division for eighteen years. Although Earnie and Phyllis have a home in Tacoma, Washington they have been in the Los Angeles area for the past few months. The Brown's are now in the process of selling their home.

How did the Brown's learn of Christmas Valley? They had friends already here - - Tom and Dee Scurlock. Tom and Earnie at one time worked together. Tom told Earnie that Christmas Valley needed building supplies. So the Browns visited the area several times and decided they would like to come to the desert.

Sometime around the first of March, Mr. Brown will put out a sign saying open for business. WELCOME TO EARNIE AND PHYLLIS.
