

BUSINESS OF THE MONTH

Jim and Marian Jackson have operated the Silver Lake Union Service Station for 15 years, since moving from Lakeview.

Jim drove a LO-boy out of Lakeview and one day while passing through Silver Lake, he saw a for lease sign in the Silver Lake Union Service Station. So on August 25, 1966 Jim and Marian started in business at the Union Station. They became a part of the community raising four children, Claudia, Debbie, Bob and Lorena. All but the youngest, Lorena, are married. The Jacksons have three grandchildren.

Jim has been on the Silver Lake School Board for 14 years. He is a member of the fire board and a Lion. Marian enjoys knitting, sewing and crocheting.

When asked about the changes in the area, Marian said when they first arrived the Silver Lake Grade School had three teachers and no aids. Now it has five teachers and four aides. A library has been added. A new post office has been constructed and many new people have come to the area. The Earl Corums have the only business that hasn't changed hands.

The Jacksons met on a blind date in Great Falls, Montana where Marian lived. Jim was stationed there with the Air Force. January marked 26 years of marriage for the couple.

Jim does brake and lube jobs, tire repair and tune ups. As Marian puts it, "Jim works on anything from a lawn mower to a D-8 Cat." They also sell propane and have a 24 hour wrecker service. Jim doesn't do bodywork, front end alignments or transmissions. Marian keeps the books and pumps gas.

Jim and Marian recently purchased a fifth wheel trailer and are looking forward to traveling---if they can find someone to lease the business.

SILVER LAKE TV ASSOCIATION

A special Silver Lake TV Association meeting will be held Tuesday, June 30, 1981 at 7:30 P.M. at the Community Hall. Regular meetings are held first Tuesday of every month at Silver Lake Library. The special meeting is for all Christmas Valley residents and everyone interested PLEASE COME!!

CHRISTMAS VALLEY AMBULANCE

The Christmas Valley Ambulance has made five runs plus the EMT's answered three calls in their own vehicles when the ambulance wasn't needed.

The Ambulance stayed on the grounds both days of the Fort Rock Play Day in case any of the cowboys or cowgirls needed help. None needed help except for a few minor scrapes.

The group taking the EMT I course at Silver Lake took their State Examinations on Wednesday, June 17. We will look forward to having them on the Ambulance team.

CHRISTMAS VALLEY PAIR WED

Nelda Stone and Larry Turnbow were married recently in two ceremonies. They were united in marriage by a Justice of the Peace in the Reno Courthouse on June 13, 1981. They were married the 13th, the motel room was number 13 and they were married at 6:13 p.m.

The second ceremony was Piute. In the Piute ceremony, the three people held hands and the Piute lady said, "Now you will feel no rain for you will have shelter. You will feel no cold for now you will have warmth. Go now to your dwelling and be happy."

CHRISTMAS VALLEY HORSE SHOW

For a "first Show" it went smoothly according to Sue Johnson. She gives the main credit to Iris Hildebran whose expertise kept things moving.

Judge Doyle Stanfill stated he was pleased with the quality of horses and that next year it should be an even bigger show as the word is spread.

So many helped with the show it is impossible to thank everyone, Mrs. Johnson said. Ruth Lucas and Ilena Furman did an outstanding job as show secretary and treasurer, she added. They were crucial in keeping the show moving. The Lions Club, who sponsored the show, operated the concession stand. Jerry Hildebran took care of the loud speaker system. Jerry along with Harold Huggins did the announcing. They were aided by Barbara Huggins. Lisa Daugherty and Lisa Johnson awarded the trophies and ribbons. Tom Scurlock helped in the arena.

Red Johnson was in charge of getting the grounds cleaned and ready for the show. Horses came from Bend, Lakeview, Silver Lake, Fort Rock, Christmas Valley, Summer Lake, LaPine and California.

The profit of \$172.75 from the show will be used to put lights at the grounds so people and horses can see at night. This will include what wire repair is needed plus a donation of a year's electricity costs.

The June 6 event was sponsored by the Christmas Valley Lions Club. Other sponsors were: Crater Lake Dairy, Desert Inn Motel, Random Width, Loma Vista Farms, Ilena Furman, Dick Lucas, Lee Chism, Reforestation Services, Ray and Juanita Richards, Silver Lake Desert Cafe and Bar,

BOOSTER CLUB

The Christmas Valley Boosters have been busy preparing for the Fourth of July festivities.

The strawberries obtained for the annual Booster strawberry shortcake feed are delicious, according to strawberry taster John Lushenko.

The members have recently completed the design for their Fourth of July parade float.

Come celebrate the Fourth with old fashioned strawberry shortcake!

HOME EXTENSION CLASS

A Home Extension Class on food preservation was held on June 4, 1981 at the Community Hall. The 10:30 A.M. class was led by Christy Thompson.

More classes will be scheduled for the fall.

FORT ROCK PLAY DAY

It was a cold and miserable Saturday, June 13, but the kids and their horses showed up. They had a fun day in spite of mother natures uncooperative mood.

The adults fared much better the next day as sunny skies prevailed. The women made a clean sweep of the cow riding and are promising to hold a clinic for the fellows so they can get some helpful pointers.

On the 13th the arena was officially opened. Zelma Foote made the opening salutation. Then Fort Rock "mayor" Danny McKay cut the ribbon while Walter Foote played a lively tune on the fiddle and the children loped their horses in the arena.

The Christmas Valley Ambulance and EMTs Ron Johnson, Sue Johnson, Ardy Markus, Kit Dial and Driver Bud Maple volunteered their time both days. Fortunately the tough cowboys and cowgirls didn't need their services.

CONGRATULATIONS PAISLEY SENIORS

Sixteen seniors reached their goal on the evening of May 29, 1981 when Mildred Harvey presented them with their diplomas.

The baccalaureate message was given by the Rev. Gary Mengershausen. Owen Panner, a federal district court judge from Portland, gave the commencement address. Mr. Panner is the father of Kathy Panner who served

CONGRATULATIONS PAISLEY SENIORS (continued from page 5)

in the Extension Office in Lakeview.

Cheryl Tompkins delivered the valedictory address and the salutatory address was given by Kelly Sims.

The class motto was "If you can imagine it, you can achieve it. If you can dream it, you can become it." The class flower was the carnation while red and black were the class colors.

Dean Rust was class president and Jennifer Bawslar was secretary/treasurer. Kelly Sims was class representative.

A dinner of ham, turkey and beef with a salad and dessert was served in the school cafeteria before the graduation exercises.

Those graduating were: Jeffrey James Abell, Deborah Lynn Andrews, Jennifer Lynne Baesler, Bradley Evan Carlon, DeWanna Carol Dial, Bruce Cannon Emery, Matthew William Johnson, Stewart Kreg Kildow McCollum, Steven North McKay, Rodney Eugene Pecnick, Dean Alyn Rust, Deana RaNae Sams, Kelly Lyn Sims, Cheryl Kay Tompkins, Dana Kaylene Weems and Sylvia Angela Wolfsturn.

CHRISTMAS VALLEY DOMESTIC WATER DISTRICT

On June 10, the Water District held its regular meeting to take care of routine business.

Clerk Suzanne Johnson reported that Wendell Harris, the district director of the FmHA, had stopped by to see how the district was doing. Mr. Harris stated that every three years they check with the people they have issued loans to see if all is going well.

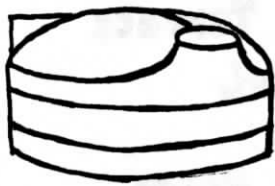

The final item of business was to approve the 1981-82 budget.

CHRISTMAS VALLEY PARK AND RECREATION

The June 11, 1981 Park and Recreation meeting was postponed until June 18, 1981 because of a lack of quorum. At the June 18 meeting the budget was discussed for approval.

CHRISTMAS VALLEY RURAL FIRE PROTECTION DISTRICT

At the June 8, 1981 meeting of the Fire Dept. the 1981-82 budget was discussed and approved.

SILVER LAKE TV ASSOCIATION

The Silver Lake TV Association was founded in 1958. Community residents donated the buildings and the land. At the present time, the Silver Lake TV Association is rebroadcasting on three channels to serve the Silver Lake and Fort Rock areas.

The TV Association is in the process of putting a new translator on the top of Table Rock to rebroadcast channel 5 from Medford. It is to be a 360 degree antenna so Christmas Valley residents will be able to receive channel 5, also, according to Association Boardmember Wanda Dutcher. The approximate cost of the new translator is \$5,000. Donations are welcome!!

Mrs. Dutcher indicated that the TV Association hopes to have meetings in Fort Rock and Christmas Valley in the future to better inform the residents about the TV Association.

"If funds allow, we hope to move all our translators to Table Rock that way Silver Lake, Fort Rock and Christmas Valley would be able to receive 4 channels."

The TV Association meetings are held the first Tuesday of each month at 7:30 P.M. in the Silver Lake Library. All meetings are open to the public and everyone is encouraged to attend.

LIONS AND LIONESS

The annual Fourth of July celebration is getting near. It will begin with a parade at noon. More floats are needed. Entry fee is \$5 with children free. The parade will end at the rodeo grounds where the ribbons will be awarded. The parade will be followed by a greased pig chase, a carnival at the Community Hall. The Boosters will be serving strawberry shortcake at the Community Hall. There will be footraces at the Golf Course and log rolling at the boat dock.

After dark, the fireworks will go off. There are to be twice as many fireworks this year.

GOERES-McNICHOL ENGAGEMENT

Gordon and Betty Goeres announce the engagement of their daughter, Mary, to Gary McNichol, son of Lloyd and Rita McNichol of Klamath Falls.

The wedding will be at the Goeres home on August 15. They are hoping the ants won't be out and that there will be no wind or dust storms, according to Mrs. Goeres.

Mary met Gary while he was working at Viewpoint during summer vacation. He graduated from Klamath and spent four years in the Navy. Now he has graduated from Lane Community College with a degree in Deisel Technology. He is employed by Pape Bros.

Mary has completed her fourth year of college and will graduate next June from the University of Oregon Nursing School in Portland.

STORK NEWS

Stephen John Stone, son of Jim and Pat Stone of Silver Lake, was born June 8, 1981 at St. Charles Hospital in Bend. He weighed in at 7 lb. 11 oz. and was 21 inches long. He is the first grandchild of Murray and Barb Stone of Portland and the first grandson of Ruth and John Dehnart of Columbus, Ohio.

NO HOPE

After passing through the Idaho hamlets of Hope and East Hope, I noticed a sign in the midst of a small cluster of buildings. It read: "Beyond Hope."

NORTH LAKE COUNTY WATER USERS

The five member Board presided over the meeting of the water users on June 11 at 8 P.M. in the Community Hall. The Board members are: Jack Gillette, Chairman, Gordon Emery, Jack Kittredge, Marvin Morse and Harold Miles.

Chairman Gillette reported on the Board's effort to try to assist Al Petska and the Department of Water Resources. He said it had resulted in eliminating about \$100,000 worth of compulsory meter installations on wells in the North Lake County area. Kilowatt hour meters may still be needed to help monitor wells but their cost is small compared to the original meters requested.

The minutes, read by Secretary Loretta Stewart, had mentioned that on the whole, water tables had only dropped one-half foot. However, on a Foreman and Fine well the interference was 13 ft. Langdon Springs, usually holding water, is now a mud hole. Clint Carrico said his water table had dropped 2 ft. Tim Puckett said his had raised 4 ft.

Ron Johnson said four years ago Viewpoint cattle were drinking at Mound Springs and cowboys could use a faucet on the artesian well to get a drink. Last year he noted the well wouldn't flow and that Mound Springs barely seeped. It was said that Rueb Long used to say when Langdon Springs dried up, Mound Springs dried up, too. This may indicate that the water table periodically drops. Chairman Gillette pointed out that from way back in the '30's records have been kept. He said they definitely show that water table flows increase because of precipitation.

The theory about the underground sink near the Hold-in-the-Ground was brought up. It is estimated that 75,000 acre feet of water goes out of this hole each year. Our water table might actually be assisted if our wells pumped down the water table to below the lip of this hole.

It was announced that two college students would be hired to monitor some of our wells this summer. If any local person, preferably a college student interested in geology, would like to apply for the job, they should contact Al Petska, Wells Division, 555 13th st. N.E. Salem, Oregon 97310.

A motion was made, seconded and passed that anyone had a right to be a member of the water users but only agricultural water permit holders or proven agents of permit holders would have a vote.

NORTH LAKE COUNTY WATER USERS (continued from page 10)

It was decided that the Water Users would not make a recommendation to the Bureau of Land Management about the Desert Land Entry issue as a group. They would, however, state their objections that the DLE water right dates might have priority over existing wells.

It was also brought up that irrigated acres have gone from 20,000 acres in 1978 to 33,000 acres last month. Projecting ahead we may have 50,000 acres soon. Midstate reported that many power lines are already heavily loaded. We may face a power shortage.

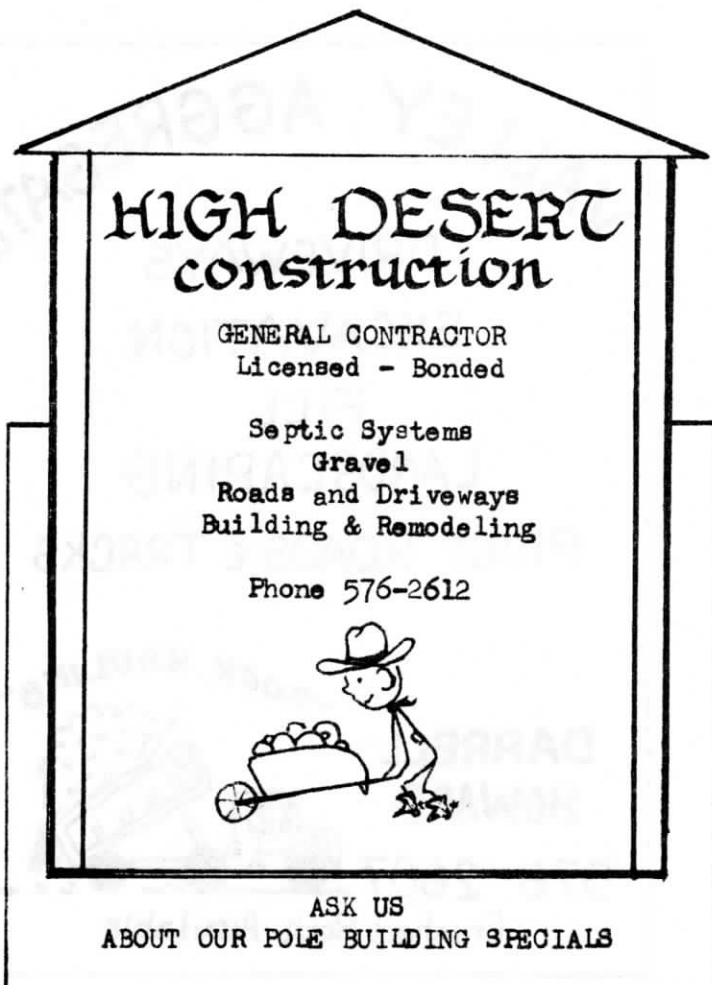

Chairman Gillette summed up the meeting by saying, "Costly meters are not compulsory. Our water table is not being jeopardized at this time. The source of our water is thought to be normal precipitation. The outcome of DLE will be established by BLM decision. An inventory of our ground-water availability needs to be made. The job will be done by two geology majors.

NEW UNITS WILL SOON BE READY

Bud & Peggy Maple announced that the new units at the Desert Inn Motel are coming along real well and should be ready by the Fourth of July.

NORTH LAKE COUNTY DISASTER UNIT NAME CHANGE

The North Lake County Ambulance Board met on June 18 in Silver Lake. The Chairman is Jack Campbell and Board Members are Jack Carpenter, Bud Maple, Bobby Michaelsen and Kit Dial with Pat Stone as Secretary/Treasurer.

The North Lake County Disaster Unit will now be called the North Lake County Emergency Medical Services. The Christmas Valley unit will be called by the same name and remain a prime response unit serving mainly the Christmas Valley Area.

A notice is being put up in the post offices by the Ambulance Board that shows what various other ambulance services charge. N.L.C.E.M.S. only charge to replace what is used and makes the charge much lower than other services. For example, NLCEMS charges at the most \$5.50 to start an I V while others charge \$47.50.

On July 14 at 7:30 PM in the Christmas Valley Fire Hall, the EMT's will hold their monthly meeting. ALL EMT's and drivers are urged to attend.

As a reminder, the dispatch number in Silver Lake is 576-2102, and the dispatchers are Earl and Connie Corum, Cecil and Susie Horn, Dick and Jan Mass and Jim and Marian Jackson (during the day only). The dispatch number in Christmas Valley is 576-2262 and is Bud & Peggy Maple.

BIKE & HORSE-A-THON

Twenty-seven teenage boys, girls and women made the distance from the Silver Lake Post Office to the Trails in Christmas Valley to earn money for a cardiac monitor to be used in the North end of the County. Five of the 27 were horseback and the rest on bicycles. All riders crossed the finish line and the event was called a success by both participants and observers. The Lions had check points along the way providing water and juice for the participants and a cheery word of encouragement.

Winners of the event were:

Youngest Rider (8 yrs.)	- Pat Michelson
Oldest Rider	- Betty Turnbow
Fastest Male Rider	- Randy Tecnick
Fastest Female Rider	- Nita Nelson
Team earning Most Money	- Ava Parker, Martha Johnson, Nelda Turnbow and Shirley Blackman.
Most Pledges	- Betty Turnbow
First Single Speed In	- Betty Turnbow
Winner of Beef	- Carl Coonce
Winner of Tapestry	- Ken Young's number was drawn first but if they are unable to locate him the tapestry will go to Lee Gallier whose number was drawn second.

DESERT HI-HOPE GOLF TOURNAMENT

The Christmas Valley Lodge sponsored the Desert Hi-Hope Golf Tournament on June 20 with many enthusiastic golfers enjoying a beautiful sunny day, including the pro, Robin Jones from Creswell & his family. The winners were as follows:

Bud Maple	- Low Gross
Bill Pratt	- Low Net
Terry Dollarhide	- Long Drive
Bill Pratt	- K P
Peggy Maple	- Race Horse

Many prizes were awarded plus Bar B Q chicken dinners.
