

BUSINESSES OF THE MONTH

CHRISTMAS VALLEY IRRIGATION

Earl "Nip" Schrock, Jr. has been a Pierce irrigation dealer for three years in Christmas Valley. Nip and Laurie came to Christmas Valley after Nip's father, Earl Sr. purchased the Frazee Ranch in the Sink area. Earl Sr. renamed the ranch the Green Mountain Land and Cattle Company and Nip was associated with his Father in the business.

Before moving to Christmas Valley, Nip farmed and raised grass seed in the Willamette Valley. Nip and Laurie live on 40 acres north east of the townsite near the quarter horse race track. They have leased another 120 acres. They plan to gradually get back into farming as well as operate the irrigation business.

The Schrocks have two children. Larry is 2½ and Sheena is 3 months old. The family enjoys hunting and camping when they have a little spare time.

NEW BUSINESS

The Dinner Bell Deli is Silver Lake's newest business. It is owned and operated by Monte and Elaine Condon. The Deli was officially opened July 28 of this year. It is open from 11 a.m. to 10 p.m. every day --- seven days a week.

The menu features deli sandwiches, soft and hard ice cream, pop, milkshakes, tea and coffee.

Elaine came to Silver Lake to teach the fifth and sixth grades in 1976. She commuted from Summer Lake. The Condons purchased the A-frame which houses the Deli in 1979. Elaine has given up teaching to run the Deli.

The Condons were married 1971 and have a five year old daughter, DeLyssa. Monte, who works for Gordon Emery, previously rode bulls on the rodeo circuit and is a member of the Professional Rodeo Cowboys Assn. He spent 2 months in Taiwan in 1978 introducing rodeos to the people there. Monte still enjoys rodeo competition. Elaine's hobbies include reading and sewing. The whole family enjoys traveling.

The Deli is across the street from the mercantile.

Remembering Fern

Fern Irene Friend was born February 24, 1899 in Leipsic, Ohio to Belle Meixell and Ira Friend. She was the second of three daughters born into a railroad family.

When Fern was 2 years of age her family moved to South Bend, Ind. where her Father worked for the Grand Trunk Railroad.

At an early age her Father bought her a pair of boxing gloves and taught her the art of boxing with the boys. When the time came for her to take piano lessons the teacher said she could not help Fern improve on her God given talent. At the age of 10 years she was playing for Sunday school and church. When she was 16 she began working for the S. Kresge Company. She began in the sewing department but quickly became head of the music department. She was able to play classical music, popular music, any music placed before her. She began playing in orchestras at the age of 17. She sang in the choir of the famed Billy Sunday.

In January 1928 the store received a new assistant manager and Fern thought he was a brash, impudent redhead.

On March 3, 1928 the Assistant Manager and the head of the Music Dept. walked through the snow covered alley. They went to the back door of the Pastor's home and there became Mr. & Mrs. Franklin Earl McMillen.

The Kresge Company had a policy that relatives could not work there. So they were faced with the decision of choosing the most valuable employee. So they fired Earl and kept Fern.

Fern Before Marriage

McMillens in the '30s

Earl went to work for the Kamm & Schilling Brewery. Fern continued to work in the music department while still playing for two orchestras.

In 1930 the couple moved to Chicago. During their years in Chicago Earl worked for the A & P Stores and the Ross Stores. Fern worked in a Jewelry Store and had her own music store. This was prohibition and the home brew flowed freely from the McMillen residence.

The McMillens moved back to South Bend and then to Salem, Ohio in the late 1930's, while there Earl worked for the Mullen's Company as a welder. The doctor recommended that Fern be taken to a warmer climate for her health so they decided to move to California. In 1945 Earl began working for AirResearch. He worked there for two years and then was employed by Northrup in 1947. Fern was working for a Chiropractor. At the suggestion of a Jewish lady Fern became a baby nurse. It was not unusual for Fern to be gone from home 2 to 3 months at a time in this occupation. Fern was a baby nurse for approximately 10 years.

The McMillens first learned about Christmas Valley by the television advertising. They purchased their property sight unseen in 1962. They began coming up here in 1963 on the Penn Phillips vacation plan. After they retired they moved up here permanently in 1970.

Fern Irene McMillen passed away July 25, 1981 in Bend after a lengthy illness. Graveside services was held in the Fort Rock Cemetery, Fort Rock, Oregon on July 29, 1981.

Those who knew the tiny lady with the sparkling blue eyes -- will always be remembering Fern.

McNICHOLS - GOERES WEDDING

Mary Jean Goeres and Gary Price McNichols were united in marriage on Saturday, August 15, 1981. Parents of the bridal couple are Mr. & Mrs. Gordon Goeres of Christmas Valley and Mr. & Mrs. Lloyd McNichols of Klamath Falls.

Don Murphy of Christmas Valley officiated at the double ring ceremony. The lawn of the Goeres home was decorated in the bridal colors of orange, yellow and white. Featured was an archway decorated with orange gladiolas and daisies where the young couple exchanged their vows.

The bride, who was given in marriage by her father, designed and made her own gown. The white gown featured an off the shoulder neckline. The three tiered hoop skirt was edged with scallops and pale peach flowers.

The bridal bouquet was a cascade of orange gladiolas with daisies arranged on a white fan. The bridal attendants were Linda Anderson of Klamath Falls and Ann Goeres of Bend, sisters of the bride. They wore yellow floor length empire style gowns.

John Arusell of Boise was the best man. Barry McNichols, cousin of the bridegroom, from Eugene was the usher.

Janice Adams and Ruth Murphy of Christmas Valley sang "Wedding Song" and "May I Have This Dance". Walter Foote of Fort Rock played the organ.

NO FUNDS FOR FIRE DEPARTMENT

The Christmas Valley Fire Department will not receive any tax money this year, according to assessor Gary Partin, unless a operating levy is approved by the local voters on Sept. 15.

Old Fire Department records show that the Department had a levy in 1973. Assessor Partin said that he could not find the records of the 1973 levy in the Courthouse. So until something is done to change the situation, the Fire Department will be without funds, he said.

Assessor Partin stated that the Department could not file for a tax base election until next spring. But in the meantime, the Department could file for an operating levy election for September 15. If the one time levy passes, the Board would then be able to file for a tax base election in the spring.

What is a tax base election? It is an election to provide a basic amount of money for a District. How often does a district have a tax base election? Only once unless the District desires to ask the voters for more money. What is the difference between a tax base election and an operating levy election? An operating levy is for just one year while a tax base gives the District that amount of money each year. It eliminates having to vote for a levy each year. How much money is the Fire District asking for this year? \$22,149.76. Last year the District, believing they had a perpetual levy, asked for and received \$22,149.53. That's 23 cents more than last year's budget.
