

TWO RESIDENTS TO RUN FOR COMMISSIONER

Tom Scurlock has filed for position number three. Tom and his wife, Dee came to Christmas Valley about three years ago and opened Valley Foods. After selling the store, Tom went back into the construction business opening Hi Desert Construction. Tom was in construction for 12 years before coming to the area.

Originally from Alder, Washington, Tom met Dee in Naches, Washington about 25 years ago. They have three grown children and one grandson.

Tom is a member of the Christmas Valley Lions Club and serves on the Christmas Valley Park and Recreation Board.

Tom says he feels now that he has time to devote to county affairs.

Ron Johnson has announced that he will file for position number 2. Ron and his family moved to Christmas Valley in 1976. He worked for Viewpoint Ranches until asked by Sheriff Dwayne Down to return to police work. He served as deputy for the North Lake County area for three years. He currently drives bus to Paisley High School.

Ron and his wife, Sue, are very active in the Grange. They currently serve as officers in Fort Rock Grange as well as in Pomona Grange.

The Johnsons live on 40 acres six miles east of Christmas Valley. They enjoy raising and showing quarter horses.

The Johnsons have four grown children and one grandson. All reside in Christmas Valley except daughter, Barbara, who is stationed in San Vito, Italy with the Air Force.

Having worked as a Lake County Deputy, Ron believes he knows the needs and problems of the citizens and taxpayers. He said he would enjoy working with the people again to help solve their problems. His goal is to make the county a better place to live for all citizens.

CHRISTMAS VALLEY PUBLIC HEALTH

Sue Johnson R.N. would like to remind parents to keep the records of their children's immunizations in a safe place. Please keep them up to date. State law is very strict and children will not be allowed into school without immunization up to date. Complete records are needed for graduation.

The Public Health Clinic is every fourth Thursday in the Christmas Valley Community Hall from two to four p.m. This clinic is free including immunizations. If you need help at any other time, call Sue at 576-2398.

CHRISTMAS VALLEY BOOSTERS

The Christmas Valley Boosters Club has donated American Flags to the Christmas Valley Park and Recreation District and the Christmas Valley Rural Fire Protection District. The flags will be placed at the Community Hall, The Fire Hall and the rodeo grounds.

The Booster Club also donated an electronic blood pressure monitor to the Ambulance unit and EMT staff servicing the Christmas Valley area.

"The patients have enjoyed it immensely," according to EMT Sue Johnson.

DESERT WHISPERS

It could be said the regular January issue of the DESERT WHISPERS fell flat on the ice and got bogged down in a snowdrift!

The paper will be discussed at the next Parks and Rec. meeting, Thursday, February 11 at the Community Hall at 6:30 PM.

COMMUNITY LIBRARY OPENS

The grand opening of the Community Library of Christmas Valley was Monday, January 18. There were 24 people who signed the guest book and were served cookies and hot tea or coffee.

The library is located at the S. E. corner of the golf course in the A-frame building that was formerly the Pro Shop. There are over 700 books for all ages, plus encyclopedias. This includes a collection of easy books for children from the County Library.

Most of the books, however, are those that have been donated by the community over the past years. These have been cataloged on file cards by author and title so they are easy to find.

Donated books and magazines are still welcome and may be taken to the library when it is open or to the home of Betty Lou Turnbow at the service station. The library's latest acquisition is a complete set of telephone books, from the two-page one of Fort Rock and Silver Lake in 1961 to the 1982 one which includes Bend. These, however, are for reference only and may not be checked out. They were donated by Fort Rock pioneer, Mrs. Mabel Morehouse.

The library is run entirely by volunteers, which include Elsie and Phil Uyttebrocek, Lois Brenchley, Carol Miller, Ramona Hall, Barbara Corwin, Nelda Turnbow, Betty Lou Turnbow, Mary Jane Widenoja, Sharon Cline,

VIEWS ABOUT DESERT LAND ENTRY AIRED

A public meeting (not a public hearing) was held 7 pm, Feb 4, 1982 at the Christmas Valley Community Hall to discuss the DLE question. BLM representatives asked for input from the community on their views as to whether or not the 16,000 unclassified BLM acres in the Fort Rock, Christmas Lake Basin should be opened up for Desert Land Entry. Also solicited were recommendations on, if the DLE were allowed, how the lands should be disposed of. A lively but orderly discussion ensued.

It was brought out that no one knows the extent of the underground water available. The Dept. of Water Resources is expected to make a report in two months on their findings from the survey they took in the summer of 1981.

Art Gerity, BLM, P.O. Box 151, Lakeview, Oregon 97630 will examine further views and arguments until Feb. 20, 1982. He pointed out that after he makes his final recommendation to allow or disallow the DLE, the public will still have the right to appeal to the Interior Board of Land Appeal.

DO YOU LIKE TO PLAY PINOCHLE?

Do you want to learn to play pinochle and have a good time meeting with your neighbors? If so, you are invited and welcome to come to the Christmas Valley Community Hall starting Friday, February 12. We will play pinochle every Friday night thru April. Be there at 7p.m. or shortly after. Tables will be set up and game will start at 7:30 p.m. sharp. Anyone that has a card table is urged to bring it until we see how many we will need.

There will be a \$1.00 charge per couple to cover expenses for refreshments and prizes. Come and join the fun starting Feb. 12! DON'T FORGET! For more information call Mary Jane Fox at 576-2500 or 576-2538. SEE YOU NEXT FRIDAY!
