Next Desert Whispers DEADLINE  
**7 DAYS PRIOR**  
 at 2:00 p.m.

## DESERT WHISPERS

The intent of *DESERT WHISPERS* is to publish a variety of information from all aspects of life in North Lake County. We neither support nor condemn any ideas, creed, religion, custom, attitude, belief or law. Opinions expressed are not necessarily the opinions of the Christmas Valley Park and Recreation District Board members, staff, personnel or advertisers. The Christmas Valley Park and Recreation District is not responsible for errors in articles and/or ads submitted to be published without change. The Christmas Valley Park and Recreation District Board of Directors reserves the right to reject any submitted material for any reason.

*DESERT WHISPERS* welcomes letters to the Editor. Letters should be printed or written clearly. Each letter **must be signed**. *DESERT WHISPERS* reserves the right to condense long letters or to edit for content. We will avoid this whenever possible. *DESERT WHISPERS* reserves the right to judge the acceptability of a letter in regards to vulgarities, profanities, or slanderous content.

Deadlines for *DESERT WHISPERS* are at least seven (7) Days before issue dates of the 1st and 15th of each month. Please have your ad or article to the *DESERT WHISPERS* office BEFORE the published deadline. If the ad or article is NOT received by 2 pm on the deadline, it may not make it into that issue. Ads and articles can be received by mail, by e-mail, or dropped off at the office.

- The Editor

## Renting the Christmas Valley Community Hall

The Christmas Valley Community Hall, located at 87345 Holly Lane, in Christmas Valley, is available for rent.

A refundable cleaning/damage deposit of \$50 is required for the rental of the building. The deposit will be returned if the building is left in the same (or better) condition as you found it.

At the conclusion of your event, if the heater in the main area of the hall is not turned down to 52 (as the instructions posted state), you will be billed \$9.00/hr for fuel, until the setting is corrected.

Call Christmas Valley  
 Park and Rec for availability:  
 541-576-2216.

Meeting 7pm Wednesdays  
Christmas Valley Community Hall  
(Behind Chevron station turn right  
on Holly Street.)

Speaker meeting last  
Wednesday of the month

## Lake County Public Transit Operated by Lake County Senior Citizens Association

Christmas Valley to LaPine Shopping Shuttles are scheduled for the 1st and the 3rd Wednesdays every month.

Bend Trips are scheduled on an as needed basis.

We are currently assessing the need for a medical shuttle to Chiloquin and would like to hear from anyone interested in this service.

Lake County Senior Center Transportation is operating under Oregon Phase 1 Reopening rules, to keep Lake County protected from the coronavirus and from re-closure. Drivers are disinfecting vehicles between every trip, and keeping the recommended 6 foot distance between drivers and each family of riders. As Oregon is mandating that all Public Transit drivers wear face coverings on the job, we are also asking that all riders wear face coverings in our vehicles, for the safety of our drivers and other riders. If you do not have a face covering, one will be provided for you by the driver. If you have any questions about scheduling rides, or about policies, please call Anne at Transportation 541-947-4966 ext. 106.

Per OHA and ODOT requirements, passengers are required to wear masks or cloth face coverings. A bandana will do.

If you have OHP, please call GOBHI Ride Share at 877-875-4657 for non-emergency medical transport.

## NEED A RIDE?

### We are Expanding Lake County Public Transit

#### INNER COURT NOW OFFERING:

- Expanded service through in the North Lake County
- After School Transportation for grades 9-12

PAISLEY: (541) 943-3551 North Lake: (541) 576-4689

#### SENIOR CENTER NOW OFFERING:

- Weekly trips from Lakeview to Alturas
- Free monthly shopping trips from Christmas Valley to La Pine the 1<sup>st</sup> and 3<sup>rd</sup> Wednesday of the month
- Free day of local transportation in Lakeview scheduled in the 1<sup>st</sup> Thursday of the Month

**CALL (541) 947-4966**

... Transit is available for everyone in Lake County. Check out the provider in your area to see what services are available.

## HANK'S HOUSE

### How To Rent Hank's House:

The Activity Center at the Outback Retirement Center, Inc. also called "Hank's House" in memory of our founder Mr. Hank Warkentin, is now available to the public for private events. The fees are as follows:

- Kitchen Only: \$50/day
- Bldg w/Kitchen: \$100/day
- Building Only: \$75/day
- Long-term use: TBD by ORC Board per proposal presented.
- Set-up charge: \$30/day
- \$100 refundable cleaning deposit and proof of insurance required.

To make reservations or for more information call:  
541-576-2225 or email:  
outbackretirementcenter@gmail.com

Check out the online calendar on our website for available dates: <https://www.outbackretirementcenter.org/events-calendar>

Renting Hank's House is one way of supporting our mission of providing affordable housing for the elderly.

*Thank you for your support.*

## A Thank You Note from The Soup Kitchen

The Christmas Valley Soup Kitchen would like to send out a BIG Thank You to all that have donated to the Soup Kitchen this year. Donations range from volunteers serving the people to the people who donate food or money to make sure that those in need receive a hot meal. We look forward to the years to come.

If you would like to make a donation to the food Kitchen, you can reach Barbara Ferrando at 650-455-0052 or stop by the Christmas Valley Park and Recreation Office located at 57334 Christmas Tree Road, Christmas Valley, Oregon 97641

The Soup Kitchen will reopen October 6, 2020.

Barbara Ferrando and her crew will be waiting to see you all then.

Dr. Timothy Arbow, Optometric Physician has been providing eye care to North Lake County for over nine years. Born and raised in Bend, he has a strong connection with Lake County through a long held family ranch in Silver Lake. Over the past 40 years he has practiced with offices at times in Christmas Valley, Bend and Eugene. The main office is located in Eugene. The office staff and Dr. Arbow are dedicated to providing excellence in patient care, education, and optical services.

Dr. Arbow is a graduate of Seattle University and the College of Optometry at Pacific University, where he received his doctorate, and currently serves as a Pacific University adjunct Clinical Professor. As a dedicated health care professional, Dr. Arbow has been thoroughly educated and trained to provide you and your family with the highest standard in eye care.

Continued from page 9

He is a Board Certified diplomat by the American Board of Optometry. He is a member of the American Optometric Association, the Oregon Optometric Physicians Association and the Lane Optometric Society. He is a past president of the Eugene Jaycees and an active member of the Eugene Downtown Lions Club. For the past 20 years he has served as the Chairman of the Sight and Hearing Committee providing eye and hearing care for those in need. He was named a Helen Keller Benefactor by the Oregon Lions and has received the Spirit of Service Award by the Oregon Lion Foundation. He also serves on the Board of Directors for Eugene Hearing and Speech Center and chairs their foundation.

Dr. Arbow provides primary eye care as well as routine vision examinations. He is experienced in diabetic eye care, cataract pre and post surgical care, glaucoma detection and management, and LASIK eye care.

A proud grandpa, he enjoys sharing his love of North Lake County with his wife, Susan, his three children and spouses and six very special grand kids.

# Adventure Awaits on the Roads Less Traveled

Lake County is known as the Oregon Outback for good reason. There is much to explore, but all so often the roads can be difficult to navigate, and depending on your navigation device - navigation can be difficult. We are not talking "Oregon Outback Scenic Byway" here.

By taking the rugged, remote back roads from the town of Plush to the Hart Mountain Antelope Refuge you will experience the true meaning of outback - "isolated rural country". The mountain views are breath taking, and photo opportunities abound with the wildlife and the scenery.

The 278,000-acre Hart Mountain National Antelope Refuge was created in 1936 to preserve the disappearing Pronghorn Antelope herds. It is located in southeastern Oregon in Lake County on a massive fault block ridge that ascends abruptly nearly three-quarters of a mile above the Warner Valley floor in a series of steep rugged rock cliffs. The views of the beautiful Warner Valley Wetlands while ascending the west side entrance road to headquarters are spectacular. On the western face of the mountain are several escarpments revealing several canyons below. Hart, Potter, and DeGarmo canyons, the most rugged, extend from the valley floor to the top of the main ridge. The east side of the mountain is quite the opposite, descending in a series of rolling hills and low ridges to the

sagebrush-grasslands typical of the rest of Central and southeastern Oregon.

The refuge is one of the most expansive wildlife habitats free of domestic livestock. In addition to the herds of Pronghorn Antelope, it is also home to California bighorn sheep, mule deer, greater sage-grouse and many

other species of wildlife. There are over 239 species of birds, making for a bird watchers paradise and there are herds of mustangs that roam the rugged terrain as well.

After a day of exploring the refuge, a nice soak in the hot springs is just the ticket. The old timers will tell you that the hot springs were discovered by a rancher who stuck a stick of dynamite in a hole in a rock that was spouting bubbling water. There is other folklore that say that soaking in the hot springs has healing properties. One thing for certain, it is a very relaxing end to a day of dusty trails.

The return trip to "civilization" is a relatively short drive (approximately 2 hours) down the southeast side of the mountain to the small town of Adel. The Adel General Store is a great stop for a delicious meal and great conversation with the store's owners.

- The Editor

# The "Great American Outdoors Act" Passes

Oregon Outdoor Leaders Applaud Senator Merkley, Senator Wyden, Representatives Blumenauer, Bonamici, DeFazio, Schrader, and Walden for Supporting the Great American Outdoors Act

*The legislation will help restore deteriorating parks and public lands nationwide*

Bend, Oregon — Oregon Outdoors, a coalition comprised of leaders in the outdoor recreation industry, non-profit recreation groups and conservation organizations who advocate for the maintenance and expansion of Oregon's outdoor assets, applauded the enactment of the Great American Outdoors Act which President Donald Trump signed into law on August 4, 2020. All members of Oregon's congressional delegation voted in support of the bill.

The legislation will invest funds in priority repairs at National Park Service (NPS) sites in Oregon and across the country. In Oregon deferred maintenance needs total nearly \$174 million with Crater Lake National Park accounting for over \$142 million alone. This is just a small part of the over \$13 billion

backlog threatening park resources and local economies. It is estimated that if all the deferred maintenance at NPS sites in Oregon was managed, over 1,156 jobs could be created or supported. The bill also provides resources for maintenance and management on other public lands and permanently funds the Land and Water Conservation Fund (LWCF). LWCF has helped protect some of Oregon's most special places and ensure recreational access for a wide range of activities. The fund also provides resources to urban and rural communities for recreation facilities. Over the past five decades, Oregon has received approximately \$313 million in LWCF funding, protecting places such as the Columbia River Gorge National Scenic Area, Oregon Coast Wildlife Refuges, West Eugene Wetlands, Hells Canyon National Recreation Area and the Oregon National Historic Trail.

"Outdoor recreation generates \$16.4 billion per year and sustains over 171,000 jobs in Oregon," said Cailin O'Brien-Feeney, Director of the Oregon Office of Outdoor Recreation. "Our public lands, parks and historic sites have been seeing increased pressure from use and limited funding for maintenance for years now. This bill will help restore the integrity of these important places so they can continue

to be enjoyed now and in the future. Our entire Oregon congressional delegation deserves recognition for their leadership in supporting the "Great American Outdoors Act."

The legislation is the most significant investment in almost 65 years for national parks and public lands. Equally important, it will help local communities and businesses get back on their feet and generate new jobs. According to NPS, in 2019 alone more than 1.2 million visitors visited national parks in Oregon. From Oregon Caves to Fort Vancouver, Oregon saw \$91.7 million spent in gateway communities. That spending supported 1,315 jobs and provided a cumulative benefit of \$129.6 million to the state economy — money that helps businesses, schools, and families.

This legislation was supported by more than 900 organizations including local towns and cities, the recreation industry, veterans groups, hotel and lodging, infrastructure associations, preservation groups, hunters and anglers, conservation organizations, and local businesses.

This bill (H.R.1957) establishes the National Parks and Public Land Legacy Restoration Fund to support deferred maintenance projects on federal lands.

## FORT ROCK MUSEUM RECEIVES LAKE COUNTY COMMUNITY FOUNDATION GRANT

The Lake County Community Foundation (LCCF) was started by the Lakeview Community Service Council or better known as the "OPP Shop" which initially funded LCCF with a gift of \$100,000 when they sold their property and ceased to exist as an organization. This gift allowed LCCF to be endowed and to be brought into existence; to be here forever to grow and award grants in Lake County.

On Friday, July 31, 2020 the Fort Rock Museum was awarded a grant of \$2,500 from the LCCF. John Effingham, representing LCCF, presented the check to Nancy Bowers, Jana Kittredge, and Joni Bramlett, representatives of the Fort Rock Museum.

So far this year, LCCF has awarded \$35,000 in grant funds to small non-profits in Lake County. The Foundation is supported by the Oregon Community Foundation and by local donations. For more information you may visit their website at [www.lake-countycommunityfoundation.net](http://www.lake-countycommunityfoundation.net).

## Christmas Valley Fire Chief Extends Gratitude to Community for Rallying in Times of Need

In this time of unrest and uncertainty, with rioting in the cities and health concerns over COVID 19; our Christmas Valley Community can breathe a sigh of relief and be proud. So far Christmas Valley has had two major brush fires, both that threatened family dwellings and structures. Community members and fire agencies came together on both fires, they worked together to save all the major structures. Their working together, kept our community safe. The Christmas Valley fire department would like to thank everybody involved.

We are very proud to serve this community.

## North Lake School District #14 Re-opening Plan

*Gail Buerman, Superintendent*

My last communication with North Lake parents was one month ago, and in that time so very much has changed! It is my goal to keep you informed of the events surrounding the reopening of schools, but to be honest, it seems to change every day, so I was reluctant to distribute information that would likely be obsolete in 48 hours! However, since our Board work session Monday and Governor Brown's press conference on Tuesday, I now have information I wish to share with all of you.

At our Board work session Monday, July 27 we unofficially agreed to move forward with the reopening plan with K-4 students returning on-site every day, and the 5-12 students continuing with the hybrid model (on-site every other day and distance learning on the at home days). This model aligns with the responses received on the parent survey I sent out in late June.

On Tuesday, July 28 Governor Brown announced her new guidance for reopening Oregon schools, which is essentially based on health data from individual counties and the entire state. Based on her data, Lake County schools will not be allowed to resume on-site instruction in the fall UNLESS we can meet her metrics. However, please know that all Lake County administrators, other eastern Oregon school administrators and some local, county and state officials are collaborating to ask ODE

and the Governor to consider the unique situation of our rural counties. All of us would like to reopen our schools in the fall, even if it's with face masks, social distancing and alternate schedules. WE WANT OUR STUDENTS IN SCHOOL!

So, at this time, we are hoping for the best and planning to reopen with the K-4 on-site and the 5-12 hybrid. However, if we are not granted any exception or waiver, and our county metrics are still too high, then we will open with K-12 Comprehensive Distance Learning.

To enhance our Distance Learning option, we have decided to partner with Lakeview schools and offer the Acellus K-12 online accredited program. This program will be available to all students when schools are not open to on-site instruction, or for those who simply prefer an online option. As enrolled students at North Lake, this option will be available at no cost to you, and will keep ADM funds in our district, which is very important in light of recent reductions in the State School Fund. Visit [acellusacademy.com](http://acellusacademy.com) to learn more about this program. Lessons are videos with real teachers, practice sets, and opportunities to proceed at your own pace. Our teachers will be available to support students and perhaps provide

additional lessons while using this program.

At the August meeting, the Board also will be asked to approve the newly revised calendar, which we will make available soon. You need to know that September 8, 9, 10 and 11 will be a "soft start" week with parents scheduled to come meet with us and be given information about the expectations, procedures and options for the year. Our goal is to make sure students and parents understand how systems will work, how they can support their student and where to go for help. This will also be the time you can pick up Chromebooks for your students. We are excited about this opportunity to meet with our parents face to face to explain this very different school year! The first day for students will be Monday, September 14.

Janet Waldron is working on transferring student registration to an online system, and she should have that ready by August 5. Parents of students who were enrolled in our district in June 2020 will be able to use the online registration process or the much shorter student update form. Students who were NOT enrolled in our district in June 2020 need to pick up a paper registration packet from the post offices in Silver Lake, Fort Rock or Christmas Valley or go to our website and print the packet.

## BACK IN THYME

By Linda McCoslin

### Exotic Plants

#### Clove Tree

Family: Myrtaceae, *Syzygium aromaticum*

According to the writings of Chinese physicians during the Han dynasty (207 B.C. to 220 A.D.) court visitors were required to hold cloves in their mouths when addressing the emperor - presumably so that he would not be offended by their bad breath. By the 4th century A.D. Europeans had heard about the pungent and aromatic flower buds, and trade had begun with Arabs who acquired the dried buds from the East. In later centuries, cloves were among the precious spices for which European nations competed.

The competition for cloves heated into a fierce war between the Portuguese and the Dutch in the 17th and 18th centuries. The clove tree was native to many Moluccas, or Spice Islands. The Dutch established a monopoly by destroying all of the trees except those that grew on one island, Ambon, which they owned. Eventually, the French managed to cultivate the tree on their islands, and by the start of the 19th century, cloves were being grown on plantations in many tropical lands.

Zanzibar (now part of modern Tanzania) has long been a major grower. Now Jamaica, Sri Lanka, Malaysia, and Indonesia (which includes the Moluccas) produce cloves. Indone-

sians consume half of the world's clove supply; they mix the spice with tobacco to make a special kind of cigarette.

The handsome Clove Tree is a pyramidal broad-leaved evergreen that may reach 30-40 feet in height. Its smooth shiny leaves are dotted with glands that emit the tree's characteristic aromatic fragrance. Even more fragrant are the tiny yellow flowers that appear in loose clusters at the ends of the branches, but these flowers are seldom allowed to bloom. When the pink buds turn fiery red at the base, they are plucked and sun-dried to a deep reddish brown. These dried buds are the delicious-smelling cloves known to pharmacists and gourmet chefs around the world.

Kitchens are the primary consumers of cloves, though a large percent of the small hard buds go to processing plants, where clove oil is extracted by distillation. The essential oil, which holds such chemicals as eugenol and eugenyl acetate, accounts for most of the clove's culinary and medicinal properties. Oil of clove is widely used by dentists in fillings and cements and in post-extraction treatment. The warm pun-

gent smell of clove is often used in soaps, lotions, and toothpastes.

Whole or ground cloves are used to flavor sauces, soups and rice dishes, notably a number of traditional Indian dishes, and it's one of the components of garam masala, a blend of ground spices, originating from South Asia, common in Indian, Nepalese, Bangladeshi, Sri Lankan, and Afghan cuisines. Whole cloves are either removed before serving or picked out of the dish. Even when cooked, whole cloves have a very hard, woody texture that would be unpleasant to bite into. Cloves also feature in any number of desserts, especially ground cloves, and particularly around the holidays. Think eggnog or pumpkin pie spice. Cloves are often paired with cinnamon or nutmeg, but in general, it's a good idea to use cloves sparingly.

Possessed of both antiseptic and anodyne, or pain-relieving, qualities; cloves have long been popular in folk medicine. It has been prescribed for years for toothache relief. Many cultures recommend clove tea, made by steeping the buds in boiling water, to cure nausea and to rid the stomach of intestinal gas. The Chinese use it to treat diarrhea and hernia, and tinctures of clove oil are effective against such disease-causing fungi as those that cause athlete's foot.

Continued from page 16

We hope this makes the registration process more convenient for you. Please register early so that we can order any additional Chromebooks needed in time for students to start on September 14th. Students who register late may not receive their Chromebooks until a few weeks after we start.

More information about this fall:

For a number of reasons related to our reopening plan, we will NOT be offering our 0-3 Mommy and Me, or our Pre-school programs for the 2020-21 school year.

When we DO return to on-site/hybrid instruction:

- All students and staff will have to wear masks (unless the guidance changes).
- All students and staff will wash and sanitize their hands periodically throughout the day.
- Areas and surfaces will be washed regularly, as well.
- 6' social distancing will be expected.
- Students will be visually screened for illness, specifically signs of COVID-19, and sent home if they exhibit symptoms.
- Parents will be encouraged to keep their students home if they are ill. They will be allowed to make up their work.
- We will follow all other required health protocols as per ODE guidance.
- School supplies will be provided for elementary students, thanks to fundraising

efforts by the NLCSN! Students will only need to bring PE shoes and a backpack.

- With the revised 2020-21 calendar, there will be no late start Mondays. Buses will run at the regular time Monday through Thursday.

The construction project is progressing quickly, and very nicely! We are on track to finish the Annex before the beginning of school, as well as the carpet in the main building. You will be very pleasantly surprised at the new facilities, and we cannot wait for everyone to be back on campus to use them to their full capacity! We thank the voters for the opportunity to make this lovely school serve the needs of our students both today and well into the future!

As the situation with COVID-19 progresses, I will keep you informed of updates regarding school reopening plans. Know that we all want our students back to school in the fall, and that we are working tirelessly to make that happen. Please watch for updates on the North Lake School website and Facebook page.

## Eastern Oregon Mutual Aid

Volunteer to help local food pantries and those most impacted by COVID-19

The Eastern Oregon Mutual Aid Network (MAN) was created to assist folks and food pantries in Eastern Oregon who have been affected by COVID-19. This program connects community needs with community volunteers and resources. The Mutual Aid Network operates in 12 Eastern Oregon counties, including Baker, Gilliam, Grant, Harney, Lake, Malheur, Morrow, Sherman, Umatilla, Union, Wallowa, and Wheeler Counties.

### Ways you can support:

- Volunteer at your local food pantry
- Sign up and support members who need your help
- Donate to the Eastern Oregon Mutual Aid Network GoFundMe

### Some current needs include:

- General personal hygiene items in local food pantries
- Donations to support CAPECO food pantry operations
- Lake County needs transportation to help bring fruits and vegetables to Christmas Valley

For more information about how to request support or offer support, please visit our website:

## O B I T U A R Y

**Oriana Ewell** passed peacefully at St. Charles hospital in Bend Oregon on July 29th, 2020 with her husband Alan and niece Amber by her side.

Ory was born to Carl and Elizabeth Banks on October 20th, 1961 in Hanford California.

She is survived in death by her husband Alan Ewell, son Jerry Ewell, daughter Miana Banks, mother Elizabeth Ewell, father Carl Banks, sister Scarlet Martinez, 2 nieces, 1 nephew, 3 great nieces and 5 great nephews. Oriana lived in central California and owned her own craft store in Hanford for a few years. In 1991, when she was 29 years old, Oriana moved to Oregon with daughter Miana where she met her husband Alan. They had a son together, Jerry, the light of her life. They all lived in Silver Lake until her passing.

Oriana was very involved in many aspects of volunteer work throughout the three

communities of North Lake County. She was an integral part of many organizations including but not limited to the Red Cross, the Christmas Valley Food Share, North Lake School and the Silver Lake Lions Club. She was also a big part of helping with local 4-H kids. Oriana served on the Silver Lake Fire Department and EMS where she was a firefighter for a time, an ambulance driver and a First Responder.

She was probably best known for her amazing sewing talent. Oriana made many different household items but her quilts were her masterpieces. She made and gave away hundreds of them in her lifetime. Many of them were displayed at her memorial service that was held at the Silver Lake Old School Gymnasium and presided by Pastor Jeremy Warkentin.

Contributions can be made in her honor to The Red Cross, the local Christmas Valley Food Bank and The Silver Lake Lions Club.

With so much talk right now about our vulnerable populations, here's a little encouraging news:

**74%** of Lake County residents say they understand that addiction is not a failure of willpower, it's a disease.

We're being reminded right now how the health of one affects us all.  
In a community that cares, like ours, that's *golden*.

If you're struggling with long term pain, we have tools that can help.

Visit **outbackstrong.org**, click on Healthy Community, then High Desert Rural Opioid Partnership for resources in Lake County.

This information brought to you by:

## NORTH LAKE DISTRICT FEATURED PROVIDER

Ms. Tara Jones has been practicing in Lake County since 2011 and has had an office available to local residents at the NLHD facility on Bay Rd., Christmas Valley, since late 2016.

Her qualifications, in addition to her LCSW, includes certification as a substance use/addictions counselor. Her practice includes individual and family therapy for all ages with treatment for anxiety, depression, family conflict, anger management, addictions, trauma, severe and persistent mental illness, behavioral issues, medication management, crisis services and bereavement/grief just to name a few.

Tara has also been working to support families in crisis for the past 8 1/2 years, focusing on family services and supporting individuals and families with current or past suicidal ideation and attempts, managing depressive symptoms and support in gaining emotion regulation tools to manage current depressive and suicidal thoughts. She works with all ages of clients from 5 to 100 years of age.

Help is only a phone call away. Behavioral issues can be a difficult battle for people of all ages and can undermine families in their efforts to live happy, productive lives.

We are so pleased to have Tara on staff to lend her expertise to the community.

Please call for an appointment:  
541-515-9233. Her hours are  
8:30 - 3:30, every Thursday.

**PUBLIC NOTICE**

Pursuant to ORS 198.550 (3) the following Ordinance was read and adopted by the Christmas Valley Domestic Water Supply District Board of Commissioners on April 29, 2020.

BE IT RESOLVED: that due to a water shortage within our system The Christmas Valley Domestic Water Supply Board of Commissioners hereby orders that effective August 1, 2020 there can be NO OUTSIDE IRRIGATION between the hours of 9:00 a.m. and 6:00 p.m.

A copy of this ordinance is available for public inspection at the Water District office, 87379 Holly Lane, Christmas Valley, Oregon and at the office of the Lake County Clerk, 513 Center Street, Lakeview, Oregon.

Penalties for violation of the Ordinance are provided under ORS 198.600 (1) (2) (3).

# PUBLIC NOTICE

## Notice of Intent for Archway Solar Energy Facility

### Summary

Date Issued: July 22 and August 1, 2020

Proposal: 400 megawatt (MW) photovoltaic (PV) solar energy generation facility occupying approximately 3,650 acres of agricultural-use (A-2) zoned land

Location: Lake County, east of Christmas Valley

Public Comment Deadline: September 4, 2020

Preliminary Application for Site Certificate -

Anticipated Date of Receipt: October 2020

### Introduction

The Oregon Department of Energy (ODOE or Department), staff to the Energy Facility Siting Council (EFSC or Council), received a Notice of Intent (NOI) from Archway Solar Energy LLC (applicant), a wholly owned subsidiary of Invenergy Solar Development North America LLC, that it intends to submit a preliminary application for site certificate (pASC) to construct and operate the Archway Solar Energy Facility, a proposed PV solar energy generation facility. Under Oregon law, the applicant must obtain a site certificate from EFSC prior to construction and operation of the proposed facility. The Department is accepting public comments on the NOI from July 22 through September 4, 2020.

### Proposed Facility Description

The Archway Solar Energy Facility would include up to 400 MW of solar PV energy generation components (solar modules, trackers, posts, cabling, inverters and transformers) to cover or occupy up to 3,650 acres, within an approximately 4,300 acre site boundary.

Proposed related or supporting facilities include lithium-ion or flow battery storage systems; power collection system and collection substation; point of interconnection 500 kilovolt (kV) substation; operation and maintenance building; 500 kV transmission line; internal roads; and temporary construction staging areas. More detailed information is available in NOI Exhibit B (see hyperlink to

Department's project webpage in More Information below).

### Proposed Facility Location

The proposed facility would be located in Lake County, southeast of Christmas Valley. A map of the proposed facility site boundary is attached to this notice. More maps are available in NOI Attachment 2; the Department maintains an online mapping program where the proposed facility site and regional location can be viewed via hyperlink: <https://arcg.is/1Gf8CK>.

### EFSC Review Process

The review of an application for site certificate (ASC) is a consolidated, comprehensive process where the Department requests comments from state and local agencies, tribal governments and the general public throughout the process, and concurrently reviews other permits necessary for the proposed facility. The applicant must demonstrate that the proposed facility meets EFSC standards established under Oregon Revised Statute (ORS) 469.501 and set forth in Oregon Administrative Rule (OAR) Chapters 345, divisions 22 and 24, as well as all other applicable Oregon statutes, rules and standards. The Department serves as staff to EFSC and conducts the ASC review process.

Pursuant to ORS 469.504(4), an applicant must elect to demonstrate compliance with the statewide planning goals by either obtaining local land use approval from the affected local government(s) or through EFSC's determination of compliance. At this time, Archway Solar Energy LLC intends to satisfy the Council's Land Use standard (OAR 345-022-0030) by seeking an EFSC determination under ORS 469.504(1)(b).

## Visitors Illegally Enter the Caldera at Crater Lake National Park

CRATER LAKE, OREGON – On the afternoon of Friday, August 7th, park staff received a report of multiple visitors in the caldera somewhere between Rim Village and Discovery Point. Law enforcement staff responded quickly to attempt to locate them.

Park rescue staff rappelled over the edge of the caldera to look for the individuals and provide technical rescue assistance if needed. Jackson County Search and Rescue was deployed and on their way to the park. Lake research staff was called in and headed to the lake to launch one of the park boats for a possible rescue from the lake shore.

The individuals were eventually spotted near the shoreline below Rim Village. Reports indicated that there were six people involved. Eventually a total of seven visitors climbed out of the caldera on their own and were cited for illegal entry and creating a hazardous condition. Fortunately, no one was injured in the process.

The Cleetwood Trail is the only safe and legal way to access the shore of Crater Lake. Climbing in the caldera at any other location is strictly prohibited. The slopes are very unstable, and through the years, visitors have been seriously injured or even killed by illegally entering the caldera. The necessary major rescue efforts that result put park staff at risk. When visiting the park, please always stay behind the rock walls and never enter the caldera except on the Cleetwood Trail.

The National Park Service conducts thousands of search and rescues servicewide each year, many of which could be avoided with visitors planning and making responsible decisions. During the ongoing health crisis, it's critical that everyone make wise choices to keep our national park rangers and first responders out of harm's way. We ask that all visitors please RECREATE RESPONSIBLY to safely spend time outside.

## Animals on Park and Rec Properties

Christmas Valley Park and Recreation District has adopted a policy concerning pets/animals on Park and Rec properties. This policy is an attempt to keep our facilities an enjoyable place for all users.

When on Christmas Valley Park and Recreation property (including the Rodeo Grounds, Golf Course, Play Area, etc.) all domestic animals, whether pets livestock, or other, must be leashed and/or under the direct control and supervision of their owner/handler.

***Horses are not  
allowed on the Golf  
Course at any time-  
EVER!***

Any defecation (poop) from the animal must be cleaned up immediately by the owner/handler. Individuals failing to comply with this policy will be asked to leave Park and Rec property. Animals freely roaming, with no apparent owner/handler in the area may be treated as strays. The proper authorities will then be contacted.

And PLEASE, keep off the Golf Course while the ground is frozen... Especially the greens.  
Thank You!

#### SUICIDE WARNING SIGNS

These signs may mean someone is at risk for suicide. Risk is greater if a behavior is new or has increased and if it seems related to a painful event, loss, or change.

- Talking about wanting to die or to kill oneself.
- Looking for a way to kill oneself, such as searching online or buying a gun.
- Talking about feeling hopeless or having no reason to live.
- Talking about feeling trapped or in unbearable pain.
- Talking about being a burden to others.
- Increasing the use of alcohol or drugs.
- Acting anxious, agitated or behaving recklessly.
- Sleeping too little or too much.
- Withdrawing or feeling isolated.
- Showing rage or talking about seeking revenge.
- Displaying extreme mood swings.

Suicide Is Preventable. Call the Lifeline at: 1-800-273-TALK (8255).

## Mommy & Me Group

Submitted

Do you have a little one, age birth to three years old, who doesn't meet the requirements for Preschool on Tuesdays? You and your child are invited to join Mrs. Anthony on the first and third Thursdays of each month from 10:00 a.m. - 11:30 a.m. at the North Lake School annex building for a **Mommy and Me Play Group**. "We will be exploring our world around us through music, movement, and sensory play," says Mrs. Anthony. "We will also be doing **Make and Take** activities once a month that you can do with your kiddos at home."

If you have questions, please call Mrs. Anthony at 503-351-7855.
