Next Desert Whispers DEADLINE
7 DAYS PRIOR
 at 2:00 p.m.

DESERT WHISPERS

The intent of *DESERT WHISPERS* is to publish a variety of information from all aspects of life in North Lake County. We neither support nor condemn any ideas, creed, religion, custom, attitude, belief or law. Opinions expressed are not necessarily the opinions of the Christmas Valley Park and Recreation District Board members, staff, personnel or advertisers. The Christmas Valley Park and Recreation District is not responsible for errors in articles and/or ads submitted to be published without change. The Christmas Valley Park and Recreation District Board of Directors reserves the right to reject any submitted material for any reason.

DESERT WHISPERS welcomes letters to the Editor. Letters should be printed or written clearly. Each letter **must be signed**. *DESERT WHISPERS* reserves the right to condense long letters or to edit for content. We will avoid this whenever possible. *DESERT WHISPERS* reserves the right to judge the acceptability of a letter in regards to vulgarities, profanities, or slanderous content.

Deadlines for *DESERT WHISPERS* are at least seven (7) Days before issue dates of the 1st and 15th of each month. Please have your ad or article to the *DESERT WHISPERS* office BEFORE the published deadline. If the ad or article is NOT received by 2 pm on the deadline, it may not make it into that issue. Ads and articles can be received by mail, by e-mail, or dropped off at the office.

- The Editor

Renting the Christmas Valley Community Hall

The Christmas Valley Community Hall, located at 87345 Holly Lane, in Christmas Valley, is available for rent.

A refundable cleaning/damage deposit of \$50 is required for the rental of the building. The deposit will be returned if the building is left in the same (or better) condition as you found it.

At the conclusion of your event, if the heater in the main area of the hall is not turned down to 52° (as the instructions posted state), you will be billed \$9.00/hr for fuel, until the setting is corrected.

Call Christmas Valley
 Park and Rec for availability:
 541-576-2216.

Lake County Public Transit Operated by Lake County Senior Citizens Association

Christmas Valley to LaPine
Shopping Shuttles are scheduled
for every Wednesday. Please call to
check for changes to this schedule.

LaPine Medical trips are on Tuesday
mornings for the month of
October.

Bend Medical Trips are every Mon-
day, Wednesday, & Friday mornings.

We are currently assessing
the need for a medical shuttle to
Chiloquin and would like to hear
from anyone interested
in this service.

*****We are hiring drivers*****

Lake County Senior Center
Transportation is operating under
OHA requirements. Drivers are dis-
infecting vehicles between every trip,
and keeping the recommended 6 foot
distance between drivers and each
family of riders. As Oregon is man-
dating that all Public Transit drivers
wear face coverings on the job, we
are also asking that all riders wear
face coverings in our vehicles, for the
safety of our drivers and other rid-
ers. If you do not have a face cover-
ing, one will be provided for you by
the driver. If you have any questions
about scheduling rides, or about
policies, please call Anne at Trans-
portation 541-947-4966 ext. 106.

Per OHA and ODOT
requirements, passengers are re-
quired to wear masks or cloth face
coverings. A bandana will do.

If you have OHP, please call
EOCCO Ride Share at 877-875-4657
for non-emergency
medical transport.

New Royalty take the helm for 2021 Round-Up

Danielle Jester, Managing Editor Lake County Examiner - Article used with permission.
Sep 16, 2020

Photo Submitted

Round-Up Queen Jessie Maita, 2020, l-r, presents 2021 Queen Briana Church with a bouquet as 2021 Princess Samantha Hopper is also presented with a bouquet by 2020 Princes Harley Dick

Lake County's 2021 Round-Up Court was crowned toward the end of Sunday night's PRCA Rodeo. Briana Church was crowned the 2021 Round-Up queen, and Samantha Hopper took the 2021 Round-Up Princess title. Todd Muller, who served as the 2020 Round-Up President, will serve a second term as president of the 2021 Round-Up.

Church is the daughter of Buck and LaDonna Church and has lived in Christmas Valley for the better part of her life. She graduated from North Lake High School this year. She will be attending Eastern Oregon University in the fall where she will study ag sciences, run track and play basketball. Prior to court tryouts, Church said she felt a spot on the Round-Up Court could teach her a lot. She was also excited for the opportunity to represent Lake County.

Hopper is the daughter of Dave and Linda Hopper. She did not grow up in Lake County, but her paternal grandparents, Rex and Renee Hopper, and her maternal grandparents, Sam and Cindy Lamb, are longtime area residents so she visited Lake County many times before moving to Lakeview with her family before her freshman year of high school.

Hopper is entering her senior year at Lakeview High School this fall. Hopper will be moving to Montana for college next year, having been accepted early admission to Montana State University. She plans to major in psychology and minor in criminology, as well as being a part of Air Force ROTC. She also hopes to be on the university's rodeo team.

As someone who grew up visiting Lake County and who now lives in the area, Hopper said she wanted to try out for the Round-Up court to represent those two sides both enjoying visiting the area for years and now loving her life here.

A Thank You Note from The Soup Kitchen

The Christmas Valley Soup Kitchen would like to send out a BIG Thank You to all that have donated to the Soup Kitchen this year. Donations range from volunteers serving the people to the people who donate food or money to make sure that those in need receive a hot meal. We look forward to the years to come.

If you would like to make a donation to the food Kitchen, you can reach Barbara Ferrando at 650-455-0052 or stop by the Christmas Valley Park and Recreation Office located at 57334 Christmas Tree Road, Christmas Valley, Oregon 97641

**The Soup Kitchen will reopen
Tuesday, October 6, 2020.**

Barbara Ferrando and her crew will be waiting to see you all then.

Election Day is November 3rd, 2020

"Nobody will ever deprive the American people of the right to vote except the American people themselves and the only way they could do this is by not voting."

-Franklin D. Roosevelt,
32nd President of the
United States

October 13, 2020
Last Day to
Register to Vote

Voter's registration cards postmarked by this date or submitted online no later than 11:59 p.m. are valid for the General Election on November 3, 2020.

Every registered voter will receive a ballot by mail.
Submission by mail - Nov 3
Submission in person - Nov 3

Drop boxes open 18-20 days before Election Day.

IMPORTANT NOTICE

Postage stamps are no longer required to return your voter's ballot by mail. Postage is prepaid by the State of Oregon.

The State of Oregon will be mailing out voter pamphlets and ballots by October 14, 2020. We highly recommend voting your ballot early and returning it by mail.

Please mail your ballot on or before October 28, 2020 to ensure timely delivery to our elections office by election day, November 3, 2020.

In addition, there will be a ballot drop box at the Christmas Valley Annex Building on election day during their normal business hours.

Stacie Geaney
Lake County Clerk

PUBLIC NOTICE

At the last board meeting of the Lake County Library Endowment Fund the board decided that in light of public health restrictions, it did not make sense to host the Library Endowment Fund Dinner this year.

They plan to be back and better than ever in 2021 to resume this long-standing community event. In the meantime, look to your mailboxes in October for an update on Endowment Fund activities in 2020.

LA PINE COMMUNITY HEALTH CENTER PURCHASES PROPERTY IN LA PINE

With Existing Building
and Space to Grow

LA PINE, Oregon — On September 18th, 2020, La Pine Community Health Center (LCHC), a nonprofit, Community Health Center, closed on the purchase of the building and property [51600 Huntington Road, La Pine, OR 97739] at which they have been tenants for over ten years. Along with this, they also purchased the empty parcel of land [51601 Bluewood Avenue] that sits adjacent to the Huntington Road property. After considering this purchase for the past few years, knowing that the investment would ultimately reduce their operating costs and secure a long-term home for their growing organization, LCHC received a loan from the United States Department of Agriculture (USDA) through the Rural Development Community Facilities Program for the existing building and self-financed the additional land. The health center has plans of building on the adjacent lot over the next few years in order to expand their services for the community.

Brattain Wildfire 95% Contained

Photo James Williams

Paisley, OR - The Brattain fire started on September 7, 2020, on the Paisley Ranger District of the Fremont-Winema National Forest. The human caused fire was first discovered approximately ten miles south of Paisley. Initially, firefighting crews battled winds, extremely dry conditions and shortages of firefighting resources.

Most of the tactical resources have been released to their home units or states or reassigned to other more critical incidents due to the current containment level. The remaining divisions are focused heavily on patrolling and scouting additional repair work since mop-up operations are mostly complete. Remaining fire crews continue to mop-up and patrol fire lines of the wildfire which has burned approximately 50,951 acres and is 95% contained.

There is concern over achieving

full containment, as we go into the first week of October with above normal temperatures along with dry conditions and afternoon humidity values in the low to mid teens. A return to hot and dry weather will keep fuels of dry grass and low shrubs in the lower elevations to the open Ponderosa pine, mixed conifer and the under-story litter at the higher elevations at critically, volatile dry levels. Terrain driven winds are also a factor in getting the fire fully contained.

The Lake County Sheriff's Office has lifted all evacuation advisories as of 10:00 a.m. Saturday, September 26, 2020.

From Forest Road 29 southeast to Forest Road 3510 and the 28 Road east, all National Forest System lands and facilities are closed per Forest Closure Order 06-02-03-20-03. Forest Road 3315 is closed.

LA PINE COMMUNITY HEALTH CENTER A WINNER OF THE 2020 OREGON TOP WORKPLACES AWARD

On September 25th — La Pine Community Health Center (LCHC) was awarded a Top Workplaces 2020 honor by The Oregonian. The list is based solely on employee feedback gathered through a third-party survey administered by employee engagement technology partner Energage, LLC. The anonymous survey uniquely measures 15 drivers of engaged cultures that are critical to the success of any organization: including alignment, execution, and connection, just to name a few. "In times of great change, it is more important than ever to maintain a connection among employees," said Eric Rubino, Energage CEO. "When you give your employees a voice, you come together to navigate challenges and shape your path forward based on real-time insights into what works best for your organization. The Top Workplaces program can be that positive outcome your company can rally around in the coming months to celebrate leadership and the importance of maintaining an employee-focused culture, even during challenging times." CEO of the nonprofit health center, Charla DeHate, stated "It is such an honor to receive this recognition. As the leader of this organization, I am humbled by how this acknowledgment reflects on the culture of our organization and the morale of our staff as a whole."

MEETING COMMUNITY HEALTH NEEDS IS OUR TOP PRIORITY AT YOUR LOCAL HEALTH CENTER

La Pine Community Health Center (LCHC) is committed to the health and wellness of Central Eastern Oregon communities and offers a variety of medical, behavioral, dietary and outreach services. In order to better serve the growing and diverse population of Lake County, LCHC's Christmas Valley location is undergoing a few changes.

Beginning September 8th, 2020 your local health center in Christmas Valley will be open Monday through Friday from 8:00 a.m. to 4:00 p.m., which provides additional availability on Fridays. The health center's lab will also be able to offer appointments every weekday morning, extending lab appointment opportunities to include Fridays and x-ray services will continue to be offered each Tuesday and Thursday. Denise Griffiths, FNP, will see patients Monday through Friday, which will enable her to build long-term, stable patient-provider relationships with more local residents. Michael Allen, MD will continue to come to Christmas Valley two Thursdays each month and will expand his patient base beyond the initial prenatal and complex patients currently under his care. Behavioral health consultant, Beth Erickson, LCSW, will continue to see patients in Christmas Valley every Tuesday and in-person Outreach services appointments will be offered on two Thursdays each month, or by telephone Monday through Friday. Qualifying patients may be eligible for our produce voucher program through Health Education services. Assistance enrolling in or applying for food stamps, energy assistance, Oregon Health Plan (OHP) and transportation services is available through our Outreach department.

These are trying times, for many Oregonians—financially, socially and medically. If you are already a patient, we encourage you to utilize your local health center to maintain optimum health and receive regular check-ups (annual wellness visits). If you are new to the area, please stop in to fill out a new patient packet. Once you establish care you will be eligible to take advantage of the many services we have to offer. At all of LCHC's locations, Veterans are welcomed with open arms and are able to receive Veterans Affairs (VA) authorized services, often eliminating the need for Veterans to travel out of the area unnecessarily.

Our friendly and knowledgeable staff are here to assist you. For more information call (541) 536-3435, stop by to see us at 87520 Bay Road, Christmas Valley, Oregon or visit our website, www.lapinehealth.org.

CHRISTMAS VALLEY BAT POSITIVE FOR RABIES

Submitted by Lake Health District

Public health officials are warning area residents to take precautions after a rabid bat was found in the Christmas Valley area of Lake County, according to a news release from the Lake Health District.

The bat was sent to Oregon State University for testing. Results confirmed the bat was positive for rabies.

According to the Oregon Health Authority, bats are the most common carriers of rabies in Oregon. About 8-10% of the bats tested for rabies are positive every year. So far in 2020, eight bats have tested positive for rabies in Oregon.

It is important to avoid contact with stray animals and wildlife. People are cautioned not to approach bats, wildlife, or other mammals seen exhibiting odd behavior. If someone finds a bat, stray animal or other wildlife on their property, they should take their children and pets indoors.

Public health officials advise taking extreme precautions before attempting to handle a bat. If it is necessary to pick up a bat, it is best to wear heavy gloves, use a shovel or both. Sick bats may be seen flopping around on the ground or otherwise acting unusual. If you

The Lake County Examiner has a new Managing Editor

In early July 2020, Danielle Jester became the new managing editor for the Lake County Examiner (LCE). Previously she had been a reporter and staff writer for the Herald and News in Klamath Falls, and prior to that, she worked for the Mt. Shasta Herald.

Her career began at the Siskiyou Daily News (that later merged with the Mt. Shasta Herald) in the northern California town of Yreka where she was raised. Ms. Jester graduated from Yreka High School in 2008. She went on to earn her A.A. at College of the Siskiyous in Weed, California.

Photo Submitted
Danielle Jester, Managing Editor,
Lake County Examiner

Growing up she always had a love of writing, and she considers getting paid for something you love to do to be a bonus in life. She, also, has a passion for photography and many of her articles feature some of her photos.

Ms. Jester is a poised, confident, hardworking young lady. She most likely gets a lot of these traits from her parents. Ms. Jester's mother worked a full-time job and took care of her and her father during her growing up years. Ms. Jester's father, a USFS Cartographer, has struggled with Multiple Sclerosis since before Ms. Jester was born. He does not let his handicap get in his way of leading a productive life. In fact, when Ms. Jester was very small she accompanied her parents to Washington D.C. where her father accepted the Multiple Sclerosis Father of the Year Award presented to him by President Clinton.

Ms. Jester is eager to explore more of Lake County and get to know the communities that make up the County. Several of her articles span a lot of the communities in the County already. Her goal is to continue to incorporate the entire County in LCE articles.

LCE General Manager, Tillie Flynn was quoted to say, "I'm very excited to have Danielle join the Lake County Examiner team. Her knowledge and experience will be a wonderful asset!" In a short time, Danielle Jester has proven Tillie Flynn right; she is a wonderful asset!

Danielle Jester can be reached at LCE at 541-947-3378.

WHEN YOU HAVE
QUESTIONS ABOUT HOSPICE...
Ask the experts!

"How will I manage all these medications?"

"Who can help me bathe Grandma?"

"How am I going to pay for hospice?"

"Is there a way for Grandpa to have medical care at home?"

"How can I get Dad a walker?"

"Is there someone who could help me talk to Mom about her illness?"

You don't have to do this alone. We have the answers and we are ready to help. Call today for a free complimentary consultation.

Call the Experts!

President Donald J. Trump approves Major Disaster Declaration for Oregon

September 15, 2020

WASHINGTON D.C. - FEMA announced that federal emergency aid has been made available to the state of Oregon to supplement state, tribal and local recovery efforts in the areas affected by wildfires and straight-line winds beginning on Sept. 7, 2020 and continuing.

The President's action makes federal funding available to affected individuals in Clackamas, Douglas, Jackson, Klamath, Lane, Lincoln, Linn and Marion counties. Assistance can include grants for temporary housing and home repairs, low-cost loans to cover uninsured property losses, and other programs to help individuals and business owners recover from the effects of the disaster.

Federal funding is also available to state, tribal, eligible local governments and certain private nonprofit organizations on a cost-sharing basis for emergency protective measures including congregate and non-congregate sheltering and direct federal assistance.

Emergency protective measures, including direct federal assistance through FEMA's Public Assistance program, will be provided at 75% federal funding. This assistance is for Benton, Clackamas, Columbia, Coos, Deschutes, Douglas, Jackson, Jefferson, Josephine, Klamath, Lake, Lane, Lincoln, Linn, Marion, Multnomah, Tillamook, Wasco, Washington and Yamhill counties.

Federal funding is available on a cost-sharing basis for hazard mitigation measures statewide.

Dolph A. Diemont has been named as the Federal Coordinating Officer for federal response and recovery operations in the affected area. Designations may be made at a later date if warranted by the results of damage assessments.

Individuals and business owners who sustained losses in the designated area can begin applying for assistance by registering online at www.DisasterAssistance.gov or by calling 1-800-621-3362 or 1-800-462-7585 TTY.

Christmas Valley - Rabid Bat Continued from page 12

find a sick bat or other sick wildlife on your property, take children and pets indoors and contact the Oregon Fish and Game. In case of human contact by a bat, such as a bite or a scratch, immediately clean the wound and seek medical attention. If the bat has safely been captured, do not crush the bat or throw it away, as intact bats can be tested for rabies, which can avoid post-exposure rabies shots.

If your pet has encountered a bat or been bitten by a wild animal, contact your veterinarian immediately and call the Oregon Department of Fish and Wildlife at 866-968-2600.

In the event of bat contact such as a bite or scratch, an attempt should be made to safely capture the bat for testing for the rabies virus. Efforts should be made to collect the bat without destroying the head and the bat should be kept in a cool place. Immediately seek medical attention and report the incident to Lake County Public Health at 541-947-6045.

Authorities emphasize the main protection for humans is to make sure pets are vaccinated for rabies. Check with your veterinarian to be sure that your pet is up to date on its rabies vaccine.

For more information about rabies, visit the Oregon Health Authority, Public Health Division website.

KNOW BEFORE YOU GO!

Hunting season has started in the area, and hunters are urged to recreate safely.

Before heading out, check with your local Forest Service or BLM office to confirm closure orders, fire use restrictions, and other safety or legal considerations.

Ensure your vehicles and trailers are properly maintained. Sparks thrown from improperly maintained vehicles or trailers can cause devastating fires without the knowledge of the driver.

DO YOU QUALIFY FOR WIC?

By: Linda McCoslin

Exotic Plants

Cola Tree: *Cold Nitida* (vent.) Schott and Endl.

Family: *Sterculia* (Sterculiaceae)

According to the claim in an early Coca-Cola ad, the explorer Henry Morton Stanley might never have found Dr. David Livingstone in deepest Africa had it not been for the cola nuts that his native bearers chewed on the long jungle trip. For centuries many Africans chewed cola nuts for the same reasons the inhabitants of Southeastern Asia enjoy betel nuts- they are stimulants (about three times richer in caffeine than coffee) and breath sweeteners. Sold in African marketplaces, cola nuts are also used to depress the appetite during religious fasts and are believed to have aphrodisiac powers.

There are 125 Cola species in the world, all indigenous to the rain forest of tropical West Africa. *C. nitida* and *C. acuminata* are the only two used commercially and extensively cultivated in the West Indies, Brazil, India, and Sudan. The stately evergreen grows 40 to 60 feet high, bearing leathery leaves, about 10 inches long. The small petalless, yellow flowers produce long chocolate colored pods, containing 4 to 15 reddish brown seeds or cola

nuts. The aroma is of roses but taste extremely bitter on first bite, the flavor deepens with chewing and the after-taste is sweet.

In the U.S., the cola nut is known as an ingredient of cola beverages. Unlike the beans of Chocolate and coffee, the nut requires no intricate prep. They are simply boiled in water to extract the basis of soda pop. The original cola beverage, Coca-Cola, contained coca leaf extract (the source of cocaine) and generous amounts of cola nut extract. Today, the formula is jealously guarded, the drink is known to contain decocainized coca leaf extract, the coca content is so minute, it does not register in lab tests.

Caffeine, extracted from cola nuts, as well as, coffee beans and other sources, is a cardiac and respiratory stimulant and is included in many nonprescription pain remedies, soft drinks, and energizers. The effects of the daffine in cola beverages are heightened by carbonation, such beverages are commonly used to ease headaches and hangovers and to settle queasy stomachs.

CRITTER CORNER

California Quail

Photo Crystal Glad-Herberholz

California Quail are plump, short-necked game birds with a small head and bill. They fly on short, very broad wings. The tail is fairly long and square. Both sexes have a comma-shaped topknot of feathers projecting forward from the forehead, longer in males than females. Adult males are rich gray and brown, with a black face outlined with bold white stripes. Females are a plainer brown and lack the facial markings. Both sexes have a pattern of white, creamy, and chestnut scales on the belly. Young birds look like females but have a shorter topknot.

California Quail spend most of their time on the ground, walking and scratching in search of food. In morning and evening they forage beneath shrubs or on open ground near cover. They usually travel in groups called coveys. Their flight is explosive but lasts just long enough to reach cover.

You'll find California Quail in chaparral, sagebrush, oak woodlands, and foothill forests of California and the Northwest. They're quite tolerant of people and can be common in city parks, suburban gardens, and agricultural areas.

Christmas Valley Park and Recreation District invites everyone to enjoy the Park and Rec properties.

We ask that while enjoying the properties; specifically, the Golf Course, the Rodeo Grounds, the playground, the multi-use field and Baert Lake, that you be a good steward and please do not litter, please maintain control of your pets by keeping dogs on a leash and/or maintaining constant supervision. If your dog should defecate on the premises, please be sure to pick up after it.

Horses and camping are only permitted at the Rodeo Grounds.

Being good stewards and taking pride in these properties reflects on our community as a whole.

Thank you for your continued support of Christmas Valley Park and Rec.

Your North Lake Health District is looking for a licensed Day Care Provider to operate services in our annex building on Spruce Road, Christmas Valley.

Licensed providers please contact the local District Office @ 541-576-2165 and leave a voice mail with your name and phone number. Your message will be returned within 5 business days for more details and appointment to view the facility and discuss details.

SUICIDE WARNING SIGNS

These signs may mean someone is at risk for suicide. Risk is greater if a behavior is new or has increased and if it seems related to a painful event, loss, or change.

- Talking about wanting to die or to kill oneself.
- Looking for a way to kill oneself, such as searching online or buying a gun.
- Talking about feeling hopeless or having no reason to live.
- Talking about feeling trapped or in unbearable pain.
- Talking about being a burden to others.
- Increasing the use of alcohol or drugs.
- Acting anxious, agitated or behaving recklessly.
- Sleeping too little or too much.
- Withdrawing or feeling isolated.
- Showing rage or talking about seeking revenge.
- Displaying extreme mood swings.

Suicide Is Preventable. Call the Lifeline at: 1-800-273-TALK (8255).

Mommy & Me Group

Submitted

Do you have a little one, age birth to three years old, who doesn't meet the requirements for Preschool on Tuesdays? You and your child are invited to join Mrs. Anthony on the first and third Thursdays of each month from 10:00 a.m. - 11:30 a.m. at the North Lake School annex building for a **Mommy and Me Play Group**. "We will be exploring our world around us through music, movement, and sensory play," says Mrs. Anthony. "We will also be doing **Make and Take** activities once a month that you can do with your kiddos at home."

If you have questions, please call Mrs. Anthony at 503-351-7855.
