The First Annual Christmas Valley Harvest Golf Tournament Was A Hole-in-One!!!

Saturday, September 25th, 2021, was a wonderful day for a golf tournament in Christmas Valley. The weather was made to order. It was sunny, the temperature was perfect, and the air was crisp with the scent of Fall. It was perfect!

There were sixteen four person teams total playing a basic scramble format. In scramble, each golfer hits his own ball from the tee box. The group then walks over to where those balls landed and elect only one whose landing position is deemed most desirable. Each golfer will then hit his own ball from that one chosen spot and proceed likewise until the lowest score for that hole is recorded. The same process will begin anew on the next hole until the end of the round.

The criteria for this tournament was to have fun! You did not have to be a skilled golfer or to have even played the game before. This tournament was for the purpose of fund raising for

the much needed improvements to the Christmas Valley Golf Course.

The Fast Break team consisting of Terry Cashman, Scott Bojanowski, Brad Henry, and Pat Cashman were the winners with a score of 29. Second place went to the Lakeside Restaurant team consisting of Greg Rondeau, Dan Kinion, Jim Larson, and Sam Davis with a score of 32. Third place was a tie between Troy Fine's team consisting of Preston Fivecoat, Tony Zachary, Mark Simmons and Troy Fine and the Ag Spray team consisting of Jacob Lambert Sr., Jacob Lambert Jr., Michael Lambert, and Dan Fairway; each team having a score of 33.

The prize for KP was won by Tony Zachary.

Jacob Lambert won the prize for Men's Longest Drive and the Women's Longest drive was won by Kay Church.

Afterwards the team members met for a spaghetti lunch prepared and catered by Lakeside Restaurant. The benefit auction began soon after lunch was served.

The largest item was a combination fuel tank/tool box insert for the bed of a pick up truck that was donated by Ed Staub & Son. Several other items were donated by local businesses and out of town businesses, as well as, other golf courses. The auction ranged from gift certificates for local services, gift baskets, art work, a five gallon container of herbicide, rounds of golf at Quail Run and Aspen Lake golf courses, and many more generously donated items.

The top bidder/supporter was Troy Fine. In fact, it was Troy who inspired Dan Maple to take on the challenge of putting together this tournament. Dan Maple and the other members of

of the Golf Course Committee, Dan Kinion and Greg Rondeau outdid themselves by putting this tournament together in only a couple of months. Dan Maple secured most of the sponsors and they all were instrumental in securing the generous donations of auction items.

The tournament made nearly \$15,000. Not bad for the First Annual Christmas Valley Harvest Golf Tournament!

The golf committee is looking forward to an even better tournament next year. What is better than a hole-in-one? Albatross? Yes, that is what it will be next year ~ Albatross!!!

Christmas Valley Park and Recreation would like to thank our tournament volunteers Pepper Good, who was a terrific help with sign ins and set ups, Patty Effingham for all her wonderful help with the auction and sign ins, and Cayla Chamberlain who was the life of the party on the drink cart. Thank you all!

North Lake FFA Attends District Leadership Camp

By Evelyn Terrazas, North Lake FFA Reporter

On Tuesday September 21st through Thursday September 23rd, our chapter officers attended the Central Oregon District Leadership at Crystal Spring in the Ochocos outside of Prineville. The other chapters that attended this event include: Bend, Redmond, Crook County, Culver, Madras, Dufur and Sherman County.

Students from North Lake included Wyatt Hufford, Justin McAuley, Garrett Joye, Evelyn Terrazas, Blake Herinckx and Vannesa Rebolledo.

Members spent the weekend grouped into their individual offices and working alongside officers from other chapters. They expanded their knowledge of their newly elected offices by spending time with the State and District officers. The multiple activities included State Officer workshops, competitive organized recreation, the District Rituals contest, district banquet, the polar bear plunge, and various random speeches. Individuals were encouraged to step out of their comfort zones and meet new people. This was a really fun activities and our officer feels better prepared to make a positive difference in our chapter, school and community.

The next activity for North Lake FFA is the District Soils Contest on October 13th in Sherman County.

Officers 2021: North Lake FFA Officer Team. Back Row: Mr. Chastain - Advisor, Blake Herinckx - Sentinel, Justin McAuley - VP, Wyatt Hufford - President, Justin Sharp - Oregon State Vice President. PUBLIC NOTICE

NOTICE IS HEREBY given that the Lake County Board of Commissioners is seeking two (2) volunteers to serve on the Planning Commission: Position 2 (South Lake) and Position 7 (Central Lake). Volunteers participate in public hearings regarding land-use proposals on private property, located outside the town/city limits of Lakeview and Paisley which are required to be reviewed for compliance with Local and State law, and compatibility with adjacent property land uses, and suitability given the property's size, location, physical constraints, etc. Ideally, members are appointed by the Board of County Commissioners for a four-year term.

Regular meetings are held on the third Tuesday of each month at 6:00pm in the Lake County Courthouse located at 513 Center St in Lakeview, and occasionally at other meeting places in the various rural communities within the county. Meetings typically last from one to two hours. The positions are unpaid; however, reimbursement will be paid for mileage costs relating to meeting attendance.

If you are interested in becoming a member of the Planning Commission, please stop by the Planning Department or Board of County Commissioners Assistant's Office to pick up an application, or call 541-947-6036 to get one mailed/emailed to you. The application is also available at www.lakecountyor.org. Please respond as soon as possible, preferably before December 7, 2021 at close of business so the Planning Commission can review the applicants before making a recommendation to the Board of Commissioners.

AARP Films part of their RideSheet Pilot Video "Oregon Paves the Way" in Christmas Valley

On September 21, 2021, the AARP Portland production crew led by Trip Jennings and Sara Quinn filmed part of the RideSheet Pilot video at the North Lake Health District/CV La Pine Community Health Center location on Bay Road in Christmas Valley and at Sid's Produce on Christmas Valley Highway.

The Christmas Valley filming featured local resident Robert Singleterry as the Christmas Valley transit rider and Lake County Public Transit driver, Amador Aguirre, as the driver. Robert Singleterry is a fellow current employee of Aguirre who started as a rider with Lake County Public Transit. He played the part of the rider in this filming as he lives fairly remotely and this lent to the nature of the production.

RideSheet is a new open-source ride scheduling software application designed for the unique needs of small, demand-responsive transportation providers.

By incorporating a new transactional data specification, known as the TDS, it enables two or more providers in a community to inter-operate more efficiently, improving service for their clients. According to AARP, the RideSheet Pilot being tested by Lake County's Senior Center is demonstrating key findings and having good success on how to provide and track rural transportation services for people ages 50 and over.

So much so that AARP decided to showcase their work nationally so that other rural communities can learn from them. "This video will be used to feature how your [Lake] county is creating transportation solutions to enable people to 'age in place' – something most people desire and greatly prefer," says Kim Sedmak from AARP.

This video will air at a future date to be determined on the AARP monthly program on RFD TV.

Christmas Valley Park and Recreation will be sponsoring its annual Trunk or Treat event on Halloween, October 31st, from 5:00 p.m. to 7:30 p.m. at the Christmas Valley Community Hall.

Why do we Trick-or-Treat?

One of the kid's favorite Halloween traditions is to dress up in costumes on Halloween night and walk around their neighborhoods going trick-or-treating. They go knocking on doors in the hope to receive a piece of candy or another small token to fill their trick-or-treat bags. But where did this tradition come from?

The idea of trick-or-treating came about in the 16th century during the Celtic festival of Samhain. During Samhain people would go guising. Guising is going door-to-door in disguise singing songs in exchange for food.

Children originally received fruits and nuts for trick-or-treating.

Children started going trick-or-treating in the U.S in 1911. Trick-or-treating became popular in the U.S in the 1930s.

In Loving Memory

Barbara Irene (McBride) Anderson

May 10, 1937 ~ September 5, 2021

Barbara Irene McBride Anderson passed away peacefully on September 5, 2021 with her loving family beside her. She was born on May 10, 1937 in Tacoma, WA to Florence (Schumiller) and Floyd Johnstone.

Barbara was born and raised in Tacoma, WA, growing up and attending school there. When she was 17 years old, she was at a local Ma & Pa convenience store reading a book by the woodstove when a gentleman by the name Julius McBride walked passed and knocked the book out of her hand as a way of introducing himself to her, and she was smitten. The two began to date and fell instantly in love. Julius went over to serve in the Korean War and they wrote to each other often. They promised each other they would marry when he got back from the war and on February 26, 1955, they did just that. Shortly thereafter they began their family and the family moved to where the work could be found. They lived in Roseburg, OR for a good portion of time and welcomed three boys while living there, Jerry, Kevin and Larry. They would move down to California where they would welcome their son, Mark and then finally a daughter, Lanette.

Their young family enjoyed going on fishing trips and camping while on hunting outings. Barbara was an excellent cook and baker, and the house seemed to always be filled with the delicious aroma of her cooking. She loved the holidays when she could showcase her talent and fill the bellies of her loved ones. Barbara and Julius eventually moved to Christmas Valley, OR in 1981 and sadly Julius passed away in 1986. Barbara would remain there for the next thirty five years. She would eventually meet Harold Anderson and the two married. His health declined and she cared for him until his passing. Barbara came to live with her daughter, Lanette in May of this year after she was diagnosed with cancer. She loved to see the turkeys and deer and enjoyed the trees, hills and beauty that surrounded her. Barbara cared very deeply for her family, and loved her grandchildren, great grandchildren and great great grandchildren even if she did not get to see them regularly. Barbara loved to watch the old Westerns especially if John Wayne was one of the actors. She was the sweetest lady and loved to make people smile. Barbara will be dearly missed, especially by her favorite dog, Cocoa.

Barbara was preceded in death by her parents, Floyd Johnstone and Florence Emma Schumiller; husbands, Julius Avon McBride and Harold Anderson; son, Kevin Lee; brothers, Jerry and David Johnstone. She is survived by her children; son, Jerry McBride and wife Becky, son, Larry McBride, son, Mark McBride, daughter Lanette Rogers and husband Randy, 17 grandchildren, many great grandchildren and 5 great great grandchildren.

Cumin: Store It & Eat It

Keep Cumin seeds in an airtight glass jar in a cool, dark place it will last about 1-2 years). alternatively, you can store them in the freezer, taking seeds out to use or grind as needed. Ground Cumin will remain fresh for six months.

Typically sprinkled in soups, sauces, and grain dishes, cumin also serves as a pickling ingredient. Seeds added to roasting vegetables provide a savory kick, while toasting seeds before grinding, helps bring out their piquant character. Cumin combines well with turmeric, cardamom, and allspice, a little cumin goes a long way!

Cumin Spice Blend

A classic Middle Eastern seasoning blend comprises 1 part Cumin to 2 parts Coriander, ass mix to butter, ghee, or oil for cooking to provide depth to saute's and sauces.

For a brighter, slightly floral dimension add rose and orange blossoms.

2 parts Coriander powder
1 part Cumin
1/4 part rose petals
1/4 part orange zest

Powder all - sift through sieve to make fine- add to butter or ghee, season to taste. Store in fridge up to 6 months.

~ Enjoy, Linda.

CRITTER CORNER

California Quail

Photo Crystal Glad-Herberholz

California Quail are plump, short-necked game birds with a small head and bill. They fly on short, very broad wings. The tail is fairly long and square. Both sexes have a comma-shaped topknot of feathers projecting forward from the forehead, longer in males than females. Adult males are rich gray and brown, with a black face outlined with bold white stripes. Females are a plainer brown and lack the facial markings. Both sexes have a pattern of white, creamy, and chestnut scales on the belly. Young birds look like females but have a shorter topknot.

California Quail spend most of their time on the ground, walking and scratching in search of food. In morning and evening they forage beneath shrubs or on open ground near cover. They usually travel in groups called coveys. Their flight is explosive but lasts just long enough to reach cover.

You'll find California Quail in chaparral, sagebrush, oak woodlands, and foothill forests of California and the Northwest. They're quite tolerant of people and can be common in city parks, suburban gardens, and agricultural areas.
