Veterans Day occurs on November 11 every year in the United States in honor of the “eleventh hour of the eleventh day of the eleventh month” of 1918 that signaled the end of World War I, known as Armistice Day.

In 1954, President Dwight D. Eisenhower officially changed the name of the holiday from Armistice Day to Veterans Day.

In 1968, the Uniform Holidays Bill was passed by Congress, which moved the celebration of Veterans Day to the fourth Monday in October. The law went into effect in 1971, but in 1975 President Gerald Ford returned Veterans Day to November 11, due to the important historical significance of the date.

Veterans Day commemorates veterans of all wars.

Great Britain, France, Australia and Canada also commemorate the veterans of World War I and World War II on or near November 11th: Canada has Remembrance Day, while Britain has Remembrance Sunday (the second Sunday of November).

In Europe, Great Britain and the Commonwealth countries it is common to observe two minutes of silence at 11 a.m. every November 11.

Every Veterans Day and Memorial Day, Arlington National Cemetery holds an annual memorial service. The cemetery is home to the graves of over 400,000 people, most of whom served in the military.

Voters in Lake County got their first chance to meet Kerry McQuisten — one of candidates running to replace outgoing Oregon Gov. Kate Brown — on Tuesday, Oct. 19 at the Lakeview Elks Lodge.

She spoke about the many topics on her platform and answered questions posed by the public.

McQuisten was elected to the Baker City Council in 2020, and was elected by the City Council to the position of mayor. She gained the national attention of conservative news sites when she led the Baker City Council in passing a resolution in early 2020 against Brown's COVID restrictions and mandates at the time. She gained a great deal of support from her efforts and was encouraged by the public to run for governor.

Tree of Joy

Christmas
is coming!!!

Once again, the Christmas Valley Boosters are taking applications for the Tree of Joy for children from birth to 18 (if still in school) that reside full-time in the North Lake County area for families that may need a little help.

Applications can be picked up at the North Lake post offices in Christmas Valley, Silver Lake and Fort Rock. If your family needs assistance, please fill out the application and return it to the Christmas Valley Boosters, PO Box 83, Christmas Valley, OR 97641 or drop at Oregon Country Realty. Applications must be received by the deadline of November 20th to allow enough time for Santa's Helpers to work their Christmas magic.

If you are interested in becoming a Santa's Helper and sponsoring your choice of a child[ren] or family, please call/text Shara Shumway at Oregon Country Realty (541) 480-6461.

If you are interested in helping with any of our Christmas projects; Tree of Joy, Children's Christmas Party in December, Wreaths, or Canned Food Drive, please call, stop by or attend a meeting held every 2nd Monday each month at 6:00pm at the Christmas Valley Booster Building. Everyone is welcome!

YOU CAN make a difference!

Residents of Lake County, my name is Karen Morgan and I am announcing my candidacy for Lake County Commissioner, Position 3.

I was raised in rural Southern Oregon and highly value the farming and ranching, rural lifestyle. My family are multi-generational loggers, ranchers and farmers. I graduated from Ashland Senior High School in 1980 and have a B.A. in International Relations from the International University Europe in England. I am the mother of seven grown children and have six grandchildren.

My position as Office Manager of Christmas Valley Park and Recreation District and as Office Manager of North Lake Health District has enabled me to become familiar with some of the problems that face Lake County residents.

My 30 years of Risk Management and Contract Administration for Federal, State, municipality, and private sector land use, hazardous waste clean up and remediation, and handling complex commercial insurance claims, along with managing my own residential rental, logging, and farm/ranching businesses gives me the knowledge and experience for the decisions required for county government.

I am hard-working and I will be a strong advocate and a strong voice for all the residents of Lake County. My pledge to Lake County is to be dependable, to make informed decisions and to take action and follow through on those decisions and to put my heart into every effort at being a loyal and trusted County Commissioner for ALL of Lake County.

*Paid for by the committee to elect Karen Morgan
for Lake County Commissioner.*

Klamath and Lake Counties Council on Aging **is conducting a** **SENIOR NEEDS ASSESSMENT SURVEY**

A new and comprehensive needs assessment survey for Klamath and Lake Counties has been developed by the Klamath and Lake Counties Council on Aging (KLCCOA). KLCCOA has been promoting dignity, well-being, security, and independence for Southern Oregon since 1969.

The goal of the survey is to identify and help solve issues for seniors 60 years and older. The survey will be used to help the agency make decisions regarding future grants and other resource allocations for senior services. It will also allow the agency to direct those resources to the areas of greatest need.

The survey will look at housing needs, in-home assistance, transportation, health and nutrition and financial needs for seniors 60 years and older.

KLCCOA manages and administers a number of State and Federal program grants that benefit seniors in both Klamath and Lake Counties including Meals on Wheels, In-Home Care, Family Caregiver Support program, meal sites, Oregon Project Independence, Aging and Disability Resource Connection (ADRC), Options Counseling and the Gatekeeper program. All of these programs are designed to help keep seniors in their homes instead of having to go to more expensive institutions.

The senior survey will be available December 1, 2021 and will be distributed to all senior centers, meal sites and meals on wheels recipients.

To learn more about the Senior Survey, get a survey sent to you, or need more information about our services, please contact KLCCOA at 541-205-5400.

PUBLIC NOTICE

NOTICE IS HEREBY given that the Lake County Board of Commissioners is seeking two (2) volunteers to serve on the Planning Commission: Position 2 (South Lake) and Position 7 (Central Lake). Volunteers participate in public hearings regarding land-use proposals on private property, located outside the town/city limits of Lakeview and Paisley which are required to be reviewed for compliance with Local and State law, and compatibility with adjacent property land uses, and suitability given the property's size, location, physical constraints, etc. Ideally, members are appointed by the Board of County Commissioners for a four-year term.

Regular meetings are held on the third Tuesday of each month at 6:00pm in the Lake County Courthouse located at 513 Center St in Lakeview, and occasionally at other meeting places in the various rural communities within the county. Meetings typically last from one to two hours. The positions are unpaid; however, reimbursement will be paid for mileage costs relating to meeting attendance.

If you are interested in becoming a member of the Planning Commission, please stop by the Planning Department or Board of County Commissioners Assistant's Office to pick up an application, or call 541-947-6036, or at www.lakecountyor.org. Please respond before December 7, 2021 at close of business so the Planning Commission can review the applicants before making a recommendation to the Board of Commissioners.

Comfrey, (*symphytum officinale*)

Comfrey is a member of the borage family. The herb is easily grown in your home garden and grows like a weed in many areas. It is also known as knit bone, bone set and slippery root.

Comfrey is a vigorous perennial herb with long lance-like leaves, each 12 to 18 inches long. The hairy leaves grow from a central crown on the ends of short stems. The plant reaches 2 to 5 feet in height and spreads to over 3 feet in diameter. It can be propagated from cuttings or root pieces but is not invasive once planted. Comfrey flowers begin as a purple to blue bell, fading to pink as they age. The thick, tuberous roots have a thin black skin.

Comfrey leaves and roots are not edible, they contain small amounts of toxins that should not be consumed. The leaves make a medicinal tea or gargle.

Its medicinal use is a valuable remedy that accelerates healing of skin and wounds. A compress of the roots or leaves can be applied directly to the skin or made into a salve. It inhibits the growth of bacteria, helping to prevent infections, and minimizes scarring. It is mucilaginous and contains the com-

pound allantoin, which boosts cell growth and repair. It also is an excellent anti-inflammatory and relieves pain, inflammation, and swelling in bug bites, joints and muscles. Comfrey tea is best used to alleviate stomach problems, heavy menstrual bleeding, bloody urine, breathing problems, cancer and chest pain. Be careful with internal use. It can also be gargled to treat gum disease or sore throat.

Comfrey salve or compresses are one of the best remedies for sprains, strains, bruised muscles and joints, and fractured bones. The herb speeds up healing while increasing mobility and relieving the pain and swelling. Apply the salve or a poultice made from crushing Comfrey roots up to 4 times a day. Make sure that a broken bone is set before applying Comfrey.

For back pain use a salve 3 times a day. Likewise, external Comfrey salve is beneficial for osteoarthritis pain.

Comfrey tea treats coughs, congestion and asthma. It reduces the inflammation and soothes the irritation. Also for minor skin injuries, burns, rashes, eczema, psoriasis and wounds. The root is preferred for this purpose,

but leaves can also be used. The juice of Comfrey leaves or crushed root decoction can be used as a wash for the area. Do not use for deep wounds or puncture wounds as it heals them too quickly, blocking in infection.

The decoction or tea also stops bleeding of internal ulcers.

It is best harvested in the spring or early summer before blooming.

Warning: Toxins can cause liver damage, lung damage, or cancer when used in highly concentrated doses. Small doses have been used for hundreds of years with no reported side effects.

Do Not Use if Pregnant or Nursing.

**CONDITIONAL USE PERMIT, COMPREHENSIVE PLAN CHANGE (GOAL 3 EXCEPTION)
APPLICATION NO. 21-050-CUP, 21-051-CP**

Public Hearing concerning an application by Webster Road Solar Farm II LLC to establish a Photovoltaic Solar Project (Utility Facility), which requires a Goal 3 Exception (Comprehensive Plan Change). The Planning Commission will review all project components of the applications submitted and give a Recommendation to the County Board of Commissioners (BOC). If later approved by the BOC, the Exception would allow a PV Solar project to be established on a parcel greater than 320 acres, but less than 1920 acres of nonarable land. Commercial Utility Facilities or other facilities for the purpose of generating power for sale are allowed as conditional uses under the Lake County Zoning Ordinance Articles 3 and 24, Oregon Revised Statute (ORS) 215.283, and Oregon Administrative Rule (OAR) 660-033-0130(38). The proposed solar site would be: T255 R14E TL 109, 113, 111 and 112 in the A-2 Agriculture Use Zone. The notice of public hearing has been mailed to all adjacent owners with 750 feet, which includes maps, a list of adjacent owners. Notice is also provided to all affected agencies (local, state, and federal) and a 35-day notice in advance of the hearing to the Department of Land Conservation and Development (DLCD). The application materials are available on the Land Use / Planning page of the county website and in the Planning Office in the Courthouse between normal business hours of 8:30-5:00 M-F and during the hearing. A Staff Report, addressing all of the criteria for the recommendations/decisions on the above applications will be available 7 days prior to the hearing. If you have any questions contact Darwin Johnson, Planning Director at 541-947-6036 or by email at djohnson@co.lake.or.us.

Published by the Lake County Planning Department, November 24, 2021

From the Application: Exhibit A-1: Project Description

The proposed project is a photovoltaic (PV) solar power generation facility as defined in Oregon Administrative Rules OAR 660-033-0130 (38)(f).

The project will primarily comprise of PV modules installed on fixed-tilt or single-axis tracking structures. These structures will be secured with foundation systems selected based on site-specific soil conditions, most likely driven steel piles or helical ground screws.

The PV modules will be connected to DC-to-AC inverters, electrical and transmission equipment for delivering the generated renewable energy to the electrical grid. The project may also include equipment capable of storing part of or the entire production of the facility (e.g., batteries). Such equipment will be installed on concrete pads or other comparable support.

The project will be surrounded by a chain-link (or comparable) fence, per applicable electrical codes.

The appearance of the completed project will be similar to the existing Outback Solar Project in Christmas Valley, and the site will be fully revegetated following construction with native species.

Lake County Planning Commission
Notice of Public Hearing

Initial project development activities will be ongoing over the next several years prior to commencement of long-term commercial operation of the project, including further environmental studies, design and engineering, telecommunications and related supporting infrastructure. The facility will interconnect into the electric grid via the recently approved (19-056-ZP; 12/5/2019) gen-tie along the eastern side of the site to the BPA line on Connely Lane, or another gen-tie will be constructed along the same or similar corridor, or via the Midstate Electric Cooperative (MEC) system.

Additional details are provided in the Site Plan, attached as Exhibit A-2.
