The Giving Plate's

Our Mission, Our Story, Our Future

The Giving Plate opened its doors in Bend, OR in 2010, founded by Gary and Debra Kelso. Their Christ-centered passion was to serve the community during a poor economic time where many were struggling to make ends meet. Putting two cans of tuna and five loaves of bread on their empty warehouse shelves they dedicated the outcome to the Lord. Initially they thought helping 500 families would be amazing but within a few months they had registered that 500th family and began to realize the need was much bigger than they ever imagined. The need for food and youth services has continued to rise at an astounding rate.

Kid's Korner was founded in 2017 as Oregon's only public children's shopping style food pantry. The Kelso's brought a second one to Christmas Valley in the fall of 2020. They quickly learned that food is needed but realize there are so many other needs for the youth in North Lake County. We have provided over 2300 bags of food, birthday bags, clothing, shoes, blankets, mattresses, hygiene items and spin wheel prizes. We've hosted multiple activities, ice cream socials, hot dog/chili feeds and 4 fun holiday events. 2022 is a year to celebrate! After coming out of the ups and downs of 2020/2021, we've embraced our new vision of how it will look to serve the youth in North Lake County. We no longer have a facility to serve from so the urgency to move forward with our plan is upon us.

After serving the North Lake community out of a temporary facility since the fall of 2020, the Kelso's (founders) have kick-started the future of Kids Korner by purchasing a piece of land centrally located on Christmas Valley Highway. To further this vision, we will start with a phase one fenced courtyard which will include a mobile bus pantry, outdoor activities including a bounce house and seating. This will allow our children a safe, fun, welcoming place to gather. In the effort to continue services while this project is being developed, the Kelso's will be hosting Kid's Korner out of their garage with activities in the yard on the 1st, 3rd and 5th Saturdays of each month from 11:00-2:00 at 87539 Spruce Lane.

Colleen Phillips

We will continue to strategically plan and incorporate a budget for our future facility and we are excited to announce that we have brought Colleen Phillips on our team to assist with marketing and fundraising. Colleen brings experience fundraising, grant writing and event planning with multiple non-profits including the Boys and Girls Club of Marion County.

*Thank
You!*

It is with our deepest gratitude that we thank the members of this community we call home. The meals were amazing and so thoughtful and much appreciated. We don't know who you all are that prepared them so can't name you, but please know we couldn't have made it this far without you all.

The prayers, cards, flowers, visits and willingness to help have been overwhelming and will never be forgotten.

At some point we will do a fund raiser in order to sponsor some kids to the Bible Rodeo Camp that Mason loved and learned so much at. He was such an incredible young man and much too loved to ever be forgotten.

BUDGET COMMITTEE MEMBERS NEEDED

Most local governments in Oregon, from the smallest Cemetery district to the largest city, must prepare and adopt an annual budget. Schools, counties, cities, rural fire protection districts, and most special districts are all subject to the same budget provisions.

Each district forms a Budget Committee made of the Districts board members and an equal number of Appointed electors. The appointed electors must meet the following guidelines:

Electors are registered voters in the district.
 Cannot be officers, agents or employees.
 All members have the same authority and are appointed for staggered 3-year terms.
 If the district can't fill all appointed members, the Committee can be fewer.

Budget Committee Members are needed for the following Districts:

Christmas Valley Park & Recreation District

Meetings to be held as follows:

Budget Committee meetings April 12 and May 10th, at 9:00am

Budget Hearing – June 14 at 9:00 am.

All meetings to be held at Christmas Valley Community Hall

Christmas Valley Rural Fire Protection District

Meetings to be held as follows:

Budget Committee meetings April 18 and May 16th, at 7:00PM

Budget Hearing – June 20 at 7:00 pm.

All meetings to be held at Christmas Valley Fire Hall

North Lake Health District

Meetings to be held as follows:

Budget Committee meetings April 4 and May 2, at 5:00pm

Budget Hearing – June 6 at 5:00 am.

All meetings to be held at Health District Office

If you are interested in serving on any of the above budget committees, please contact Patty Effingham at 541-576-2640.

Christmas Valley Domestic Water Supply District – First meeting TBA. If you are interested in serving on this budget committee, please contact Erica Anderson at 541-576-2090.

Please get involved in your community.

RE-ELECT MARK ALBERTSON LAKE COUNTY COMMISSIONER POSITION #3

It is a great honor to serve the community where I was born and raised, and I will continue to protect our rural heritage and culture.

Over the last three years, our community has shown an abundance of resilience in the face of many challenges. We have faced a pandemic, shutdowns, drought, grasshopper infestations, the Brattain, Bootleg, Patton Meadow and Cougar Peak Fires, and top-down policy from out-of-touch state leaders.

I've worked hard to be a voice and advocate for Lake County's needs at every level

- Helped acquire \$15 million for the Town of Lakeview Water project.
- Obtained \$500,000 for Lake County businesses through the pandemic.
- Created a Code Enforcement position to enhance safety and clean up our communities.
- Worked hard to effect positive change on many issues from forest health, sage grouse, grazing and repealing the 21" DBH rule on timber.
- Testified against "Cap and Trade."
- Stood up to Governor Brown against closing Warner Creek Correctional Facility.
- Worked with legislators on the passing of a bill for Lake County SB 19 acquiring the property if WCCF closed.
- In the process of a \$2.5 million block grant for Christmas Valley water project, a regional landfill creating over 50 jobs in North Lake County.
- Continue to protect and enhance existing businesses and promote new business development.

I am endorsed by over 15 County Commissioners, Senator Findley, Rep. Owens, Rep. Breese Iverson and Rep. Reschke, Congressman Cliff Bentz, TimberUnity and many of our neighbors.

I would appreciate your vote this May.

(This information furnished by Committee to Re-Elect Mark Albertson).

Dentist Office coming to North Lake Health District Campus

The North Lake Health District board announces that they will be remodeling the double wide structure on the North Lake Health District's Medical Center campus on Bay Road in Christmas Valley to accommodate the needs of becoming a dental office.

The Board has been in the planning stages with Dr. Tyler Wright, DMD, a general dentistry practitioner from Grants Pass who has purchased a home in the Christmas Valley area, since last year.

The remodel is set to begin soon, and the dental office is scheduled to open by this Summer.

Local Group seeking to open a new Christmas Valley History Center

Several community members met at the Ranch Hand on February 16th, 2022 to discuss forming a Christmas Valley History Center. Lu Damerval, the group leader, approached the Christmas Valley Park and Recreation District about sponsoring the History Center.

The group is asking the community to become involved by submitting any of the old stories of community members or memorabilia that they may have about the Christmas Valley area.

Ellen Shaver, a group member, says, "In my short time of living here, I've found that Christmas Valley has a vast history and its origins date back to Spanish Conquistadors, some mining expeditions and a couple of Native American tribes using the area to hunt on just to the East of the area. The township of Lake was formed decades before the CV area seems to have been formed along Millican Road towards Sink Road and Christmas Valley was formed years later after Lake sort of disbanded."

The group is in the beginning stages and their goal is to have an actual Christmas Valley History Center building to showcase the area's history, stories and memorabilia.

For information on how to become involved contact:

Vote For Karen Morgan

County Commissioner

Position 3

— ★ ★ ★ —

Showing up for,
Speaking up for,
Standing up for

Lake County

I was raised in rural Southern Oregon and highly value the farming and ranching, rural lifestyle. My family are multi-generational loggers, ranchers and farmers. I graduated from Ashland Senior High School in 1980 and have a B.A. in International Relations from the International University Europe in England. I am the mother of seven grown children and have six grandchildren.

My position as Office Manager of Christmas Valley Park and Recreation District and as Office Manager of North Lake Health District and as a North Lake Planning Commissioner has enabled me to become familiar with some of the problems that face Lake County residents.

My 30 years of Risk Management and Contract Administration for Federal, State, municipality, and private sector land use, hazardous waste clean up and remediation, and handling complex commercial insurance claims, along with managing my own residential rental, logging, and farm/ranching businesses gives me the knowledge and experience for the decisions required for county government.

I have always been civic minded and a solution seeker. I have been a 4-H leader, Girl Scout leader, Little League board member and have been a member of Sheriff's Posse and Search and Rescue.

I was part of a grass roots movement to allow for the funding of public charter schools in the State of Oregon. I went to Washington, D.C. to speak to our Congressman about the necessity of charter schools. In 1999 the Oregon Legislature passed legislation that allowed for the creation of independent public schools that operate under a charter agreement with local school board of directors. In 1999 there was one charter school and in the following year nine more and now in the State of Oregon there are approximately 127.

In 1997, the pear growers in the Rogue Valley sustained a major loss due to flooding. The National Crop Insurance policy classified pears to have a value of \$200 per ton and our specialized pears had a value of at least \$800 per ton. I organized a meeting with the local pear growers to educate the regional heads of the National Crop Insurance program; subsequently the classifications were changed.

I am hard-working and I go the extra mile to get things accomplished. I will be a strong advocate and a strong voice for ALL the residents of Lake County. My pledge to Lake County is to be dependable, to make informed decisions and to take action and follow through on those decisions and to put my heart into every effort at being a loyal and trusted County Commissioner for ALL of Lake County.

Showing up for, Speaking up for, Standing up for Lake County

*Paid for by the committee to elect Karen Morgan
for Lake County Commissioner.*

CREATING COMPASSIONATE KIDS: MANAGING THE EMOTIONAL UPS AND DOWNS OF NOT-SO-EVERYDAY PARENTING

Join Dr. Shauna Tominey to discuss strategies to help children manage their emotions and stress while making sense of the world around them. Learn tools for managing your own emotions and well-being as an educator or family member while helping children and youth navigate the academic, social, and life challenges they face. Even if parenting feels like a neverending journey (it is!), we can all use a few extra tools in our toolbox and we don't have to take that journey alone.

Ingredients:

8 pack Snack Size Hershey Bars
32 2 1/4 x 2 1/4

Graham Crackers (Regular or
Chocolate)

32 Marshmallow Peeps

Instructions:

1. Break each Hershey bar in half and place in the center of a graham cracker.
2. Heat in microwave for about 20 seconds or until just starting to soften.
3. Place Peep on microwave safe plate and heat for about 8 seconds (until it just starts to expand).
4. Place immediately on top of graham cracker with softened chocolate and top with another graham cracker, pressing together lightly.

Charles "Charlie" Dee Coxen

February 22, 1956 – March 5, 2022

On Saturday, March 5th 2022, Charles "Charlie" Dee Coxen, loving son, brother and uncle, passed away at age 66.

Charlie was born February 22nd, 1956 in Westwood California to Dale Coxen and Georgia Telfer. Charlie attended Toledo High School. After relocating to Bend, Oregon in 1993, he pursued a career as a machinist. Outside of work, Charlie spent as much time as he could fishing for big trout in his boat in Wickiup Reservoir or hunting for mule deer out east. When it wasn't hunting season, he loved to cruise forestry roads with his mother, Georgia, and their dogs to take photos of wildlife and explore old historic sites. He had a sense of humor unlike any other and an ability to light up a room with his smile and wit.

He is preceded in death by his father, Dale, and brother Jim. He is survived by his mother, Georgia Telfer; brothers Bob and wife Vickie, and Jeff and wife Carole; nephews Jeff "JD" and Joe Coxen, James and Andy Ralston; and nieces, Amber Eugenio, Sherry Pence, Misty Pomada, Danielle Farnsworth, and Sierra Patterson
