## The 2nd Annual Christmas Valley Harvest Golf Tournament Was Another Hole-in-One!!!

It seems that the third Saturday of September is a winning day for our annual Harvest Golf Tournament. Again this year the weather was made to order. It was sunny, the temperature was perfect, and the air was crisp in the morning and warm in the afternoon and the air was filled with the scent of Fall.

There were eleven four person teams playing a basic scramble format this year. This year there was unlimited mulligans and there was the addition of string just for the fun of it. As always, the criteria for this tournament is to have fun! You do not have to be a skilled golfer or to have even played the game before. This tournament is for fun and for

fund raising for the much needed improvements to the Christmas Valley Golf Course.

The Ag Spray team consisting of Mike Lambert, Jacob Lambert, Jabin Lambert, and Dave Wilson tied with the Troy Fine Team consisting of Monica Mattis, Nolan O'Leary, Tony Lehman and Stacy Judd for first place. Third Place went to the Town & Country team consisting of Jeff Hale, Hayden Hale, Carl Shumway and John Wyss.

Closest to the Hole winners were Dave Wilson for Men Over 60; Fred Chugg for Men Under 60; Virginia Runge for Women.

Long Drive winners were Jim Larson for Men Over 60; Jabin Lambert for Men Under 60; Stacy Judd for Women.

Afterwards the team members met for a spaghetti lunch prepared and catered by Lakeside Restaurant. Dessert was a golf themed cake made by Cheyenne Housden owner of Opal Sage Sweets and Deli.

The winners of the raffle and the benefit auction began soon after lunch was served.

Raffle and auction items were donated by local businesses and out of town businesses, as well as, other golf courses.

Continued on pages 6 & 7.

# Elect Tom Roark for Lake County Sheriff 2022

## Accountability & Integrity

I moved to Silver Lake with my wife, Hayley, in the fall of 1988. There, we raised our three boys who each graduated from North Lake High School. In 1994, I was recruited by Sheriff Pepper Withers as a reserve Deputy Sheriff, and my Law Enforcement career was launched. I continued as a Reserve Deputy for about 5 ½ years, before being hired full time to work in the North Lake County area, where I currently still serve as a Patrol Sergeant.

My Training and education include Central Oregon Reserve Law Enforcement Academy, Department of Safety Standards and Training Basic Police Academy, Deputy Sheriff's Academy, the Oregon State Police Medical Examiner's Medicolegal Death investigator program, over 2200 hours in all. I currently hold a Basic, Intermediate, and Advanced certification from Department of Safety Standards and Training. I have an Associates of Arts degree from the University of Phoenix in Criminal Justice.

I am proud of the working relationships I have developed with partnering agencies such as the District Attorney's Office, Lake County Community Corrections, (Adult and Juvenile Parole and Probation) DHS Child Welfare, Adult Protective Services, as well with Mental Health staff in Lake County. I have connected with Oregon State Police and work with their major crime units, patrol, Game Enforcement and the OSP Crime Lab in Bend and Clackamas. Other neighboring agencies both surrounding counties and other agencies to include Department of Interior BLM and USDA Forest Service.

One specific issue I would address as your Sheriff of Lake County is the rise of criminal activity throughout the county. I will recognize the community policing aspect of law enforcement this includes implementing community education and community involvement programs, such as citizens academy and neighborhood watch programs. By working together, we can make a difference in the reduction of crime.

I am proud of my tenure in the Lake County Sheriff's Office and want to continue to serve the citizens of Lake County as I have the past 28 years. Lake County is a great place to live and raise a family. My wife Hayley and I proudly raised all three of our boys in North Lake County. This vast county has so much to offer and continuing to be associated with the Lake County Sheriff's Office as your Sheriff will be an honor.

## PUBLIC NOTICE

Several of the properties in the Christmas Valley township have utility easements for the Christmas Valley Water District.

When you have a utility easement on your property, the utility company/Water District may have a range of legal rights.

A few restrictions you might face include:

- Utility company/Water District access without your approval.
- Utility company/Water District may restrict your use of the easement when your use can harm underground water mains, valves, water meters, and the like.
- Restrictions on physical alterations: You may want to make an improvement to a certain section of your property. But the utility easement may prevent certain upgrades, such as erecting a fence or a gate.
- Vegetation restrictions: The utility company may require regular access to a particular area and constantly tear up your garden. Additionally, many utility easements limit the planting of major trees in a specified area.

If you're considering purchasing a property with a utility easement, take some time to research the local laws and regulations.

If you have questions regarding your utility easement call:  
(541) 576-2090 or (541) 947-6921

## 29th Annual National Public Lands Day

The Bureau of Land Management Lakeview District and U.S. Forest Service Fremont-Winema National Forest, want to thank the volunteers that participated in the 29th annual National Public Lands Day on Saturday, September 24, 2022. National Public Lands Day promotes the connection between people and the environment by inviting everyone to get outside and spend the day caring for and enjoying the outdoors.

This year's project was cleaning-up a dumpsite adjacent to Anderson Lake near the Warner Wetlands. The site located north of the Warner Wetlands Day Use Site on Hart Mountain Road contained a plethora of old metal cans, junk, wire, trash, and a truck frame. Ten volunteers spent four hours collecting and sorting items in the site and recycling the metal. A total of 1.7 tons of metal was recycled, in addition three truck loads of trash was removed.

Their work helps restore your public lands to its natural state by removing objects that should have never been dumped there.

National Public Lands Day is the nation's largest single-day volunteer event for public lands. Established in 1994 and held annually on the fourth Saturday in September. For more information on National Public Lands Day, visit [neefusa.org/npld](http://neefusa.org/npld).

## Apsara

a book by local author Pearl Whitfield

Christmas Valley Library will host Pearl Whitfield (aka Lakeview resident Margot Dodds) for a reading and discussion from her newest novel, "Apsara," on Tuesday, October 11, 2022 at 1 pm. The event will be at the library on Christmas Tree Lane, Christmas Valley.

"Apsara" is the story of a young girl in a remote village in 12th century Cambodia, who loves to dance and is chosen to train as an Apsara (court dancer) for King Jayavarman VII. Apsaras dance to bring heaven to earth, blessing the land with prosperity. Bopha walks from her home to Angkor Wat, and begins a life she could never have imagined.

This work of historical fiction grew from an experience Pearl Whitfield had in 2013, in Cambodia at the museum in Siem Reap (the town closest to Angkor Wat). The book had a long incubation after 2013, but then was written in less than two years. "In a way, it wrote itself," says Whitfield, "I just had to sit down and listen."

Whitfield has been writing for much of her life, mostly unpublished essay and memoir. She explains, "About 25 years ago, I committed to doing 'The Artist's Way' process, which has been very helpful in allowing me to write relatively free of my self-critic, and given me skills for recognizing blocks and releasing them. The other major influence that freed me to start to write was a series of workshops in each of Unlimited Body and Unlimited Breath, and being introduced to the idea of Creative Questions."

"Apsara" is Whitfield's second novel. Her first, "The Storekeeper, A Tale of Small Town Life," is a story about a man whose wife dies and he moves to a small town in the inter-mountain west of modern day USA. Ralph buys the mom-and-pop store, enters into community life, and starts to heal from his grief.

Both books are available at The Willows in Christmas Valley and in Lakeview at Howards' Drugs, Tall Town Bike and Camp, Bloomers and The Examiner. They are also on Amazon in print and kindle format.

You can follow Whitfield on Facebook, enjoy her musings, watch videos of readings, and check her book tour schedule: <https://www.facebook.com/pearl.whitfield.169>

## Cowboy's Prayer

Heavenly Father, hear my plea  
This ole' cowboys on bended knee  
As I ride thru rain and snow  
Help me, Lord, Just to know  
While I travel across this land  
Heavenly Father, take my hand  
Lead me down the road so straight  
Right up to Heaven's Golden Gate  
You took me from a house of sin  
When in my heart, I took you in  
Please free from this awful stuff  
Lord, you know I dipped it long  
enough  
Keep me safe from all sin and  
strife  
You know I've struggled all my life  
Your love is just for me  
On the final day, your face to see  
With your grace and love  
Take me to your home above  
Heavenly father, hear my plea  
This ole' cowboy's on bended knee.

## Why Do We Trick or Treat?

By: Cristen Conger

To grasp the rhyme and reason of why children don ridiculous costumes and bang down doors demanding candy once a year, we must rewind the clock a couple of millennia and visit the ancient Celtic clans of Britain. The Celts celebrated the end of fall harvest and the beginning of their new year with the pagan festival Samhain (pronounced "sow-en"), which fell on Nov. 1. On the night before the celebration commenced, the dead were thought to travel back home for an annual visit. To frighten away any accompanying evil spirits, the Celts lit fires around the countryside, and some dressed in disguise when venturing into the eerie outdoors to avoid being recognized by unfriendly ghosts. Traces of these primitive rituals persisted as the centuries wore on, and even as the Catholic Church sought to abolish the pagan pastime.

In the eighth century, the church began commemorating the feast of All Saints on Nov. 1, possibly as a replacement for Samhain. The preceding day became known as All Hallow's Eve, which was further shortened to Halloween.
