In Loving Memory of

Julianne E. Crowl

June 14, 1943 ~ October 8, 2022

Julianne E. Crowl, Age 79 of Christmas Valley, Oregon quietly left us surrounded by her family on October 8, 2022.

Julie was predeceased by her parents, John and Ethel, her sister Sandra and her husband of 36 years, Monte.

Born on June 14, 1943, in Burbank, California, Julie graduated from North Hollywood Highschool and attended UC Santa Cruz where she met the love of her life and soul-mate; they married in 1966.

Julie lived a very full, amazing and accomplished life; she was a skilled horse trainer and a gifted artist. Julie wrote, she sang, and she was an avid book enthusiast- her favorites were mystery and romance novels.

Julie spent the better part of 20 years as the Librarian in the small town of Christmas Valley, Oregon. She was a respected member of the community and cherished by friends who became her family.

Julie worked hard to live everyday with uncompromising optimism, compassion, and kindness; she always brought light, wit, and wisdom to any space she shared.

Julie had a soft spot for elderly dogs and animals with special needs and she turned her home into their safe haven.

Julie will be forever remembered, survived and missed by her son, Josh, his wife Kim; her daughter Jillian, her husband, Tim; her grandchildren, Myla, Wendi, Shawnea, Kamaron, Lucas, Isabelle and Isaac and her 9 great-grandchildren.

Contributions in memory of Julie can be made to Friends of Lake County Library, Oregon or the Oregon Outback Humane Society.

Elect Tom Roark for Lake County Sheriff 2022

Accountability & Integrity

I moved to Silver Lake with my wife, Hayley, in the fall of 1988. There, we raised our three boys who each graduated from North Lake High School. In 1994, I was recruited by Sheriff Pepper Withers as a reserve Deputy Sheriff, and my Law Enforcement career was launched. I continued as a Reserve Deputy for about 5 ½ years, before being hired full time to work in the North Lake County area, where I currently still serve as a Patrol Sergeant.

My Training and education include Central Oregon Reserve Law Enforcement Academy, Department of Safety Standards and Training Basic Police Academy, Deputy Sheriff's Academy, the Oregon State Police Medical Examiner's Medicolegal Death investigator program, over 2200 hours in all. I currently hold a Basic, Intermediate, and Advanced certification from Department of Safety Standards and Training. I have an Associates of Arts degree from the University of Phoenix in Criminal Justice.

I am proud of the working relationships I have developed with partnering agencies such as the District Attorney's Office, Lake County Community Corrections, (Adult and Juvenile Parole and Probation) DHS Child Welfare, Adult Protective Services, as well with Mental Health staff in Lake County. I have connected with Oregon State Police and work with their major crime units, patrol, Game Enforcement and the OSP Crime Lab in Bend and Clackamas. Other neighboring agencies both surrounding counties and other agencies to include Department of Interior BLM and USDA Forest Service.

One specific issue I would address as your Sheriff of Lake County is the rise of criminal activity throughout the county. I will recognize the community policing aspect of law enforcement this includes implementing community education and community involvement programs, such as citizens academy and neighborhood watch programs. By working together, we can make a difference in the reduction of crime.

I am proud of my tenure in the Lake County Sheriff's Office and want to continue to serve the citizens of Lake County as I have the past 28 years. Lake County is a great place to live and raise a family. My wife Hayley and I proudly raised all three of our boys in North Lake County. This vast county has so much to offer and continuing to be associated with the Lake County Sheriff's Office as your Sheriff will be an honor.

Re-Elect James Williams County Commissioner

Elections: Yes, I'm afraid so, it's that time of year again. It feels like the primaries were only yesterday. It's one of my least favorite of the seasons, and always has been. Growing up in Summer Lake, I would watch every few years as neighbors, friends and even family would be pitted against one another in the endless debate over who's team would win. Who is right and who is wrong. In the end, the only people who ever won were the politicians.

I don't consider myself a politician, but yes, I work in the realm of policy, representation and governance, and good governance is the understanding that we govern only by the consent of the governed. It's an old concept, but one that has stood the test of time in societies that valued freedom and individual liberty.

If you had told me even 5 years ago that I would be here today asking for your support of another term, I would not have believed you... because the truth is, I don't think I could ever fully express how humbled I have been by the incredible support and faith people have placed in me over the last 4 years. It has been an honor and a privilege to serve as one of Lake County's Commissioners, and I hope to continue to serve for another term. It has not always been pleasant (nor should be if you take it seriously and actually do the job), but it's certainly never been dull either.

I've been asked several times by good friends to write out a list of my accomplishments over the last few years, during which time I've have worked on everything from code enforcement, roads, energy, land-use, water, natural resources, emergency services (such as 911 Dispatch, EMS and Fire), public & behavioral health, tax assessments, housing and economic development.

I'll admit to a certain amount of pride that has vetoed my previous attempts to build an actual list of accomplishments. As I don't wish to appear boastful or self-applauding in any way, but it is true that there should be an accounting of some of what I've achieved in my service to Lake County citizens.

Funding through Lake County distributions:

- \$500,000 through Representative Owens Office for our two Lake County Rangeland Fire Protection Associations (RFPA), High Desert and Warner Valley were both able to acquire much needed PPE (Personal protective equipment), radios and even vehicles for fighting fires on rangeland.
- \$500,000 through Representative Iversons Office for our Lake County Fire Defense Board which is comprised of leadership from every fire district and volunteer fire department in Lake County, this funding is for similar uses in structure protection, but also will enable a potential TaskForce that will be invaluable on future fires.
- \$920,000 for the Christmas Valley Domestic Water Supply District, which was very much needed and originally only slated for a \$250,000 allocation until I personally argued otherwise.
- \$500,000 for the City of Paisley to improve their municipal water system.
- We as Commissioners agree unanimously on the importance of investing in our Fairgrounds, Airport, Railroad and of course the North.
- Lakeview Industrial Water Extension Project.

Other successes include: Providing testimony on numerous bills in the last three Legislative Sessions. I was successful in stopping the majority of the ones I felt would be detrimental to rural counties.

I stay very engaged with the Association of Oregon Counties, serving as vice-chair on Governance & Revenue Steering Committee, co-chair on the Budget and Finance Committee, as well as on the Legislative Steering Committee. I also sit on the EOCCO board (Eastern Oregon Coordinated Care Organization), overseeing delivery of services to OHP members for the entirety of Eastern Oregon.

With that, I'm going to conclude my "list", and deviate slightly... as I want to make sure we give credit where it is due. All too often do I hear politicians touting their accomplishments as if to imply that they alone did these things, which is truly never the case. For there is not one single thing on this list (or any of the million other things we as Commissioners do), that would even be possible without the good men and women around us. Good department heads and employees that take pride in their work are the key to success, along with having leaders that trust them to do their job.

We have to put aside our differences, and get the job done. I'm so very grateful for my fellow Commissioners, and I think we work well together even when we have disagreements. We still show up, and we talk it out. As a result, we've accomplished a lot for Lake County, but we've done it as a team.

The envelopes have all been filled with ballots, and have been diligently prepared by our Clerks. Lake County residents should be receiving them this week. Please take note and be especially cognizant of the ballot measures. Read carefully, use your voter pamphlet, and may you choose wisely. It's an interesting process, that nobody can predict. Ultimately, no one really knows what fate the people's pens will scribe, or what silent choices will be made in the privacy of our living rooms before they are slipped into an envelope, cast, received, counted and tallied after they have slowly trickled in over the last few weeks of an election.

I wish you all the very best. There are good things on the horizon for Lake County, and I thank the Lord for being where I am. Thank you for the support, and I look forward to continuing to serve as your Commissioner.

"Warriors are not what you think of as warriors. The warrior is not someone who fights, because no one has the right to take another life. The warrior, for us, is one who sacrifices himself for the good of others.

His task is to take care of the elderly, the defenseless, those who can not provide for themselves, and above all, the children, the future of humanity."

-Sitting Bull

The beauty of the trees,
the softness of the air,
the fragrance of the grass speaks to me.
The summit of the mountain,
the thunder of the sky,
the rhythm of the sea, speaks to me.
The faintness of the stars,
the freshness of the morning,
the dewdrop on the flower, speaks to me.
The strength of the fire,
the taste of salmon,
the trail of the sun,
and the life that never goes away,
they speak to me
And my heart soars.

Quality Care Close to Home

Lake County Public Health is happy to announce that we have hired a new nurse for our Christmas Valley office. She is scheduled to start in January 2023.

In the interim, we will be visiting Christmas Valley once a month; monthly visits are starting September 29th. We encourage the public to call 541-947-6045 to make appointments for WIC and OHP and in advance to schedule any special needs they might have, as our staff needs to prepare for that.

Thank you for your continued patience and we apologize for any hardship this has caused.
