VETERANS DAY

HONORING ALL WHO SERVED

World War I – known at the time as “The Great War” – officially ended when the Treaty of Versailles was signed on June 28, 1919, in the Palace of Versailles outside the town of Versailles, France. However, fighting ceased seven months earlier when an armistice, or temporary cessation of hostilities, between the Allied nations and Germany went into effect on the eleventh hour of the eleventh day of the eleventh month. For that reason, November 11, 1918, is generally regarded as the end of “the war to end all wars.”

Soldiers of the 353rd Infantry near a church at Stenay, Meuse in France, wait for the end of hostilities. This photo was taken at 10:58 a.m., on November 11, 1918, two minutes before the armistice ending World War I went into effect

In November 1919, President Wilson proclaimed November 11 as the first commemoration of Armistice Day with the following words: “To us in America, the reflections of Armistice Day will be filled with solemn pride in the heroism of those who died in the country’s service and with gratitude for the victory, both because of the thing from which it has freed us and because of the opportunity it has given America to show her sympathy with peace and justice in the councils of the nations...”

The original concept for the celebration was for a day observed with parades and public meet

ings and a brief suspension of business beginning at 11:00 a.m.

The United States Congress officially recognized the end of World War I when it passed a concurrent resolution on June 4, 1926, with these words:

Whereas the 11th of November 1918, marked the cessation of the most destructive, sanguinary, and far reaching war in human annals and the resumption by the people of the United States of peaceful relations with other nations, which we hope may never again be severed, and

Whereas it is fitting that the recurring anniversary of this date should be commemorated with thanksgiving and prayer and exercises designed to perpetuate peace through good will and mutual understanding between nations; and

Whereas the legislatures of twenty-seven of our States have already declared November 11 to be a legal holiday: Therefore be it Resolved by the Senate (the House of Representatives concurring), that the President of the United States is requested to issue a proclamation calling upon the officials to display the flag of the United States on all Government buildings on November 11 and inviting the people of the United States to observe the day in schools and churches, or other suitable places, with appropriate ceremonies of friendly relations with all other peoples.

An Act (52 Stat. 351; 5 U. S. Code, Sec. 87a) approved May 13, 1938, made the 11th of November in each year a legal holiday—a day to be dedicated to the cause of world peace and to be thereafter celebrated and known as “Armistice Day.” Armistice Day was primarily a day set aside to honor veterans of World War I, but in 1954, after World War II had required the greatest mobilization of soldiers, sailors, Marines and airmen in the Nation’s history; after American forces had fought aggression in Korea, the 83rd Congress, at the urging of the veterans service organizations, amended the Act of 1938 by striking out the word “Armistice” and inserting, in its place the word “Veterans.” With the approval of this legislation (Public Law 380) on June 1, 1954, November 11th became a day to honor American veterans of all wars.

Later that same year, on October 8th, President Dwight D. Eisenhower issued the first “Veterans Day Proclamation” which stated: “In order to insure proper and widespread observance of this anniversary, all veterans, all veterans’ organizations, and the entire citizenry will wish to join hands in the common purpose. Toward this end, I am designating the Administrator of Veterans’ Affairs as Chairman of a Veterans Day National Committee, which shall include such

Continued on Page 6.

other persons as the Chairman may select, and which will coordinate at the national level necessary planning for the observance. I am also requesting the heads of all departments and agencies of the Executive branch of the Government to assist the National Committee in every way possible."

On that same day, President Eisenhower sent a letter to the Honorable Harvey V. Higley, Administrator of Veterans' Affairs (VA), designating him as Chairman of the Veterans Day National Committee.

In 1958, the White House advised VA's General Counsel that the 1954 designation of the VA Administrator as Chairman of the Veterans Day National Committee applied to all subsequent VA Administrators. Since March 1989 when VA was elevated to a cabinet level department, the Secretary of Veterans Affairs has served as the committee's chairman.

The Uniform Holiday Bill (Public Law 90-363 (82 Stat. 250)) was signed on June 28, 1968, and was intended to ensure three-day weekends for Federal employees by celebrating four national holidays on Mondays: Washington's Birthday, Memorial Day, Veterans Day, and Columbus Day. It was thought that these extended weekends would encourage travel, recreational and cultural

activities and stimulate greater industrial and commercial production. Many states did not agree with this decision and continued to celebrate the holidays on their original dates.

President Eisenhower signing HR7786, changing Armistice Day to Veterans Day. From left: Alvin J. King, Wayne Richards, Arthur J. Connell, John T. Nation, Edward Rees, Richard L. Trombla, Howard W. Watts

The first Veterans Day under the new law was observed with much confusion on October 25, 1971. It was quite apparent that the commemoration of this day was a matter of historic and patriotic significance to a great number of our citizens, and so on September 20th, 1975, President Gerald R. Ford signed Public Law 94-97 (89 Stat. 479), which returned the annual observance of Veterans Day to its original date of November 11, beginning in 1978. This action supported the desires of the overwhelming majority of state legislatures, all major veterans-service organizations and the American people.

Veterans Day continues to be observed on November 11, regardless of what day of the week on which it falls. The restoration of the observance of Veterans Day to November 11th.

Veterans often are showered with platitudes but also are ignored by policy. The federal government sometimes is slow to act, and that leaves veterans to fight once more in order to get the medical help and benefits they need for as long as they live.

Veterans take us back to more settled times in America. People did all they could to keep America strong and safe.

Many issues divide us today. Cable news and social media allow the most extreme voices to dominate the conversation and frame those on the opposite side as their enemy.

Veterans know the stakes are much higher in battle. In the military, you're all on the same team. Differences of opinion exist, but the focus is on working together to complete a mission. Servicemen and women focus on what unites them, not on what divides them.

We can learn a lot from our veterans!

LETTER TO THE EDITOR

Dear Desert Whispers Editor,

On October 23rd, 2022, the Lake County Examiner emailed their "Questions for Campaign Commissioners". I thought it appropriate that I share my responses to their questions with your readers.

> Why did you get involved in county government?

To offer my knowledge, skills, and devotion for safeguarding and promoting the welfare of Lake County as a whole, north to south. I first encountered Lake County in mid-1980's. Rural farming and ranching values and lifestyles are similar to what I was raised with. In 2000, I changed from Forest Service to BLM to gain a position in Lake County. After retiring, became county commissioner to further my county-wide knowledge and offer my background experiences in government. County government is a sub-division of state government and deals frequently with federal government. Over-riding emphasis: Offer my skills and devotion to the continuing betterment of our county as a whole.

> Why are you running for Commissioner?

To continue my emphases given in above question; protecting and promoting Lake County's interests. First focus is on protecting the interests of the county. Immediately thereafter, promoting county-wide interests. There are regions within the county that need to be addressed to have same or similar opportunities as the whole. County-wide emphases include: Protecting county on growing water issues; Continue promotion of internet to meet today's and more so tomorrow's needs; Advocating for protection of our constitutional rights, as our 2nd Amendment. Protecting health & safety of our citizens is top priority of all county governments. Assisting continued upgrade of our 911 services, esp'ly to outlying regions. Similarly, where / when needed, assisting N. Lake Health District and Lake Health District to maintain & enhance services to our citizens.

> What are the qualities and /or experience you possess that make you the best choice for Commissioner?

Recognize that each candidate has own qualities and experiences. For myself is devotion to accomplishing protection & benefits for our county, meaning our citizens. That devotion has roots on how I was raised on family farm and team efforts of family and of neighbors. The word 'work' was never spoken, except as such related to a piece of machinery. Team emphasis for good of the whole was furthered during high school football (undefeated, untied season), more so during my tenure with US Marine Corps wherein I served as combat squad leader, and during my tenure with the Forest Service and BLM as supervisor of multiple resources specialists. A key characteristic is recognizing there are situations that don't fit the norm and the need to improvise, adapt, and to accomplish desired outcome.

Laws and rules often created as 'one size fits all'. I learned early in my federal government career to first learn the over-riding missions and then how following laws and rules fit such, or not. I search for key words or phrases that offered opportunities for adjusting or adapting to achieve localized needs and outcomes. Under concept that one size DON'T fit all, many occasions I interpreted the rules to meet localized outcomes for the people who we work for. Only once were my efforts reversed by upper management, due political reasons.

Representing Lake County with a measure of statesmanship and diplomacy, specifically with state and federal. There's 'Agreeing to Agree' and there's 'Agreeing to Disagree' in a respectful manner. Respecting others' positions outweigh our individual favor or disfavor of individuals. Such might pay-off, or not, on subject in front of us. Being respectful often pays off in future circumstances.

Continued on page 9.

Letter to the Editor from page 6.

> If elected, what are your key priorities?

- Water! Staying abreast of state and others' agendas. Engaging when, where needed.

- County government addressing needs of whole county as well as regions within.

- Christmas Valley is largest and fastest growing non-incorporated community in the county. Non-incorporated means under County's responsibility! Plan and facilitate today for future. Not limited to, but striving to get diversity of businesses, addressing today's and tomorrow's sewage concerns, addressing certain zoning concerns and roads to facilitate effective 911 response and future developments.

- Continue enhancement of internet across full county for tomorrow's educational, health, economical and family business successes.

- Enhancing 911 system county-wide. Public safety is county's highest responsibility.

- Maintain a 'Public Service' theme of county's government.

- Major Issues arise unexpectedly. Take such as challenges, not as reactive responses.

> Is there anything else you want voters to know?

Get the greater job done.

Food for Thought; Suggestions given by public / Require approval by voting populace: Explore the plus : minus on

number of and status of county commissioners.

A) One option offered: A full-time County Administrative Officer (CAO) to handle daily & monthly issues / opportunities often brought forward by other entities. CAO would also provide supervisory guidance to other County Depts., currently underneath responsibility of the commissioners, but not commonly applied. The CAO option would retain five part-time commissioners to address higher county-level issues other than daily nominal business.

B) Another option suggested by the public would be a Charter County. Still, a CAO would be beneficial to ensure daily duties are applied and nominal agenda items are addressed, while part-time Commissioners address major issues.

Elect Tom Roark for Lake County Sheriff 2022

Accountability & Integrity

I moved to Silver Lake with my wife, Hayley, in the fall of 1988. There, we raised our three boys who each graduated from North Lake High School. In 1994, I was recruited by Sheriff Pepper Withers as a reserve Deputy Sheriff, and my Law Enforcement career was launched. I continued as a Reserve Deputy for about 5 ½ years, before being hired full time to work in the North Lake County area, where I currently still serve as a Patrol Sergeant.

My Training and education include Central Oregon Reserve Law Enforcement Academy, Department of Safety Standards and Training Basic Police Academy, Deputy Sheriff's Academy, the Oregon State Police Medical Examiner's Medicolegal Death investigator program, over 2200 hours in all. I currently hold a Basic, Intermediate, and Advanced certification from Department of Safety Standards and Training. I have an Associates of Arts degree from the University of Phoenix in Criminal Justice.

I am proud of the working relationships I have developed with partnering agencies such as the District Attorney's Office, Lake County Community Corrections, (Adult and Juvenile Parole and Probation) DHS Child Welfare, Adult Protective Services, as well with Mental Health staff in Lake County. I have connected with Oregon State Police and work with their major crime units, patrol, Game Enforcement and the OSP Crime Lab in Bend and Clackamas. Other neighboring agencies both surrounding counties and other agencies to include Department of Interior BLM and USDA Forest Service.

One specific issue I would address as your Sheriff of Lake County is the rise of criminal activity throughout the county. I will recognize the community policing aspect of law enforcement this includes implementing community education and community involvement programs, such as citizens academy and neighborhood watch programs. By working together, we can make a difference in the reduction of crime.

I am proud of my tenure in the Lake County Sheriff's Office and want to continue to serve the citizens of Lake County as I have the past 28 years. Lake County is a great place to live and raise a family. My wife Hayley and I proudly raised all three of our boys in North Lake County. This vast county has so much to offer and continuing to be associated with the Lake County Sheriff's Office as your Sheriff will be an honor.

Sweet-Potato-and-Cauliflower Mash

No white potatoes here! Just sweet potatoes and cauliflower mashed until silky and amped up with milk, butter, and a touch of nutmeg and cayenne.

Ingredients:

Kosher salt and freshly ground pepper

2 1/2 pounds sweet potatoes (4 medium), peeled and cut into 2-inch pieces

1 head cauliflower (2 pounds), cored and cut into large florets

2/3 cup whole milk

1 stick unsalted butter

Pinch of freshly grated nutmeg

Pinch of cayenne pepper

Step 1

Bring a large pot of salted water to a boil. Add sweet potatoes and return to a boil, then reduce heat and simmer 8 minutes. Add cauliflower; return to a boil, then reduce heat and simmer until potatoes and cauliflower are very tender, 10 to 12 minutes. Drain and return vegetables to pot. Place over medium heat and cook, stirring, until a film forms on bottom of pot, 1 to 2 minutes.

Step 2

Combine milk, butter, nutmeg, and cayenne in a small pot. Bring just to a simmer. Add to cauliflower-potato mixture and mash. Season with salt and pepper. Serve immediately, or keep warm in a heatproof bowl set over a pot of simmering water up to 1 hour. Mash can be rewarmed by adding about 1/4 cup milk and stirring over low heat.

CRITTER CORNER

Photo by Janel Christman

Goldie, the Golden-Mantled ground squirrel, says it is time to stock up for a good winter's nap. These squirrels hibernate in dens that can reach up to 100 feet in length although they are typically shallow in depth. The breeding season commences when males and females emerge from hibernation in the spring. Most broods are born in July. A female has two to eight young per litter, with an average of five. There is no paternal care of the offspring. Juveniles resemble adults by 40 days of age. The life span of this ground squirrel is up to about seven years.

KLAMATH FALLS — Community members in Klamath Falls and surrounding areas are invited to attend an open house to learn how to become a licensed teacher without leaving Klamath County through Klamath Community College (KCC) and Southern Oregon University (SOU).

The event is Monday, Nov. 7, at 5:30 p.m. in the KCC Business Center (Building 7). This year marks an in-person return for the annual public information session, which was presented virtually previously due to COVID-19 restrictions.

Representatives from KCC and SOU are jointly hosting the open house to share information about their partnership, which allows students registered at SOU to complete a Bachelor of Science in Elementary Education at KCC.

"Teaching continues to be a highly rewarding profession with strong employment opportunities across the state," said KCC Education Program Lead Peggy Bullock. "If you've ever thought about teaching in a K-12 schooldistrict, the first step is entering an approved teaching program."

KCC and Southern Oregon University to host education program open house.

Bullock said the program is designed to be flexible to meet students' needs and up to 75% of the program courses can be completed fully online. Class must be attended at SOU's campus one Saturday per month.

"There are also opportunities to complete all required student teaching locally," she said.

The KCC-SOU collaboration provides a clear pathway for students in the Klamath Falls area to earn a bachelor's degree and provides options for earning a teaching license and/or a minor in early childhood development.

Community members who already hold a bachelor's degree and want to become teachers can also get information about earning a teaching license. Options include a K-12 special education teaching license, a second bachelor's degree with licensure, and the Master of Arts in Teaching at SOU.

For more information, contact Susan Faller (SOU) at fallers@sou.edu, 541-552-6919, or Peggy Bullock (KCC) at bullock@klamathcc.edu, 541-880-2336
