Next Desert Whispers DEADLINE

7 DAYS PRIOR

to publication on the 15th of the month.

DESERT WHISPERS

The intent of *DESERT WHISPERS* is to publish a variety of information from all aspects of life in North Lake County. We neither support nor condemn any ideas, creed, religion, custom, attitude, belief or law. Opinions expressed are not necessarily the opinions of the Christmas Valley Park and Recreation District Board members, staff, personnel or advertisers. The Christmas Valley Park and Recreation District is not responsible for errors in articles and/or ads submitted to be published without change. The Christmas Valley Park and Recreation District Board of Directors reserves the right to reject any submitted material for any reason.

DESERT WHISPERS welcomes letters to the Editor. Letters should be printed or written clearly. Each letter **must be signed**. *DESERT WHISPERS* reserves the right to condense long letters or to edit for content. We will avoid this whenever possible. *DESERT WHISPERS* reserves the right to judge the acceptability of a letter in regards to vulgarities, profanities, or slanderous content.

Deadlines for *DESERT WHISPERS* are at least seven (7) Days before issue dates of the 1st and 15th of each month. Please have your ad or article to the *DESERT WHISPERS* office BEFORE the published deadline. If the ad or article is NOT received by 2 pm on the deadline, it may not make it into that issue. Ads and articles can be received by mail, by e-mail, or dropped off at the office.

- Karen Morgan, Editor

Renting the Christmas Valley Community Hall

The Christmas Valley Community Hall, located at 87345 Holly Lane, in Christmas Valley, is available for rent.

A refundable cleaning/damage deposit of \$50 is required for the rental of the building. The deposit will be returned if the building is left in the same (or better) condition as you found it.

At the conclusion of your event, if the heater in the main area of the hall is not turned down to 52 (as the instructions posted state), you will be billed \$9.00/hr for fuel, until the setting is corrected.

Call Christmas Valley Park and Recreation for availability:
541-576-2216.

 Christmas Valley to La Pine
 Shopping Shuttles are scheduled for
 every Wednesday leaving from the
 CV Community Center at 8 a.m.
 Stops vary depending upon riders'
 needs. Please call Linda at 541-947-
 4966 ext. 106 to schedule. Bus fares
 are *not* required, although donations
 are accepted and encouraged for
 shopping trips.
Routine Medical Trips:

- La Pine
- Bend
- Portland

 Call our new Transportation
 Coordinator, Linda, to be scheduled
 to join any of these trips, or to in-
 quire about additional trips as they
 come in.

 Promoting the health and safety of
 all Lake County residents is our mis-
 sion. We encourage seniors, those
 with disabilities, and those who do
 not have other access to safe trans-
 portation to call us about availabil-
 ity. Our vehicles are ADA-approved
 for those with mobility aids, such as,
 wheelchairs, walkers, etc.

 Per OHA and ODOT requirements
 under the COVID pandemic, rid-
 ers and drivers are required to wear
 masks or face coverings at all times.
 Vehicles are disinfected between each
 trip, and a 6 foot minimum distance
 must be maintained between driver
 and each rider-household at all times.

 If you have OHP, please call:
 EOCCO Ride Share at 877-875-4657
 for non-emergency medical
 transport.

Christmas Past

HARRIS&EWING /LIBRARY OF CONGRESS

Mr. Claus goes to Washington

These days, our skies are filled with everything from drones to jumbo jets, and we're struggling to regulate all of them. Back in the law-abiding past, Santa himself went to the Department of Commerce in our nation's capital to obtain his official airplane pilot's license and get flight maps from government officials. Here, Assistant Secretary of Commerce for Aeronautics William P. MacCracken (left) and Director of Aeronautics Clarence M. Young, in 1927, as well as their assurances that airways would be lit come Christmas Eve.

Big new toys

"My husband, Preston Reeves, was just 18 months old when he received this Jet-Flow Drive Station Wagon for Christmas in 1952," says Ginger Crick Reeves of Pinson, Alabama. "As you can tell by the look on his face, this pedal car was the most exciting thing he had ever seen. He was so excited he could barely contain himself and had to give his new toy a big hug!"

The Three Candles

When the Christmas-tide drew nigh,
On a shelf three candles bright,
Two were red and one was white,
Waited for who came to buy.

Said the first one, "I shall be
Chosen for a Christmas-tree!"
Said the second, "I shall light
Christ Jesus on His way to-night!"
Then the third one sighed, "Ah me,
I know not what my lot will be!"

When the dark fell, bright and gay
The first candle burned away,
Red as all the berries red
On the holly overhead,
While the children in their glee
Danced around the Christmas-tree.

And the second, twinkling bright,
Poured forth all its golden light
Through a window decked with green
Garlands and red ribbons' sheen,
So the Christ-child when He came
Might be guided by its flame.

But the third one in the gloom
Of a bare and cheerless room
Softly burned where long had lain
A poor little child in pain,
And the baby in its bed
By the light was comforted.

When the Christ-child passed that night
All three candles gave Him light,
But the brightest was the spark
By the baby in the dark.

PUBLIC NOTICE

Several of the properties in the Christmas Valley township have utility easements for the Christmas Valley Water District.

When you have a utility easement on your property, the utility company/Water District may have a range of legal rights.

A few restrictions you might face include:

- Utility company/Water District access without your approval.
- Utility company/Water District may restrict your use of the easement when your use can harm underground water mains, valves, water meters, and the like.
- Restrictions on physical alterations: You may want to make an improvement to a certain section of your property. But the utility easement may prevent certain upgrades, such as erecting a fence or a gate.
- Vegetation restrictions: The utility company may require regular access to a particular area and constantly tear up your garden. Additionally, many utility easements limit the planting of major trees in a specified area.

If you're considering purchasing a property with a utility easement, take some time to research the local laws and regulations.

If you have questions regarding your utility easement call:
(541) 576-2090 or (541) 947-6921

Fun and Easy Christmas Craft

String Snowflake

Let it snow! Trace the shape of a snowflake onto a wood board, then mark the shape with pins. Using white string, create web patterns until a beautiful snowflake appears. KCC NURSING BRIDGE PROGRAM APPROVED BY STATE BOARD

Klamath Community College will begin a bridge program allowing Licensed Practical Nurse students and actively practicing LPN's to join the Registered Nurse program starting in 2023.

KLAMATH FALLS — Oregon State Board of Nursing (OSBN) has approved a proposed bridge program at Klamath Community College to allow active Licensed Practical Nurses (LPN) to now pursue Registered Nursing (RN) certification.

As staffing permits, KCC intends to recruit up to four practicing Licensed Practical Nurses as well as four active LPN students to begin the second year of KCC's RN Program, beginning in the Fall 2023 term. Last July KCC was approved to revive its LPN program by OSBN, effectively doubling the number of nursing program graduates produced at KCC each year.

Previously offered as a fast-track licensure to begin seeking employment as a nurse after one year, the LPN program was deactivated at KCC in 2015 per OSBN mandate when KCC petitioned to launch a Registered Nurse (RN) program. Following the reactivation of the LPN program this year, a bridge program opportunity for currently practicing Licensed Practical Nurses to advance to Registered Nurse

licensure was also sought and recently approved.

Licensed Practical Nurses operate in a team-based supervised practice under guidance of a Registered Nurse, with the trend being that LPNs care for stable patients while RNs treat more severe or unstable patients. At KCC LPN cohorts undergo one

through the newly-approved bridge.

There presently is no work experience path for an LPN to advance to RN status, necessitating the need for a bridge program to provide career advancement opportunities for active LPNs to return to school. The typical annual salary difference between an LPN and RN is around \$20,000-30,000.

Acceptance into the KCC Nursing and Bridge programs require minimum completion of pre-requisite general education coursework while maintaining a 3.0 GPA or higher, and passing a 10-panel drug screen and criminal background check. Preference is given to students who are multi-lingual. Practicing LPNs accepted into the bridge program will be required to take an eight-week transition course during the summer term prior to the start of fall courses.

With KCC's Nursing Program growing, there is also a need for qualified faculty. Experienced nurses interested in participating in the KCC Nursing Program should contact Allison Sansom for instruction opportunities at 541-880-2223.

For more information about the KCC Nursing Program visit www.klamathcc.edu. Additional information and an application for the bridge program will be available starting in January.

photo by Kurt Liedtke

year of coursework followed by state licensure testing, while RN students participate in a two-year program. Both cohorts require a rigorous pre-requisite course load and scoring system prior to entry into the KCC Nursing Program as well as practicing LPNs seeking entry into the program

Cold Weather Pet Safety Tips

1

Never leave your pet in a car!
A car can act as a refrigerator in the winter, and cause the animal to freeze.

2

Don't let cats outside. They can get lost, be exposed to infectious diseases, freeze, and get injured in the open.

3

Clean antifreeze spills or leaks to help avoid accidental poisoning by this sweet-tasting but very lethal chemical.

4

Wipe your dog's paws, legs and stomach to remove salt and other chemicals that can be harmful if ingested.

5

Avoid halts in the winter as a fuller coat provides more warmth. A coat or sweater also helps retain heat.

Visit [ASPCA Pet Insurance](https://www.aspcapetinsurance.com/blog-for-more-pet-safety-tips/) for more pet safety tips!

HOW TO MAKE CROCKPOT APPLE CIDER

Ingredients:

- *Mulling Spices - 2 tablespoons of mulling spices.*
- *Apple Juice - 8 cups of apple juice.*
- *Brown Sugar - ¼ cup of brown sugar.*
- *Orange - 1 orange (optional, sliced).*
- *Apple - 1 apple (optional, sliced).*

With only 5 minutes of prep time, this crockpot apple cider recipe is truly hands-off! Gather your crockpot (slow cooker), chef's knife, and measuring cups to get started!

This apple cider will yield about 8 servings (½ gallon)! If you have extra crockpots, you can double or triple this recipe for large holiday parties!

Prep spices. Place 2 tablespoons of mulling spices in a double layer of cheesecloth and bring up the sides to form a 'bag', tie closed with a string (*see note). Add ingredients. Add the 8 cups of apple juice, ¼ cup brown sugar, and mulling spices to your crockpot or slow cooker. Stir until brown sugar dissolves. Place fruit on top. Lay apple and orange slices on top of the cider and replace the lid of your crockpot.

Cook on low for 2-3 hours or high for 1 ½ hour. Garnish with sliced fruit or cinnamon sticks, if desired, and serve while warm.

BE PREPARED FOR A WINTER STORM

**FEMA**

FEMA V-1014/June 2018

Winter storms create a higher risk of car accidents, hypothermia, frostbite, carbon monoxide poisoning, and heart attacks from overexertion.

Winter storms and blizzards can bring extreme cold, freezing rain, snow, ice, and high winds.

Greater risk

Can last a few hours or several days

Can knock out heat, power, and communication services

IF YOU ARE UNDER A WINTER STORM WARNING, FIND SHELTER RIGHT AWAY

Stay off roads.

Use generators outside only.

Stay indoors and dress warmly.

Listen for emergency information and alerts.

Prepare for power outages.

Look for signs of hypothermia and frostbite.

Check on neighbors.

HOW TO STAY SAFE WHEN A WINTER STORM THREATENS

Know your area's risk for winter storms. Extreme winter weather can leave communities without utilities or other services for long periods of time.

Prepare your home to keep out the cold with insulation, caulking, and weather stripping. Learn how to keep pipes from freezing. Install and test smoke alarms and carbon monoxide detectors with battery backups.

Pay attention to weather reports and warnings of freezing weather and winter storms. Sign up for your community's warning system. The Emergency Alert System (EAS) and National Oceanic and Atmospheric Administration (NOAA) Weather Radio also provide emergency alerts.

Gather supplies in case you need to stay home for several days without power. Keep in mind each person's specific needs, including medication. Do not forget the needs of pets. Have extra batteries for radios and flashlights.

Create an emergency supply kit for your car. Include jumper cables, sand, a flashlight, warm clothes, blankets, bottled water, and non-perishable snacks. Keep the gas tank full.

Learn the signs of and basic treatments for frostbite and hypothermia. For more information, visit: www.cdc.gov/disasters/winter/staysafe/index.html.

Stay off roads if at all possible. If trapped in your car, stay inside.

Limit your time outside. If you need to go outside, wear layers of warm clothing. Watch for signs of frostbite and hypothermia.

Avoid carbon monoxide poisoning. Only use generators and grills outdoors and away from windows. Never heat your home with a gas stovetop or oven.

Reduce the risk of a heart attack. Avoid overexertion when shoveling snow.

Watch for signs of frostbite and hypothermia and begin treatment right away.

Check on neighbors. Older adults and young children are more at risk in extreme cold.

Frostbite causes loss of feeling and color around the face, fingers, and toes.

- **Signs:** Numbness, white or grayish-yellow skin, and firm or waxy skin.
- **Actions:** Go to a warm room. Soak in warm water. Use body heat to warm. Do not massage or use a heating pad.

Hypothermia is an unusually low body temperature. A temperature below 95 degrees is an emergency.

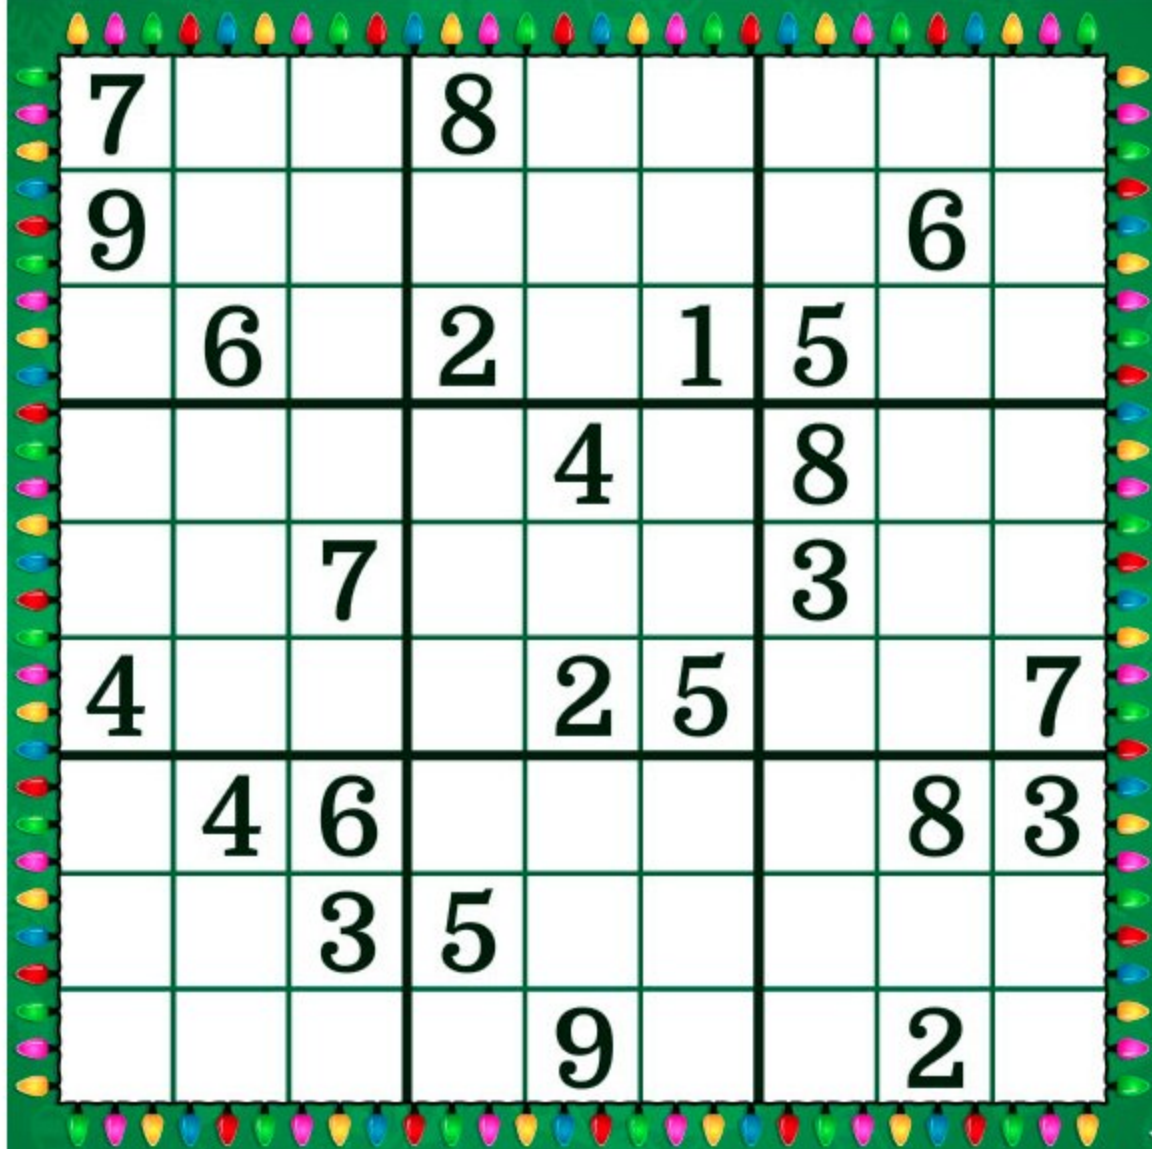

- **Signs:** Shivering, exhaustion, confusion, fumbling hands, memory loss, slurred speech, and drowsiness.
- **Actions:** Go to a warm room. Warm the center of the body first—chest, neck, head, and groin. Keep dry and wrapped up in warm blankets, including the head and neck.

Take an Active Role in Your Safety

Go to Ready.gov and search for **winter storm**. Download the **FEMA app** to get more information about preparing for a **winter storm**.

Snowball

I made myself a snowball,
As perfect as could be,
I thought I'd keep it as a pet
And let it sleep with me.
I made it some pajamas,
And a pillow for its head,
Then last night it ran away,
But first - it wet the bed!

~ Shel Silverstein

suicidepreventionlifeline.org

SUICIDE WARNING SIGNS

These signs may mean someone is at risk for suicide. Risk is greater if a behavior is new or has increased and if it seems related to a painful event, loss, or change.

- Talking about wanting to die or to kill oneself.
- Looking for a way to kill oneself, such as searching online or buying a gun.
- Talking about feeling hopeless or having no reason to live.
- Talking about feeling trapped or in unbearable pain.
- Talking about being a burden to others.
- Increasing the use of alcohol or drugs.
- Acting anxious, agitated or behaving recklessly.
- Sleeping too little or too much.
- Withdrawing or feeling isolated.
- Showing rage or talking about seeking revenge.
- Displaying extreme mood swings.

Suicide Is Preventable. Call the Lifeline at:
1-800-273-TALK (8255).
