Next Desert Whispers DEADLINE  
**7 DAYS PRIOR**  
 to publication on the 15th of the month.

## DESERT WHISPERS

The intent of *DESERT WHISPERS* is to publish a variety of information from all aspects of life in North Lake County. We neither support nor condemn any ideas, creed, religion, custom, attitude, belief or law. Opinions expressed are not necessarily the opinions of the Christmas Valley Park and Recreation District Board members, staff, personnel or advertisers. The Christmas Valley Park and Recreation District is not responsible for errors in articles and/or ads submitted to be published without change. The Christmas Valley Park and Recreation District Board of Directors reserves the right to reject any submitted material for any reason.

*DESERT WHISPERS* welcomes letters to the Editor. Letters should be printed or written clearly. Each letter **must be signed**. *DESERT WHISPERS* reserves the right to condense long letters or to edit for content. We will avoid this whenever possible. *DESERT WHISPERS* reserves the right to judge the acceptability of a letter in regards to vulgarities, profanities, or slanderous content.

Deadlines for *DESERT WHISPERS* are at least seven (7) Days before issue dates of the 1st and 15th of each month. Please have your ad or article to the *DESERT WHISPERS* office BEFORE the published deadline. If the ad or article is NOT received by 2 pm on the deadline, it may not make it into that issue. Ads and articles can be received by mail, by e-mail, or dropped off at the office.

## Renting the Christmas Valley Community Hall

The Christmas Valley Community Hall, located at 87345 Holly Lane, in Christmas Valley, is available for rent.

A refundable cleaning/damage deposit of \$50 is required for the rental of the building. The deposit will be returned if the building is left in the same (or better) condition as you found it.

At the conclusion of your event, if the heater in the main area of the hall is not turned down to 52° (as the instructions posted state), you will be billed \$9.00/hr for fuel, until the setting is corrected.

Call Christmas Valley Park and Recreation for availability:  
 541-576-2216.

Call our new Transportation  
Coordinator, Linda, to be scheduled  
to join any of these trips, or to in-  
quire about additional trips as they  
come in.

Promoting the health and safety of  
all Lake County residents is our mis-  
sion. We encourage seniors, those  
with disabilities, and those who do  
not have other access to safe trans-  
portation to call us about availabil-  
ity. Our vehicles are ADA-approved  
for those with mobility aids, such as,  
wheelchairs, walkers, etc.

Per OHA and ODOT requirements  
under the COVID pandemic, rid-  
ers and drivers are required to wear  
masks or face coverings at all times.  
Vehicles are disinfected between each  
trip, and a 6 foot minimum distance  
must be maintained between driver  
and each rider-household at all times.

If you have OHP, please call:  
EOCCO Ride Share at 877-875-4657  
for non-emergency medical  
transport.

## Klamath Community College in development of well drilling program

By KURT LIEDTKE, for Klamath Community College

**KLAMATH FALLS** – Addressing a major need in the Klamath Basin, Klamath Community College will soon launch a new well drilling program that will provide training for licensure of well drillers and well construction workers.

Partnered closely with KCC's welding program, students will acquire a welding and pipe welding certificate, and be instructed in well construction – including 90 hours of hands-on training for vertical and horizontal drilling. The program will also include job site safety training, and preparation for testing on laws and codes to acquire well drillers licensure, and the American Welding Society's pipe welding certification.

"We are happy to work with current professionals in the field to train the next generation of state-qualified well drillers," said Chris Stickles, KCC dean of Career and Technical Education.

Need for licensed well drilling or well expansion on rural and agriculture properties remains a high-demand career path in Southern Oregon and beyond, particularly in times of sustained drought where some wells have gone dry or may require deepening. The KCC well drilling program will increase the availability of workers who are licensed and proficient in this important trade skill.

Earlier this month, Oregon's Joint Legislative Emergency Board approved \$975,000 in funding for KCC through the Oregon Higher Education Coordinating Commission (HECC) to invest in the well drilling program and a well drilling rig.

"This is a great example of many parties working together to fulfill a common interest and address a serious need in our community," said KCC President Dr. Roberto Gutierrez. "Thank you to HECC, the Oregon Legislature, Rep. Werner Reschke, and others who played an instrumental role in securing the funding to help us train more certified well drillers that are so desperately needed today and into the future."

The program is scheduled to begin with winter term 2023 starting in January, with participating students recruited directly from the KCC Welding program.

For more information visit [www.klamathcc.edu](http://www.klamathcc.edu).

## Christmas Valley Park and Recreation District

invites everyone to enjoy  
the Park and Rec properties.

We ask that while enjoying  
the properties; specifically,  
the Golf Course, the Rodeo  
Grounds, the playground, the  
multi-use field and Baert Lake,  
that you be a good steward  
and please do not litter, please  
maintain control of your pets  
by keeping dogs on a leash  
and/or maintaining constant  
supervision. If your dog should  
defecate on the premises, please  
be sure to pick up after it.

Horses and camping are only  
permitted at the Rodeo Grounds.

Being good stewards and taking  
pride in these properties reflects  
on our community as a whole.

Thank you for your continued  
support of Christmas Valley  
Park and Recreation District.

## PUBLIC NOTICE

Several of the properties in the Christmas Valley township have utility easements for the Christmas Valley Water District.

When you have a utility easement on your property, the utility company/Water District may have a range of legal rights.

A few restrictions you might face include:

- Utility company/Water
- District access without your approval.
- Utility company/Water
- District may restrict your use of the easement when your use can harm underground water mains, valves, water meters, and the like.
- Restrictions on physical alterations: You may want to make an improvement to a certain section of your property. But the utility easement may prevent certain upgrades, such as erecting a fence or a gate.
- Vegetation restrictions: The utility company may require regular access to a particular area and constantly tear up your garden. Additionally, many utility easements limit the planting of major trees in a specified area.

If you're considering purchasing a property with a utility easement, take some time to research the local laws and regulations.

If you have questions regarding your utility easement call:  
(541) 576-2090 or (541) 947-6921

### ADRC

Aging and Disability  
Resource Connection  
www.adrcoregon.org

NO WRONG DOOR

The first contact to make for information and resources related to aging or living with a disability

#### What are ADRCs?

ADRCs provide information and services to seniors, people with disabilities, their families and caregivers regardless of income. With a statewide searchable database, consumers are able to access over 6,000 resources: [www.adrcoregon.org](http://www.adrcoregon.org). There is also a statewide toll free number:

1-855-ORE-ADRC (1-855-673-2372).

It is one name, one number, and one website to make it easier for Oregonians to find the information and help they need.

#### ADRC Core Services:

- Information, referral and awareness
- Options counseling and assistance
- Access to public and privately funded long-term care programs

# *In Loving Memory*

## ***Nellie Lee Ann Brown-Davis***

***July 23, 1952 ~ December 16, 2022***

Nellie Lee ann Brown-Davis passed away at her home in Christmas Valley after a lingering illness. She had been pretty reclusive since 2020 when the COVID-19 pandemic began.

Previously, she was very active in the Christmas Valley community as an ambulance driver for North Lake EMS and as a firefighter for the CV Volunteer Fire Department. She was active in the Friends of the Library, the CV Booster's Club and a volunteer helper with the CV Food Share.

She is survived by her husband, Herbie Davis.

*My sincere thank you to the North Lake EMS and AirLink personnel,  
the CV Fire Department crew and the Sheriff's deputies who all made an  
outstanding effort to try to save Lee Ann's life on December 16th, 2022.*

*~ Herbert Allen Davis*

Daniel James Matney

"DJ"

"MacGyver"

On the night of November 17<sup>th</sup>, 2022, Daniel James Matney made his way home to be with his queen Cynthia at the age of 77.

Daniel was born in 1945 in Medford, Oregon to Hazel Brower and Jim Harold Matney. Daniel Joined the army in the 1950's and was sent to Korea. After his appendix burst and he was life flighted out of Korea, he became a chauffeur for the pentagon. After being discharged from the Army he went into small engine repairs and ran his own little shop, he was always tinkering on small engines it was one of his favorite things to do. In 1977 he met my mom the lovely and beautiful Cynthia and fell in love. Two years later he became step dad to a baby boy David, six years later they gave birth to a baby girl Brenda, and four years after that they had a baby boy Harold. They were their pride and joy. Everything revolved around his children. He loved being a dad.

Daniel was an avid wood worker. He loved to work in the wood shop creating wooden toys for his children. He made a swing set, toy trains, bird houses, art to hang on the wall, his daughters and sons' cribs, toy boxes and more. He loved working on small engines and rebuilding them and creating new and improved ride on mowers with snowplows, tractors from the ground up, welding and all. He also built barns, sheds, chicken coops, and bird cages. One of our fondest memories growing up as kids was the nighttime rides on the farm up in Gates, Oregon where we would look at constellations and meteor showers. Daniel loved teaching us new things.

At the age of 65, in 2010 Daniel and his wife Cynthia moved to their land in Christmas Valley, Oregon where they built their homestead from the ground up. They spent their first year in their chinook, working on their house. Once it was done, they moved into it and started the next project, which was the chicken coop and the shop. He then constructed an old-fashioned cabin that his daughter stayed in for a while during the summer with her five children. Daniel put his heart and soul into his off-grid dream. He was a pioneer, that loved to build. He wanted nothing more then to have a life full of love and freedom. Living with him on the land I learned so much about how to survive on the land and make do.

Daniel is preceded in death by his Father Jim, his mother Hazel, his wife Cynthia, His sisters Lucille, and Joan, as well as cousins, nieces, nephews, uncles, aunts, and friends. He is survived by his Son David, Daughter Brenda, and Son Harold, as well as several cousins, nieces, and nephews.

## New Year Fun Facts

### *Who made January 1 the first of the year?*

Throughout antiquity, civilizations around the world developed increasingly sophisticated calendars, typically pinning the first day of the year to an agricultural or astronomical event. In Egypt, for instance, the year began with the annual flooding of the Nile, which coincided with the rising of the star Sirius. The first day of Lunar New Year (also called Chinese New Year), meanwhile, occurred with the second new moon after the winter solstice.

In ancient Rome, the original calendar consisted of 10 months and 304 days, with each new year beginning at the vernal equinox; according to tradition, it was created by Romulus, the founder of Rome, in the eighth century B.C.

Over the centuries, the calendar fell out of sync with the sun, and in 46 B.C. Julius Caesar decided to solve the problem by consulting with the most prominent astronomers and mathematicians of his time. He introduced the Julian calendar, which closely resembles the more modern Gregorian calendar that most countries around the world use today. As part of his reform, Caesar established January 1 as the first day of the year, partly to honor the month's namesake: Janus, the Roman god of beginnings, whose two faces allowed him to look back into the past and forward into the future.

In medieval Europe, Christian leaders replaced January 1 as the first of the year with days carrying more religious significance, such as December 25 (the anniversary of Jesus' birth) and March 25 (the Feast of the Annunciation). Pope Gregory XIII reestablished January 1 as New Year's Day in 1582.

### *What do Paul Revere, J. Edgar Hoover, Lorenzo de Medici, Betsy Ross and Pope Alexander VI have in common?*

All of these historical figures came into the world on January 1. According to tradition, babies born on the first of the year grow up to enjoy the luckiest of lives, bringing joy and good fortune to those around them.

The use of a baby as a personification of the new year has been traced to ancient Greece, where an infant in a basket was paraded around to mark the annual rebirth of Dionysus, the god of wine and fertility. Sometimes accompanied by Father Time, "Baby New Year" has appeared in banners, cartoons, posters and cards for several hundred years.

### *What are some traditional New Year's foods?*

At New Year's Eve parties and celebrations around the world, revelers enjoy meals and snacks thought to bestow good luck for the coming year. In Spain and several other Spanish-speaking countries, people bolt down a dozen grapes—symbolizing their hopes for the months ahead—right before midnight. In many parts of the world, traditional New Year's dishes feature legumes, which are thought to resemble coins and herald future financial success; examples include lentils in Italy and black-eyed peas in the southern United States.

Because pigs represent progress and prosperity in some cultures, pork appears on the New Year's Eve table in Cuba, Austria, Hungary, Portugal and other countries. Ring-shaped cakes and pastries, a sign that the year has come full circle, round out the feast in the Netherlands, Mexico, Greece and elsewhere. In Sweden and Norway, meanwhile, rice pudding with an almond hidden inside is served on New Year's Eve; it is said that whoever finds the nut can expect 12 months of good fortune.

## Cold Weather Pet Safety Tips

1

Never leave your pet in a car!  
A car can act as a refrigerator in the winter, and cause the animal to freeze.

2

Don't let cats outside. They can get lost, be exposed to infectious diseases, freeze, and get injured in the open.

3

Clean antifreeze spills or leaks to help avoid accidental poisoning by this sweet-tasting but very lethal chemical.

4

Wipe your dog's paws, legs and stomach to remove salt and other chemicals that can be harmful if ingested.

5

Avoid blankets in the winter as a fuller coat provides more warmth. A coat or sweater also helps retain heat.
