The Easter Story for Children

Why do we celebrate Easter? Easter is a time to celebrate the death and resurrection of Jesus.

God sent Jesus to earth because He loves us. While He lived on earth, Jesus did many wonderful things. He made sick people well. He showed them how to be kind to each other and love one another. He taught God's truth to everyone He met, and He forgave the bad things people did to Him and each other. But the best thing Jesus ever did was die on the cross to save us from our sins.

All His friends, called disciples, loved Jesus and believed He was God's Son. But other people hated Jesus. They didn't like to hear the truth He shared because they liked doing things their own way. They wanted to hurt Jesus and make Him go away.

After Jesus ate supper with His disciples one evening, He went into the garden to pray. The men who didn't like Jesus sent soldiers into the garden to arrest Him. The soldiers hurt Jesus and sent Him to die on the cross.

After Jesus died, they placed Him in a dark cave called a tomb and rolled a heavy stone in front of the cave entrance. Jesus's disciples were very sad that they could not see Jesus anymore.

On the third day after His death, some of His friends went to the tomb and were shocked to find that the stone was rolled away, and the dark cave was empty!

His friends were scared and sad because they didn't know what had happened to Jesus's body. But then an angel appeared and told them that Jesus had risen from the dead! Their fear and sadness turned to excitement and joy. Yes, Jesus was alive! He is still alive today!

In Loving Memory of

**Grayce Elizabeth Ann
(Beth Ann) Morse**

April 30, 1944 ~ March 7, 2023

Beth Ann passed peacefully at her 'Home Camp' in Christmas Valley, Oregon on March 7th, 2023. Beth Ann was 78 years old.

Beth Ann was born in Flint, Michigan on April 30th, 1944. She was the youngest of five children born to Arless and Helena Osborn.

February 3rd of 1962 Beth Ann married Richard P. Morse in Holly, Michigan. In 1967 Beth Ann moved her family to the high desert of Oregon, living for a time in Burns and Fort Rock before settling their home, which she lovingly called 'Home Camp' in Christmas Valley.

Beth Ann wore many hats in her lifetime; she was a rancher's wife, mother and homemaker, switchboard operator, waitress, camp cook on cattle drives and also farmed for Leroy Horton and Chuck Nofziger. Beth Ann became bus driver in 1989 for the Christmas Valley area, driving bus #10. She had a flock of kids on her route with whom she had adopted into her heart. After retiring she drove for the county transporting persons to appointments.

Beth Ann loved her family, horses, crafts, motorcycles, her Christmas Cacti and Mt. Dew soda, but most of all she loved her Lord, Jesus Christ. Beth Ann was a prayer warrior, she read and gave away many Bibles in which she marked important passages. She was a long time member of The Well in the Wilderness Church in Christmas Valley, Oregon.

Beth Ann is preceded in death by her husband, Rick, her parents, her daughter, Karen, her son, Terry, her sisters, Pat, Sharon and Faye, and her brother, Dale.

Beth Ann is survived by her sons, Richard (Marlene) & Christopher McLean; adopted daughter, Patty Benson (Ron); Grandchildren Zeb, Kristianna (Sean); Ethan & Austin; great grandchildren, Emmett, Reagan & Isabelle. She also leaves behind many nieces, nephews and other beloved family members.

A few restrictions you might face include:

- District access without your approval.
- Utility company/Water
- District may restrict your use of the easement when your use can harm underground water mains, valves, water meters, and the like.
- Restrictions on physical alterations: You may want to make an improvement to a certain section of your property. But the utility easement may prevent certain upgrades, such as erecting a fence or a gate.
- Vegetation restrictions: The utility company may require regular access to a particular area and constantly tear up your garden. Additionally, many utility easements limit the planting of major trees in a specified area.

If you're considering purchasing a property with a utility easement, take some time to research the local laws and regulations.

BUDGET COMMITTEE MEMBERS NEEDED

Most local governments in Oregon, from the smallest Cemetery district to the largest city, must prepare and adopt an annual budget. Schools, counties, cities, rural fire protection districts, and most special districts are all subject to the same budget provisions.

Electors are registered voters in the district.

Cannot be officers, agents or employees.

All members have the same authority and are appointed for staggered 3-year terms.

If the district can't fill all appointed members, the Committee can be fewer.

Foster Families Needed

Did you know, there are over 120 children and over 90 families being affected by foster care in Klamath and Lake counties? Did you also know that you can help? Currently, our foster care program needs individuals and families alike to become certified resource parents so we can support these families and children during their journey toward reunification, which means we need homes that are able and willing to learn how to be temporary caregivers for children entering foster care. Our community is unique and so are the families and youth impacted by foster care who live in it. We need YOU, because together, we can make a difference for our community. We are inviting compassionate, curious, and supportive individuals, couples, and families to come forward to be certified resource parents.

What is a Resource Home/Parent you may ask? Recently, The Oregon Department of Child Welfare (ODHS) began using the term 'resource parent' in lieu of 'foster parent' as it reflects the vital resource and support that these caregivers provide to the whole family system. When children can't stay with their families, safe and nurturing resource homes are needed where children and youth may live temporarily. When a child or youth comes into the care of ODHS, reunification is always the first and preferred plan. As a resource parent you will provide for the safety, health and wellbeing of the children and youth you are caring for until they can safely reunite with their families. Resource parents are key partners in achieving the best outcomes for families.

As a resource parent, you will provide daily care, support family time also known as visitation, and give children and youth a safe and supportive home for a few days, a few months, and sometimes longer. Resource parents are affirming and ensure cultural and community connections for children, youth, and young adults. The process to become certified includes an application, fingerprinting and background check, home study, home safety inspection and 27 hours of required, ODHS provided online training. Regular foster care is only one way to help support families. We also need people to help provide emergency/weekend care and respite care. Emergency/weekend care is an on-call type service for those instances when a child(ren) needs a home to stay in outside of regular business hours, such as late night or on the weekends. This is a short-term stay until a regular resource home can be identified. Alternatively, certified respite care is a relief style service for current resource parents. As a certified respite provider, you could offer to give a resource family a break for an afternoon or for several days. This helps support current resource parents so they can do self-care, get caught up on trainings or other life situations that we all experience. Lastly, you could become a volunteer driver to help support the resource families get children and youth to important appointments.

There is often confusion about what being a resource parent is like and what the qualifications are. You don't have to be married. You don't have to own your own home. You don't have to be a stay-at-home parent, and past involvement with law enforcement does not automatically exclude you, we can talk about this too! Our resource parents are from all backgrounds, cultures and walks of life and if you think you might be interested, we want to talk with you about how you can help support children and families in the foster care system.

Currently, we are especially seeking resource homes that are willing to welcome children with higher behaviors than the average child and that are willing to gain the extended skills and education to provide them with care. We are also seeking homes in our more rural areas particularly in the Lakeview area. You can find out more by calling our recruitment partner Every Child Oregon at 800-331-0503, and you can also check us out on our local Facebook page, Klamath/Lake Foster OR Adopt.
