MOTHER'S DAY. THE OCCASION TO HONOR OUR MOTHER'S AND TO SHOWER THEM WITH ALL OUR LOVE, CARE AND WARMTH.

Mothers are not rare to find. Good mothers are. Have you ever wondered who goes on to make a good mother?

What makes good mothers? It is a pertinent question whose answer cannot be contained within a few words. Mothers are comprised of a bundle of emotions that sometimes defy reason. So this goes out to all the mothers who have kept awake all night with their sick toddlers in their arms, constantly uttering those compassionate words, "It's OK honey, Mommy's here."

For all the mothers who run carpools and make cookies and sew Halloween costumes. And all the mothers who don't.

For those who show up at work with milk stains on their dress and diapers in their handbags.

For those mothers who cannot restrain tears from trickling down their cheeks when they hold their babies for the first time in their arms; and for the mothers who give birth to babies they'll never see.

For the mothers who gave homes to infants and children and gifted them a family.

For the mothers who yell at their kids who clamour for ice cream before dinner or run into the street chasing a ball without looking.

For the mothers who defy all odds to pay for lessons or sports and to just to be there to watch her kid perform and repeat to themselves "That's my child!!"

For all the mothers who read "Goodnight, Moon" twice a night for a year, and then read it again. "Just one more time."

For the mothers who taught their children to tie their shoelaces even before they started going to school.

For the mothers who incontinently turn their heads when they hear the word "Mom", even though they know that their kids are nowhere around.

For the mothers who silently suffer and shed tears for their children who have gone astray.

For all those mothers whose heart aches to watch her son or daughter going off to school or daycare alone for the very first time.

So, this is meant for all the young and aged mothers, working mothers and housewives, married mothers and the single mothers, those with money and without and for those without whom life would have been insufferable.

Wishing you a very Happy Mother's Day!!

FLOWERS FOR HIS MOTHER

A man stopped at a flower shop to order some flowers to be wired to his mother who lived two hundred miles away.

As he got out of his car he noticed a young girl sitting on the curb sobbing.

He asked her what was wrong and she replied, "I wanted to buy a red rose for my mother.

But I only have seventy-five cents, and a rose costs two dollars."

The man smiled and said, "Come on in with me. I'll buy you a rose."

He bought the little girl her rose and ordered his own mother's flowers.

As they were leaving he offered the girl a ride home.

She said, "Yes, please! You can take me to my mother."

She directed him to a cemetery, where she placed the rose on a freshly dug grave.

The man returned to the flower shop, canceled the wire order, picked up a bouquet and drove the two hundred miles to his mother's house.

The Fort Rock Community Church ~ Quilters routinely partner with the Deschutes, OR Chapter of Sleep in Heavenly Peace providing them with handmade quilts for the twin bunkbeds that they build and distribute to children in need.

Joe Meyers, a representative of Sleep in Heavenly Peace, will be at the Fort Rock Community Church at noon on Wednesday, May 3rd to pick up quilts. If you would like to meet with him about a need for a bed or to find out more information about their organization, please stop by.

SLEEP IN HEAVENLY PEACE ~ 501(c)3 HELPING CHILDREN IN NEED SLEEP BETTER

We fully believe that a bed is a basic need for the proper physical, emotional, and mental support that a child needs. When it was brought to our attention that the need for beds went far beyond our own neighborhoods, we stepped up and took initiative. We're a national organization answering the call to a national problem.

All children deserve a safe, comfortable place to lay their heads. In Idaho and across the U.S., too many boys and girls go without a bed – or even a pillow – to sleep on. These children end up sleeping on couches, blankets, and even floors. This can affect their happiness and health.

That's where Sleep in Heavenly Peace comes in. We're a group of volunteers dedicated to building, assembling and delivering top-notch bunk beds to children and families in need. Our organization has grown steadily over time, and we're working on opening more chapters in different states to serve more people. NO KID SLEEPS ON THE FLOOR IN OUR TOWN!®.

Here is what is happening at
North Lake Health District
(NLHD)

As many know, LaPine
Community Health Clinic
will cease providing Primary
Healthcare services in
Christmas Valley as of
May 31, 2023.

The NLHD Board has sent out
an RFP (Request For
Proposal) to several Health-
care Provider organizations
any of them they would like to
see take over the clinic. In the
meantime, they have also had
interest from an independent
Healthcare Provider.

The NLHD Board would like
the community to know that
this is a time consuming
process and that there may be
a bit of time that the
healthcare clinic will be closed
in Christmas Valley. The
Board is confident that this
will just be temporary and
they are working diligently to
obtain a permanent
Healthcare Provider. Your
patience is deeply appreciated.

Of course this in no way
affects the other medical
center tenants. Dr. Arbow,
Dr. Eichner, Shawn Lavalley
and the staff at the Wellness
Center (Mental Health) are
still available and continue to
be on their own schedules.

NLHD Board Meetings are the
first Monday of every month.

PUBLIC NOTICE

Several of the properties in the Christmas Valley township have utility easements for the **Christmas Valley Water District**.

When you have a utility easement on your property, the utility company/Water District may have a range of legal rights.

A few restrictions you might face include:

- Utility company/Water
- District access without your approval.
- Utility company/Water
- District may restrict your use of the easement when your use can harm underground water mains, valves, water meters, and the like.
- Restrictions on physical alterations: You may want to make an improvement to a certain section of your property. But the utility easement may prevent certain upgrades, such as erecting a fence or a gate.
- Vegetation restrictions: The utility company may require regular access to a particular area and constantly tear up your garden. Additionally, many utility easements limit the planting of major trees in a specified area.

If you're considering purchasing a property with a utility easement, take some time to research the local laws and regulations.

If you have questions regarding your utility easement call:
(541) 576-2090 or (541) 947-6921

BUDGET COMMITTEE MEMBERS NEEDED

Most local governments in Oregon, from the smallest Cemetery district to the largest city, must prepare and adopt an annual budget. Schools, counties, cities, rural fire protection districts, and most special districts are all subject to the same budget provisions.

Each district forms a Budget Committee made of the Districts board members and an equal number of Appointed electors. The appointed electors must meet the following guidelines:

Electors are registered voters in the district.

Cannot be officers, agents or employees.

All members have the same authority and are appointed for staggered 3-year terms.

If the district can't fill all appointed members, the Committee can be fewer.

Budget Committee Members are needed for the following Districts:

Christmas Valley Park & Recreation District

NEW AGRICULTURE OVERTIME AWARD PROGRAM AND OUTREACH FOR EMPLOYER TAX CREDIT PROGRAM

This is a joint message from the Oregon Department of Revenue (DOR) and Business Oregon.

Last month, the Oregon Legislature approved and Governor Tina Kotek signed House Bill 2058. The legislation directs Business Oregon to develop and administer a repayable award program to support employers who are required to meet new agricultural overtime compensation requirements.

The awards will work much like a loan, with up to \$40,000 available for eligible applicants. To qualify, employers must anticipate having agricultural overtime costs and apply for the employer tax credit for agricultural overtime pay with DOR in January 2024. Additional details about the program can be found on Business Oregon's website. The application period opens on April 26, and closes May 25, at 5 p.m.

The funding will help employers cover the costs associated with agricultural overtime requirements enacted in the 2022 session by House Bill 4002. Employers are required to pay overtime to agricultural workers after they work 55 hours in one workweek starting January 1, 2023.

DOR, Business Oregon, and the Bureau of Labor & Industries (BOLI) continue to meet with interested parties to share information about the new overtime laws and employer assistance available.

Agricultural employers are invited to meet with BOLI and DOR staff at the following events in April and May:

April 29-30, Ag Fest, Oregon State Fairgrounds (Salem)
May 1-5, Employer Lunch & Learn (Eastern Oregon)
May 1, Four Rivers Cultural Center (Ontario)
May 2, Armory (Baker City)
May 3, Armory (La Grande)
May 4, Armory (Pendleton)
May 5, Convention Center (Hermiston)

For updates on DOR's implementation of the Employer Tax Credit for Agricultural Worker Overtime Pay in House Bill 4002, please subscribe to our Agriculture Overtime Update email bulletins.

For more information about the credit, visit the tax credit webpage. For general questions about the credit, contact DOR at: ag.overtime@dor.oregon.gov
