Next Desert Whispers DEADLINE
7 DAYS PRIOR
 to publication on the 15th of the month.

DESERT WHISPERS

The intent of *DESERT WHISPERS* is to publish a variety of information from all aspects of life in North Lake County. We neither support nor condemn any ideas, creed, religion, custom, attitude, belief or law. Opinions expressed are not necessarily the opinions of the Christmas Valley Park and Recreation District Board members, staff, personnel or advertisers. The Christmas Valley Park and Recreation District is not responsible for errors in articles and/or ads submitted to be published without change. The Christmas Valley Park and Recreation District Board of Directors reserves the right to reject any submitted material for any reason.

DESERT WHISPERS welcomes letters to the Editor. Letters should be printed or written clearly. Each letter **must be signed**. *DESERT WHISPERS* reserves the right to condense long letters or to edit for content. We will avoid this whenever possible. *DESERT WHISPERS* reserves the right to judge the acceptability of a letter in regards to vulgarities, profanities, or slanderous content.

Deadlines for *DESERT WHISPERS* are at least seven (7) Days before issue dates of the 1st and 15th of each month. Please have your ad or article to the *DESERT WHISPERS* office BEFORE the published deadline. If the ad or article is NOT received by 2 pm on the deadline, it may not make it into that issue. Ads and articles can be received by mail, by e-mail, or dropped off at the office.

- Karen Morgan, the Editor

Renting the Christmas Valley Community Hall

The Christmas Valley Community Hall, located at 87345 Holly Lane, in Christmas Valley, is available for rent.

A refundable cleaning/damage deposit of \$50 is required for the rental of the building. The deposit will be returned if the building is left in the same (or better) condition as you found it.

At the conclusion of your event, if the heater in the main area of the hall is not turned down to 52° (as the instructions posted state), you will be billed \$9.00/hr for fuel, until the setting is corrected.

Call Christmas Valley Park and Recreation for availability:
 541-576-2216.

Lake County Public Transit

Operated by Lake County Senior Citizens Association

Christmas Valley to La Pine
Shopping Shuttles are scheduled for
every Wednesday leaving from the
CV Community Center at 8 a.m.
Stops vary depending upon riders'
needs. Please call Linda at 541-947-
4966 ext. 106 to schedule. Bus fares
are *not* required, although donations
are accepted and encouraged for
shopping trips.

Routine Medical Trips:

- La Pine
- Bend
- Portland

Call our new Transportation
Coordinator, Linda, to be scheduled
to join any of these trips, or to in-
quire about additional trips as they
come in.

Promoting the health and safety of
all Lake County residents is our mis-
sion. We encourage seniors, those
with disabilities, and those who do
not have other access to safe trans-
portation to call us about availabil-
ity. Our vehicles are ADA-approved
for those with mobility aids, such as,
wheelchairs, walkers, etc.

Per OHA and ODOT requirements
under the COVID pandemic, rid-
ers and drivers are required to wear
masks or face coverings at all times.
Vehicles are disinfected between each
trip, and a 6 foot minimum distance
must be maintained between driver
and each rider-household at all times.

If you have OHP, please call:
EOCCO Ride Share at 877-875-4657
for non-emergency medical
transport.

What is a Special District

Most of us do not know much about local governments; and we know less about special districts. Special districts are a form of local government created by a local community to meet a specific need. Inadequate revenue bases and competing demands for existing taxes make it difficult for cities and counties to provide all of the services that their constituents want. When residents or landowners want new services or higher levels of existing services, they can form a district to pay for them. Each special district focuses on a specific set of services, like fire protection, water, healthcare, parks and recreation, among many others. There are currently 34 different types of special districts in Oregon.

Special districts can cross city and county lines to provide focused services to communities of different sizes, allowing them to address their common needs. Special districts can be small, such as a fire protection district serving a rural unincorporated area. They can also cover multi-county regions. The boundaries of special districts are not dependent on the county or city that the residents live in. Instead, special district boundaries are defined by the common needs of the communities and the services they want to be provided.

Like cities and counties, special districts can sign contracts, employ workers and acquire real property through purchase or eminent domain. Following constitutional limits, they can

also issue bonds, impose special taxes, levy assessments, and charge services fees. Like other governments, special districts can sue and be sued.

Most independent special districts have boards elected directly by the residents and landowners in the district, making special districts accountable to the people they serve. The special district board is the governing body of the special district. They set policies that are carried out by the district's employees. The special district's general manager is charged with overseeing the day-to-day operations of the district and reports directly to the board of directors.

All special districts are created based on laws passed by the State Legislature. These laws also determine which services the district can provide and how districts are managed and governed. Most special districts are created by laws that are applicable to specific types of special districts. These laws are known as "principal acts."

• Special districts are not state government

Special districts are local agencies which deliver specific services to specific communities. Operating under state laws, special districts are autonomous government entities that are accountable to the voters or landowners they serve. State officials, however, oversee special districts. For example, special districts must send their annual financial reports to the Secretary

of State Audits Division. Districts must also follow state laws for public meetings, public records, public contracting, bonded debt, and elections.

• **Special districts are not county governments or cities**
Counties and cities are general purpose governments. Counties and cities perform a broad array of services to protect the health, safety, and welfare of their citizens. Special districts are limited purpose governments. They can provide only the services allowed by state law and supported by their residents. Sometimes county commissioners are special district governing boards, but those districts are legally separate local entities.

• Special districts are not school districts

School districts exist to provide one service – public education. Special districts can deliver a variety of public services, excluding education. School districts get most of their money from the state government. Special districts rely mostly on local revenues.

Favorite Fourmile Recreation Area is open following 2-year closure

KLAMATH FALLS, OR, July 18, 2023 — The Fremont-Winema National Forest is thrilled to welcome back visitors who love this beautiful, cool, relaxing lake and its amazing scenery. As a bonus, the lake is now visible from almost every campsite.

The Recreation Area, including the campground, boat launch, day use/ picnic area, beach and trailhead for the Badger Lake, Twin Pond and Rye Spur trails, reopened last weekend after being closed for two years. The closure was necessary to remove thousands of dead lodgepole trees, which had been killed by an outbreak of Mountain Pine Beetle (*Dendroctonus ponderosae*).

A few campsites remain closed. Left over piles of slash and debris will be burned next winter. Campground staff will continue to clear, clean, and improve the area throughout the summer.

Snow conditions prevented access until mid-June. Since then, the Winema Hotshots, two Klamath Ranger District engine crews, US Forest Service employees, volunteers, and staff from Lake of the Woods Resort have been steadily working to pile the tops and debris from logging; repair damage; clear campsites, roads, parking areas, and trails; replace signs; stack firewood; and remove dead and down trees from last winter.

Previously, a local contractor spent two "summers" (June – Nov) falling and removing the hazardous trees. Working around fire rings, picnic tables, parking area boundaries, campsite signs and posts, restrooms, water systems, the kiosk, and other recreation amenities, was slow, tedious, and dangerous.

The Klamath District is partnering with the County to donate and distribute excess firewood to low-income families that heat their homes with wood.

For more information about Fourmile Rec Area, visit: <https://www.fs.usda.gov/recreation/fremont-winema/recreation/recreation/?recid=59727&actid=29> or contact the Klamath Ranger Station at 541-883-6714. To make campground reservations: <https://www.recreation.gov/camping/campgrounds/251712?tab=seasons>.

Mountain pine beetles are native. They attack conifers, especially lodgepole pines, which grow in large, single age stands. To learn more about this beetle and its relationships with forests, visit https://apps.fs.usda.gov/r6_decadiv/views/mountain_pine_beetle.html.

###

Here is what is happening at North Lake Health District (NLHD)

As many know, LaPine Community Health Clinic has ceased providing Primary Healthcare services in Christmas Valley as of May 31, 2023.

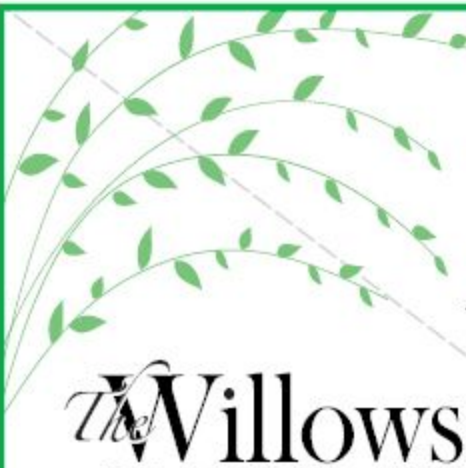

The NLHD Board sent out an RFP (Request For Proposal) to several Healthcare Provider organizations any of them they would have liked to see take over the clinic. The only RFP response received was from Denise Griffiths the Primary Healthcare Provider formerly employed by La Pine Community Health Clinic.

Denise Griffiths proposal has been reviewed by the NLHD Board and the Board's decision to accept or deny this RFP will be made at the August 7th, 2023, regular Board meeting at 5 p.m. in the NLHD conference room.

The NLHD Board would like the community to know that even if they are to accept Denise Griffiths RFP that this is a time consuming process and that there may be a bit more time that the healthcare clinic will continue to be closed in Christmas Valley.

Your patience is deeply appreciated.

NLHD Board Meetings are the first Monday of every month.

 will be held
 Monday
 August 7, 2023
 at 5:00 p.m.
 at the District Office
 87520 Bay Road
 Christmas Valley

PUBLIC NOTICE

Several of the properties in the Christmas Valley township have utility easements for the **Christmas Valley Water District**.

When you have a utility easement on your property, the utility company/Water District may have a range of legal rights.

A few restrictions you might face include:

- Utility company/Water
- District access without your approval.
- Utility company/Water
- District may restrict your use of the easement when your use can harm underground water mains, valves, water meters, and the like.
- Restrictions on physical alterations: You may want to make an improvement to a certain section of your property. But the utility easement may prevent certain upgrades, such as erecting a fence or a gate.
- Vegetation restrictions: The utility company may require regular access to a particular area and constantly tear up your garden. Additionally, many utility easements limit the planting of major trees in a specified area.

If you're considering purchasing a property with a utility easement, take some time to research the local laws and regulations.

If you have questions regarding your utility easement call:
(541) 576-2090 or (541) 947-6921

ADRCAging and Disability
Resource Connection
Member of OREGON

NO WRONG DOOR

The first contact to make for information and resources related to aging or living with a disability

What are ADRCs?

ADRCs provide information and services to seniors, people with disabilities, their families and caregivers regardless of income. With a statewide searchable database, consumers are able to access over 6,000 resources: www.ADRCoOregon.org. There is also a statewide toll free number:

1-855-ORE-ADRC (1-855-673-2372).

It is one name, one number, and one website to make it easier for Oregonians to find the information and help they need.

ADRC Core Services:

- Information, referral and awareness
- Options counseling and assistance
- Access to public and privately funded long-term care programs
- Prevention and early intervention

The ADRC for Lake County is the Klamath and Lake Counties Council on Aging.

Direct line: 541-205-5400

~ Baert Lake - 1964 ~

Christmas Valley Park and Recreation District

invites everyone to enjoy
the Park and Rec properties.

We ask that while enjoying the properties; specifically, the Golf Course, the Rodeo Grounds, the playground, the multi-use field and Baert Lake, that you be a good steward and please do not litter, please maintain control of your pets by keeping dogs on a leash and/or maintaining constant supervision. If your dog should defecate on the premises, please be sure to pick up after it.

Horses and camping are only permitted at the Rodeo Grounds.

Being good stewards and taking pride in these properties reflects on our community as a whole.

Thank you for your continued support of Christmas Valley Park and Recreation District.

- Convulsions, seizures or coma
- May be sweating, skin may feel deceptively cool

WHAT TO DO

- > Lie down in shade or air-conditioning
- > Drink water
- > Cool compress or tea towel
- > Cool shower or bath

WHAT TO DO

- > Call 911 immediately
- > Reduce temperature until ambulance arrives

July 25, 2023

Fire Managers Increase Fire Danger Level and IFPL

Klamath Falls, OR—Beginning Friday, July 28, 2023, at 12:01 a.m., the Bureau of Land Management (BLM) Lakeview District, Fremont-Winema National Forest, Sheldon-Hart Mountain National Wildlife Refuge Complex, and all private, county, and state wildlands protected by the Klamath-Lake District, Oregon Department of Forestry (ODF) will be raising the Fire Danger Level to EXTREME.

With the progression of summer conditions and continued drying of forest fuels, local fire danger levels have reached “EXTREME”. Fires starting in these conditions have the potential for rapid fire spread and major damage.

Additional fire prevention requirements have been placed on industrial forest operations. High speed rotary saws and tracked felling/skidding equipment are required to shut down between the hours of 1 p.m. and 8 p.m. High speed rotary saws are also **REQUIRED** to have an “operation area observer” visually inspecting the area worked in and also additional fire equipment. These are in addition to the normal requirements listed in “A Guide to Legal Requirements for Prevention and Controlling Fires in Operations On and Near Forest Land in Oregon.”

These additional restrictions, along with Public Regulated Use Restrictions that were put in effect by fire officials on June 12th, will dramatically reduce the chance of an accidental fire start.

The “Fire season in effect” declaration on June 16th enacted regulations restricting debris burning and timber harvest operations. **Wildland and structural fire protection agencies in Klamath County have agreed to prohibit all outdoor debris burning. Forest operations that require a permit to operate power-driven machinery now are required to have fire tools, on-site water supply, and watchman service on privately owned forest land.** The release of sky lanterns is prohibited during any time of the year. The discharge of exploding targets and the discharge of tracer ammunition are not permitted during the duration of the fire season.

For more information on restrictions please visit: <https://www.oregon.gov/odf/fire/pages/restrictions.aspx>

Industrial Fire Precaution Level III (IFPL) will be implemented on public lands administered by the Fremont-Winema National Forest, Bureau of Land Management (BLM) Lakeview District, and Sheldon-Hart Mountain National Wildlife Refuge Complex.

Under IFPL III, personal and commercial woodcutters are prohibited from operating power saws.

Personal and commercial woodcutters are reminded of their responsibility to stay informed of current IFPLs and all restrictions that apply to activities conducted on public lands. Failure to comply with precautionary fire requirements may result in the issuance of a Violation Notice.

Public Use Restrictions apply to lands managed by the Fremont-Winema National Forest, Bureau of Land Management’s (BLM) Lakeview District, and U.S Fish and Wildlife Service (USFWS) Sheldon-Hart

Mountain National Wildlife Refuge Complex and Klamath Basin National Wildlife Refuge Complex. The following restrictions apply:

- Building, maintaining, attending, or using campfires or stove fires are allowed only in designated campgrounds/areas. Specific site information may be obtained by contacting your local Forest Service, BLM, or USFWS offices.
- Portable cooking stoves using liquefied or bottled fuel sources continue to be allowed on all public lands managed by the Fremont-Winema National Forest, BLM's Lakeview District, and USFWS Sheldon-Hart Mountain National Wildlife Refuge Complex and Klamath Basin National Wildlife Refuge Complex.
- Smoking is only allowed in an enclosed vehicle, building, developed recreation site, or while stopped in an area at least three feet in diameter that is void of all flammable material including vegetation.
- A motorized vehicle (this includes all-terrain vehicles, motorcycles, cars, pickups, etc.) may only be operated on roads where vegetation does not come into contact with the vehicle's undercarriage.
- Motorized vehicles parked off roadways must be in an area barren of flammable material, including vegetation.
- Internal combustion engines (generators, etc.) not previously addressed may only be operated within designated campgrounds/areas.
- Power saw operations are prohibited.
- No welding equipment may be used, including acetylene or open flame torches.
- All motorized vehicles must carry the following equipment:
 1. One shovel not less than 26 inches in overall length, with a blade not less than eight inches wide,
 2. One water container of at least one gallon in size filled or a 2.5 pound fully charged fire extinguisher,
 3. One axe or pulaski with a handle at least 26 inches in length and a head weight of not less than two pounds.
- Spark arresting devices must be properly installed and maintained on all internal combustion engines.

For more information on restrictions please visit: <https://www.scofimp.org/>

USDA Forest Service Advises Abnormally Dry Conditions Increase Fire Risk for the Forest Service's Pacific Northwest Region

Lakeview, Oregon, July 26, 2023 — Summer 2023 is only halfway over and low spring rainfall has resulted in abnormally dry conditions as hot temperatures persist across the Forest Service's Pacific Northwest Region. This situation poses a significant risk of wildfires, and residents of Oregon and Washington are urged to take precautions to prevent human-caused wildfire starts.

NATIONAL SUICIDE PREVENTION LIFELINE

1-800-273-TALK (8255)

suicidepreventionlifeline.org

SUICIDE WARNING SIGNS

These signs may mean someone is at risk for suicide. Risk is greater if a behavior is new or has increased and if it seems related to a painful event, loss, or change.

- Talking about wanting to die or to kill oneself.
- Looking for a way to kill oneself, such as searching online or buying a gun.
- Talking about feeling hopeless or having no reason to live.
- Talking about feeling trapped or in unbearable pain.
- Talking about being a burden to others.
- Increasing the use of alcohol or drugs.
- Acting anxious, agitated or behaving recklessly.
- Sleeping too little or too much.
- Withdrawing or feeling isolated.
- Showing rage or talking about seeking revenge.
- Displaying extreme mood swings.

Suicide Is Preventable. Call the Lifeline at:
1-800-273-TALK (8255).
