Wrapping up the Summer in the Mid-1960's in Christmas Valley, Oregon

Next Desert Whispers DEADLINE

7 DAYS PRIOR

to publication on the 15th of the month.

DESERT WHISPERS

The intent of *DESERT WHISPERS* is to publish a variety of information from all aspects of life in North Lake County. We neither support nor condemn any ideas, creed, religion, custom, attitude, belief or law. Opinions expressed are not necessarily the opinions of the Christmas Valley Park and Recreation District Board members, staff, personnel or advertisers. The Christmas Valley Park and Recreation District is not responsible for errors in articles and/or ads submitted to be published without change. The Christmas Valley Park and Recreation District Board of Directors reserves the right to reject any submitted material for any reason.

DESERT WHISPERS welcomes letters to the Editor. Letters should be printed or written clearly. Each letter must be signed. *DESERT WHISPERS* reserves the right to condense long letters or to edit for content. We will avoid this whenever possible. *DESERT WHISPERS* reserves the right to judge the acceptability of a letter in regards to vulgarities, profanities, or slanderous content.

Deadlines for *DESERT WHISPERS* are at least seven (7) Days before issue dates of the 1st and 15th of each month. Please have your ad or article to the *DESERT WHISPERS* office BEFORE the published deadline. If the ad or article is NOT received by 2 pm on the deadline, it may not make it into that issue. Ads and articles can be received by mail, by e-mail, or dropped off at the office.

- Karen Morgan, Editor

Renting the Christmas Valley Community Hall

The Christmas Valley Community Hall, located at 87345 Holly Lane, in Christmas Valley, is available for rent.

A refundable cleaning/damage deposit of \$50 is required for the rental of the building. The deposit will be returned if the building is left in the same (or better) condition as you found it.

At the conclusion of your event, if the heater in the main area of the hall is not turned down to 52 (as the instructions posted state), you will be billed \$9.00/hr for fuel, until the setting is corrected.

Call Christmas Valley Park and Recreation for availability:
541-576-2216.

Christmas Valley Domestic Water Supply District receives EPA Region 10 WATERS Award

On Wednesday, August 9th, 2023, Catelyn Jones, from the EPA Region 10 office presented a WATERS award to Erica Anderson, the Christmas Valley Domestic Water Supply District's District Manager for the Districts work on the Water System Improvements Project. WATERS stands for: Well-planned, Affordable, Transferable to other communities (water or energy), Efficient, Resilient, and Sustainable. The project provided contracted services for the replacement of three miles of steel main-line water distribution pipes and associated valves and hydrants through Oregon's Drinking Water State Revolving Fund (DWSRF) program. The DWSRF program is a powerful federal-state partnership to help ensure safe drinking water. For the past 26 years, this program has provided financial support to communities to help them comply with the Safe Drinking Water Act. Since the first DWSRF loan was signed back in 1996, borrowers have utilized this program to fund projects that deliver a significant environmental benefit, as well as, meet other related goals.

More recently there was a significant infusion of funding for the SRF via the Bipartisan Infrastructure Law, or BIL. Funding from BIL is targeted at specific health threats, such as lead service lines, or emerging contaminants. The

Catelyn Jones from EPA Region 10 presents the WATERS Award to Erica Anderson, Christmas Valley Domestic Water Supply District's District Manager.

BIL funding also comes with additional subsidy requirements – meaning that some or part of the DIL SRF loans will not have to be repaid. EPA will partner with Business Oregon and Oregon Health Authority over the next few years to fully implement the objectives of BIL. Since the DWSRF program's beginning there has been a federal investment of \$344 million in Oregon. These grant funds, combined with state match and repayments, have allowed the State to provide more than \$547 million in DWSRF loans to communities through 2022. These loan agreements have helped local communities to improve water quality, install secondary or advanced treatment, address health and compliance issues, construct drinking water

and waste water system upgrades, complete water or energy-efficiency projects.

The Christmas Valley Domestic Water Supply District's Water Systems Improvements Project was nominated for EPA Region 10's WATERS awards by staff with the State of Oregon's DWSRF program. The Christmas Valley Domestic Water District received a \$1.6 million low interest loan from the Oregon DWSRF program, with \$530,000 provided as direct subsidy for the project. This project is noteworthy and deserving of a WATERS award because it has replaced failing water infrastructure ensuring that residents and businesses with the service area will have access to safe drinking water. Additionally, this project is affordable for ratepayers through its loan term and low interest rate.

Erica Anderson credits the Christmas Valley Domestic Water Supply District's selection of Timber Mountain Construction who worked at an incredible pace and endeavored to keep the inconvenience of the process to a minimum throughout the project. Erica also gives credit to Darryl Anderson Engineering for their engineering services not only for this project, but for all the years that they have been

Continued on page 6.

WATERS Award continued from page 5.

working on the various Christmas Valley Domestic Water Supply District issues, and to Larry Holzgang, Regional Development Officer, Business Oregon, who has helped immensely with the grant processes. Erica would also like to thank the community for their support and for completing the income survey's that were instrumental in seeking funding for this and future projects.

Lake County commissioner, Barry Schullanberger, said that it is noteworthy that "The amount of gallons of water saved this year compared to previous years is a huge accomplishment. It was great to have the Oregon EPA Region 10 recognize Christmas Valley Domestic Water Supply District for their great work on repairing the leaking water main lines and accomplishing their goal of having the system more water efficient and, thereby, conserving water." Ratepayers may have noticed that so far this year there has been no water use moratorium.

Fort Rock by local artist Chester Avery

Here is what is happening at North Lake Health District (NLHD)

As many know, LaPine Community Health Clinic has ceased providing Primary Healthcare services in Christmas Valley as of May 31, 2023.

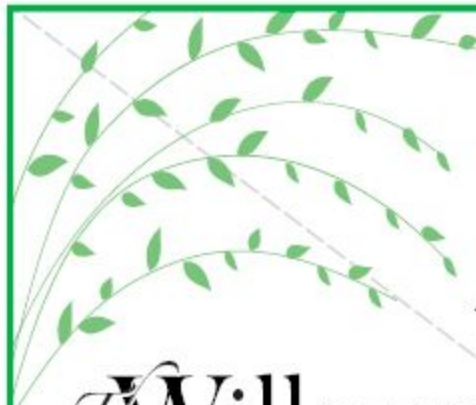

The NLHD Board sent out an RFP (Request For Proposal) to several Healthcare Provider organizations any of them they would have liked to see take over the clinic. The only RFP response received was from Denise Griffiths the Primary Healthcare Provider formerly employed by La Pine Community Health Clinic.

Denise Griffiths proposal was reviewed by the NLHD Board and the Board voted to accept Denise Griffith's RFP at the August 7th, 2023, regular Board meeting.

The NLHD Board would like the community to know that that this is a time consuming process and that there will be a bit more time that the healthcare clinic will continue to be closed in Christmas Valley.

Your patience is deeply appreciated.

NLHD Board Meetings are the first Monday of every month except on holidays when it is held the following Monday of the month.

10 am to 5 pm - Tues thru Sat

September 11th
National Day
of
Service
and
Remembrance

September 11th is Patriot Day and a National Day of Service and Remembrance. On this day Americans across the country are called to volunteer in their local communities in tribute to the individuals lost and injured in the attacks, first responders, and the many who have risen in service to defend freedom.

There are many volunteer opportunities in our North Lake County communities.

Contact any of the volunteer nonprofit organizations advertised in the Desert Whispers to see how you may serve as a volunteer.

Christmas Valley, Silver Lake, and Paisley have volunteer Fire Departments.

Check with local schools and libraries, too.

PUBLIC NOTICE

Several of the properties in the Christmas Valley township have utility easements for the **Christmas Valley Water District**.

When you have a utility easement on your property, the utility company/Water District may have a range of legal rights.

A few restrictions you might face include:

- Utility company/Water
- District access without your approval.
- Utility company/Water
- District may restrict your use of the easement when your use can harm underground water mains, valves, water meters, and the like.
- Restrictions on physical alterations: You may want to make an improvement to a certain section of your property. But the utility easement may prevent certain upgrades, such as erecting a fence or a gate.
- Vegetation restrictions: The utility company may require regular access to a particular area and constantly tear up your garden. Additionally, many utility easements limit the planting of major trees in a specified area.

If you're considering purchasing a property with a utility easement, take some time to research the local laws and regulations.

If you have questions regarding your utility easement call:
(541) 576-2090 or (541) 947-6921

ADRC

Resource Connection
Member of OREGON

NO WRONG DOOR

The first contact to make for information and resources related to aging or living with a disability

What are ADRCs?

ADRCs provide information and services to seniors, people with disabilities, their families and caregivers regardless of income. With a statewide searchable database, consumers are able to access over 6,000 resources: www.ADRCoOfOregon.org. There is also a statewide toll free number:

1-855-ORE-ADRC (1-855-673-2372).

It is one name, one number, and one website to make it easier for Oregonians to find the information and help they need.

ADRC Core Services:

- Information, referral and awareness
- Options counseling and assistance
- Access to public and privately funded long-term care programs
- Prevention and early intervention

The ADRC for Lake County is the Klamath and Lake Counties Council on Aging.

~ Baert Lake - 1964 ~

Christmas Valley Park and Recreation District

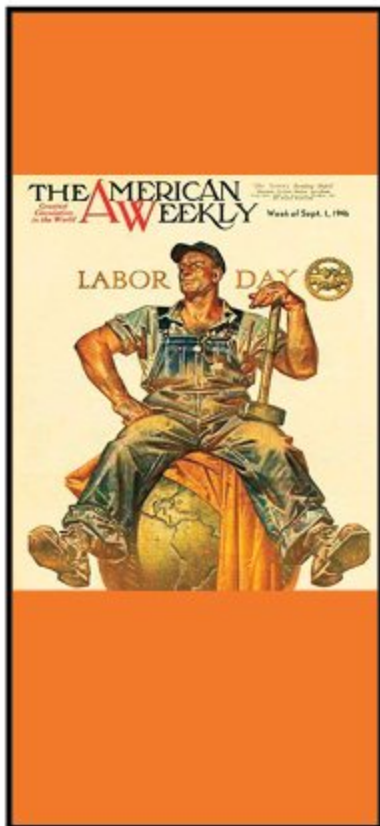

invites everyone to enjoy
the Park and Rec properties.

We ask that while enjoying the properties; specifically, the Golf Course, the Rodeo Grounds, the playground, the multi-use field and Baert Lake, that you be a good steward and please do not litter, please maintain control of your pets by keeping dogs on a leash and/or maintaining constant supervision. If your dog should defecate on the premises, please be sure to pick up after it.

Horses and camping are only permitted at the Rodeo Grounds.

Being good stewards and taking pride in these properties reflects on our community as a whole.

Thank you for your continued support of Christmas Valley Park and Recreation District.

South Central Oregon Fire Management Partnership Reduces Industrial Fire Precaution Level and Fire Danger Level

LAKEVIEW, ORE. With the incoming moisture from Hurricane Hilary Fire Management Officials within the South Central Oregon Fire Management Partnership (SCOFMP) are reducing Industrial Fire.

Precautions to level II and the Fire Danger level to HIGH beginning Wednesday, August 23, 2023, at 12:01 am.

Industrial Fire Precaution Level II means a Partial Hootowl Level II:

The following may operate between the hours of 8 p.m. and 1 p.m. local time:

- Power saws except at loading sites,
- Cable yarding,
- Blasting, and
- Welding or cutting of metal.

The Fire Danger level applies to all private county and state wildlands protected by the Oregon Department of Forestry (ODF) Klamath Lake District, as well as the Fremont Winema National Forest, the Bureau of Land Management (BLM) Lakeview District, Crater Lake National Park and the Sheldon Hart Mountain and Klamath Basin National Wildlife Refuge Complexes.

Public Use Restrictions and Regulated Use Closures on state and public lands within South Central Oregon will remain in effect. The public is responsible for ensuring that they have reviewed and are aware of the restrictions in place for the landscape they plan to recreate or work on. For all agencies, violation of these prohibitions could result in citations, fines, and even imprisonment, depending on the agency and order.

Public Use Restrictions and Fire Prevention Orders, please visit <https://scofmp.org/restrictions.shtml>

For more information on the ODF Public Regulated Use Closure, please visit

<https://www.oregon.gov/odf/fire/pages/restrictions.aspx>. For more information on the federal agency.

Fremont-Winema National Forest and Warner Canyon Ski Hill partner for spectacular shared eclipse event

Lakeview, OR, August 18, 2023 — Lakeview, OR August 11, 2023 — The Fremont-Winema National Forest and Warner Canyon Ski Hill invite our communities to join us in the Warner Mountains on October 14 to share a rare and beautiful astronomical event.

The forest will host information about dark sky designation, educational crafts for the whole family and an after-eclipse celebration at the top of the Warner Canyon Ski Hill. The ski area will be offering rides to the top via chairlift for a fee of \$10.

Warner Canyon is opening its grounds to camping the evening before. They will be charging a fee of \$40 per RV site and \$20 for each tent site. These fees help cover maintenance costs for this local treasure.

Campsites will be limited, please RSVP:

RV sites, limited to 30: <https://forms.gle/JMx6m7ZnUmcBWfBN9>

Tent sites, limited to 50: <https://forms.gle/nrsNT9E9VPYGnsVy5>

An annular eclipse occurs when the moon is at its farthest from earth. At this distance the moon appears smaller and does not completely eclipse the sun. This allows a brilliant ring of light to escape around the dark disc of the moon.

The annual Mule Deer hunting season coincides with this eclipse event. Expect higher than normal traffic and limited campsite availability. Take care when venturing into the National Forest. Consider wearing brightly colored clothing or orange safety vests. When parking, take care not to block roadway access to emergency vehicles.

Please pack out what you pack in. Have a plan and be prepared, services are limited. When dispersed camping, remember the best campsites are found, not made. Please be courteous, everyone wants to be safe and have fun.

Please be aware of fire restrictions: Lakeview Interagency Fire Center (scofmp.org). Flames can quickly spread out of control from campfires left unattended or not extinguished completely. The hot undercarriage of your vehicle or sparks thrown by a loose chain striking pavement can ignite grasses and similarly cause a fire. If we all exercise extreme caution, we can prevent 90% of all wildfires.

Dr. Timothy Arbow Optometric Physician

Dr. Timothy Arbow is a graduate of Seattle University and the College of Optometry at Pacific University, where he received his doctorate, and he is currently a Pacific University adjunct clinical professor. He has earned his Board Certification by The American Board of Optometry. As a dedicated health professional, Dr. Arbow has been thoroughly educated and trained to provide you and your family with the highest standard in eye care.

Dr. Arbow is a member of the American Optometric Association, the Oregon Optometric Physicians Association and the Lane Optometric Society. He is a past president of the Eugene Jaycees and an active member of the Eugene Downtown Lions Club, currently chairman of the Sight and Hearing Committee providing eye and hearing care for those in need.

KCC nursing continues full graduation, licensure trend with first LPN class

KLAMATH FALLS — Klamath Community College's recent 100% graduation and state licensure trend for its Registered Nurse (RN) program has continued with its inaugural Licensed Practical Nurse (LPN) cohort also passing the state board exam and graduating in full.

The highly competitive KCC Nursing Associate of Applied Science (AAS) program accepts 16 new nursing students annually, eight each for its respective LPN and RN programs, after state approval allowed for the addition of an LPN cohort last year alongside KCC's long-established RN program. Students in the KCC nursing program complete a higher number of general education course credits than any other AAS nursing programs in the state of Oregon. The work requirements are high, but so too are expectations, with KCC continuing its 100% graduation rate and state board exam passage, a trend of success of the nursing program for several years in a row.

The consistent overachievement of KCC nursing students is even more impressive this year considering that in 2023 the National Council of State Boards of Nursing drastically changed the format and difficulty of the state board exam, necessitating a retooling of curriculum to properly prepare students for testing.

"I am just really proud that the work and effort the faculty and students put into preparing for the change in state testing requirements paid off, said Allison Sansom, KCC dean of nursing, health and science. "It is really fulfilling to watch students grow and then be successful in their licensure exams and in turn be able to serve our community by providing quality health care."

In addition to the LPN expansion, KCC earlier this year partnered with Sky Lakes Medical Center to develop a Surgical Technician Program for a planned 2024 launch. This program will provide surgical technologist curriculum accredited by a national organization approved by the Oregon Health Authority, intended for students who meet admission standards and pass a rigorous selection process. Further expanding the nursing program is a planned RN to Bachelor of Science in Nursing (BSN) undergraduate-level degree program, scheduled to launch in 2025.

Available jobs within health care in the U.S. are projected to grow 13% over the next decade, an increase of an estimated 2 million new jobs, in addition to the 1.9 million openings available each year.

For more information about KCC health care professionals programming visit www.klamathcc.edu.

USDA Forest Service Advises Abnormally Dry Conditions Increase Fire Risk for the Forest Service's Pacific Northwest Region

Lakeview, Oregon, July 26, 2023 — Summer 2023 is only halfway over and low spring rainfall has resulted in abnormally dry conditions as hot temperatures persist across the Forest Service's Pacific Northwest Region. This situation poses a significant risk of wildfires, and residents of Oregon and Washington are urged to take precautions to prevent human-caused wildfire starts.

NATIONAL SUICIDE PREVENTION LIFELINE

1-800-273-TALK (8255)

suicidepreventionlifeline.org

SUICIDE WARNING SIGNS

These signs may mean someone is at risk for suicide. Risk is greater if a behavior is new or has increased and if it seems related to a painful event, loss, or change.

- Talking about wanting to die or to kill oneself.
- Looking for a way to kill oneself, such as searching online or buying a gun.
- Talking about feeling hopeless or having no reason to live.
- Talking about feeling trapped or in unbearable pain.
- Talking about being a burden to others.
- Increasing the use of alcohol or drugs.
- Acting anxious, agitated or behaving recklessly.
- Sleeping too little or too much.
- Withdrawing or feeling isolated.
- Showing rage or talking about seeking revenge.
- Displaying extreme mood swings.

Suicide Is Preventable. Call the Lifeline at:
1-800-273-TALK (8255).
