The 2023 Christmas Valley Park and Recreation District's Gymkhana/Play Day Season wrapped up on 9/9/2023

by: Karen Morgan

The 2023 5-Part Buckle Series began in May this year. At each play day that took place on the 2nd Saturday of every month for five consecutive months participants points were tabulated for the chance to win a first prize buckle at the end of the season. If participants did not participate in all five play days they ran the risk of not accumulating enough points to win a buckle. There were other prizes given for second and third place in every age group. This year the Rodeo Grounds committee decided to give a decorative knife to second place in the three upper age divisions. The Buckle and Knife prizes were sponsored by local businesses and individuals.

I have been a part of the Gymkhana/Play Days for the past three years and my favorite part is seeing the kids go from a Leadline division to riding on their own in subsequent years, and to see them improve throughout the season.

Paisley and Makayla Quinn are sisters that I have seen blossom over the years. Callie Greiner is another. Watching the older kids improve throughout the seasons is an added bonus.

This 2023 Season we had participants come from Burns, La Pine, Beatty, Lakeview, Paisley and Fort Rock. We are looking forward to the 2024 Season!

The Christmas Valley Park and Recreation District Board: Shara Shumway, Dan Maple, Ione Maple, Dave Uran, and Barbara Ferrando and the CVPR Rodeo Grounds Committee: Jim Strong, Kenny Winebrenner, Ashley Scheer and Karen Morgan, would like to thank all of our banner sponsors, our buckle and knife sponsors, all of our tractor volunteers and all of the other wonderful volunteers. PUBLIC NOTICE

Several of the properties in the Christmas Valley township have utility easements for the **Christmas Valley Water District**.

When you have a utility easement on your property, the utility company/Water District may have a range of legal rights.

A few restrictions you might face include:

- Utility company/Water District access without your approval.
- Utility company/Water District may restrict your use of the easement when your use can harm underground water mains, valves, water meters, and the like.
- Restrictions on physical alterations: You may want to make an improvement to a certain section of your property. But the utility easement may prevent certain upgrades, such as erecting a fence or a gate.
- Vegetation restrictions: The utility company may require regular access to a particular area and constantly tear up your garden. Additionally, many utility easements limit the planting of major trees in a specified area.

If you're considering purchasing a property with a utility easement, take some time to research the local laws and regulations.

If you have questions regarding your utility easement call:
(541) 576-2090 or (541) 947-6921

Forest Service Waives Recreation Fees for National Public Lands Day

Portland, OR, September 15, 2023 – The Pacific Northwest Region of the Forest Service will be waiving recreation fees at most day-use sites on lands managed by the agency on September 23, 2023, in honor of National Public Lands Day. This annual event, which is celebrated on the fourth Saturday in September, is an opportunity for people across the country to come together and give back to the lands that give us so much.

This year marks the 30th annual National Public Lands Day where people from across the country can join together to celebrate the beauty and diversity of our public lands and to recognize the hard work of the volunteers and partners who help care for them.

Waiving fees for National Public Lands Day creates an opportunity for everyone to get outside and enjoy these special places, and to inspire them to make a difference in the world by taking care of our natural resources.

Residents and visitors of the Pacific Northwest Region are encouraged to take advantage of this opportunity to get outside, explore our public lands, and celebrate 30 years of care and community. Whether you enjoy hiking, fishing, camping, or just enjoying a picnic with family and friends, there is a way for everyone to enjoy celebrating National Public Lands Day.

Fees will be waived for several picnic areas, boat launches, trailheads, and visitor centers. Regular fees for camping, cabin rentals, heritage expeditions, and other permits will still apply. Participation by concession-operated sites may vary, so visitors are encouraged to check with their local Forest Service office for more information.

The Forest Service offers several fee-free days annually to encourage everyone to explore the outdoors and visit their public lands. More information about this can be found at <https://www.fs.usda.gov/visit/passes-permits>.

The Pacific Northwest Region of the Forest Service manages millions of acres of land across Washington and Oregon including over 2,400 developed recreation sites, more than 24,000 miles of trails, 51 Wild and Scenic Rivers, and two national monuments. Visitors are encouraged to check their local forest or public land websites for specific information on recreation opportunities, trails, safety guidelines, and any additional regulations.

In alignment with the Forest Service's commitment to environmental stewardship, visitors are urged to adhere to Leave No Trace principles during their outdoor adventures. By respecting the environment and minimizing our impact, we can collectively preserve the natural beauty of these remarkable landscapes for future generations.

Temporary Public Use Restrictions Terminated for Portions of South Central Oregon

Klamath Falls, OR - Lakeview, OR - Sep. 5, 2023 – Temporary public use restrictions on the Fremont-Winema National Forest, Bureau of Land Management (BLM) Lakeview District, and Sheldon-Hart Mountain National Wildlife Refuge Complex are being lifted, effective Wednesday, September 6th 00:01 a.m.

Crater Lake National Park will lift fire restrictions on Friday, September 8th at 00:01 a.m. Public use restrictions within the Klamath River Canyon, Bureau of Land Management (BLM), Lakeview District, effected June 16th, will remain active until rescinded, along with Oregon Department of Forestry Public Regulated Use Restrictions that were put into effect by fire officials on July 12th.

The "Fire season in effect" declaration on June 16th enacted regulations restricting debris burning and timber harvest operations. Wildland and structural fire protection agencies in Klamath and Lake County have agreed to prohibit all outdoor debris burning. Forest operations that require a permit to operate power-driven machinery now are required to have fire tools, on-site water supply, and watchman service on privately owned forest land. The release of sky lanterns is prohibited during any time of the year. The discharge of exploding targets and the discharge of tracer ammunition is not permitted during the duration of the fire season.

Industrial Fire Precaution Level II (IFPL) Limited Shutdown will remain in effect on public lands administered by the Fremont-Winema National Forest, Bureau of Land Management (BLM) Lakeview District, and Sheldon-Hart Mountain National Wildlife Refuge Complex.

The following may operate only between the hours of 8 P.M. and 1 P.M.:

- Power saws except at loading sites;
- Feller-bunchers with rotary head saws;
- Cable yarding;
- Blasting;
- Welding, cutting, or grinding of metal.

The lifting of the Public Use Restrictions means that campfires are now allowed outside of designated campgrounds. However, fire officials remind the public to continue to be cautious with any possible ignition sources and ensure that all campfires are thoroughly extinguished. Remember to have plenty of water nearby and a shovel on hand when maintaining a campfire.

For more information on restrictions please visit: <https://www.scofmp.org/>

For more information on the ODF Public Regulated Use Closure, please visit: <https://www.oregon.gov/odf/fire/pages/restrictions.aspx>.
