## The North Lake Health District Board approves Asher Community Health Center's proposal to provide Primary Healthcare Services to North Lake County

by Karen Morgan

On November 1, 2023, the North Lake Health District Board met in a special session meeting to discuss the proposal submitted by Asher Community Health Center to provide healthcare services for North Lake County.

Asher Community Health Center was established in 1974 and is a 501c3 nonprofit organization located in Wheeler County having their main medical center located in Fossil, OR, and two satellite medical clinics located in Mitchell and in Spray, OR. Asher Community Health Center is a Federally Qualified Health Center (FQHC) and qualifies for Bureau of Primary Health Care (BPHC) grant funds providing them with long-term financial stability. As an FQHC provider they are able to provide primary care to all clients regardless of their ability to pay (though minimum fees ARE required), to provide mental health/substance abuse care, to provide dental services, to provide prenatal care, and to connect clients who need it to transportation services.

On October 2nd, 2023, Asher CEO, Dr. Albert Pacheco, Ph.D., Linda Donnelly, Asher Board President, and Teresa Hunt, Asher Chief Financial Officer, visited the North Lake Health District's

Medical Center campus and took a tour of the clinic. They were very pleasantly surprised by what NLHD has to offer. NLHD offers a primary care provider a fully furnished and equipped turn key, well maintained medical clinic. NLHD does not require a primary care provider to pay rent for the use of the clinic, however, they must pay for their own separately metered electricity and for their own computers and internet service, their day to day medical consumables, their medical waste disposal, their employee wages, and other associated clinic costs.

On October 25th, 2023, Asher invited North Lake Health District Board Chair, Nathan Church, Board Member, Jourdan Fildes, and Denise Giffiths to attend their Board meeting in Fossil, OR, to

discuss in more detail NLHD's expectations of a primary care provider and to give the Asher Board more of a feel for whether or not this would be a good working relationship.

After the October 25th meeting, Asher submitted their proposal to provide primary healthcare services to North Lake County. The North Lake Health District Board members, after careful deliberation, accepted Asher's proposal for primary healthcare services.

Asher has interviewed and has communicated with Denise Griffiths throughout this process. Asher has offered and Denise has accepted their offer to be the primary care provider in Christmas Valley. Asher will be interviewing for and filling the other clinic positions as things progress.

Both NLHD and Asher predict a smooth transition and are optimistic that the clinic will re-open in mid-December 2023.

North Lake Health District Board Chair, Nathan Church, says "they [Asher] have been involved in 'Frontier Medicine' for 50 years and against all odds have made their clinics in Wheeler County a success. They are a good fit for us here in North Lake County."

## Christmas Valley Park and Recreation District receives funding for Christmas Valley Airport Runway re-construction Project.

by Karen Morgan

The Christmas Valley Park and Recreation District Board of Directors recently approved the proposal submitted by Century West Engineering from Bend, OR, for the design and airport runway re-construction projects.

Century West has been involved in the planning of the Christmas Valley Airport design and re-construction projects since the planning for these projects first began in 2002.

Over the years several CVPR Boards have come and gone. Ron Wilson a former CVPR Board member worked extensively on the planning of the design and re-construction projects. Ron passed away last year, and it is un-

fortunate that he will not be able to see the fruits of his labor.

The projects are being funded by an FAA grant of nearly \$7 million dollars and an ODAV grant of \$600,000. The design phase will begin in the Spring of 2024 and the re-construction phase will begin in 2026.

The original request to the FAA did not include fixing the taxiway and apron, but Century West is confident that they can fit these

repairs into the budget.

The CVPR Board also asked to include new PAPI runway lights as the existing lights are nearly 20 years old and the replacement bulbs are obsolete and hard to find. The FAA has taken this into consideration, but have not made a decision as of yet.

Also, in the application was a request for a card lock airport fueling system. The FAA disapproved funding for this as it did not meet the runway re-construction criteria. This will be something that the CVPR Board will pursue grant funds for later.

# VETERANS DAY

World War I – known at the time as “The Great War” – officially ended when the Treaty of Versailles was signed on June 28, 1919, in the Palace of Versailles outside the town of Versailles, France. However, fighting ceased seven months earlier when an armistice, or temporary cessation of hostilities, between the Allied nations and Germany went into effect on the eleventh hour of the eleventh day of the eleventh month. For that reason, November 11, 1918, is generally regarded as the end of “the war to end all wars.”

Soldiers of the 353rd Infantry near a church at Stenay, Meuse in France, wait for the end of hostilities. This photo was taken at 10:58 a.m., on November 11, 1918, two minutes before the armistice ending World War I went into effect

In November 1919, President Wilson proclaimed November 11 as the first commemoration of Armistice Day with the following words: “To us in America, the reflections of Armistice Day will be filled with solemn pride in the heroism of those who died in the country’s service and with gratitude for the victory, both because of the thing from which it has freed us and because of the opportunity it has given America to show her sympathy with peace and justice in the councils of the nations...”

The original concept for the celebration was for a day observed with parades and public meet

ings and a brief suspension of business beginning at 11:00 a.m.

The United States Congress officially recognized the end of World War I when it passed a concurrent resolution on June 4, 1926, with these words:

*Whereas the 11th of November 1918, marked the cessation of the most destructive, sanguinary, and far reaching war in human annals and the resumption by the people of the United States of peaceful relations with other nations, which we hope may never again be severed, and*

*Whereas it is fitting that the recurring anniversary of this date should be commemorated with thanksgiving and prayer and exercises designed to perpetuate peace through good will and mutual understanding between nations; and*

*Whereas the legislatures of twenty-seven of our States have already declared November 11 to be a legal holiday: Therefore be it Resolved by the Senate (the House of Representatives concurring), that the President of the United States is requested to issue a proclamation calling upon the officials to display the flag of the United States on all Government buildings on November 11 and inviting the people of the United States to observe the day in schools and churches, or other suitable places, with appropriate ceremonies of friendly relations with all other peoples.*

An Act (52 Stat. 351; 5 U. S. Code, Sec. 87a) approved May 13, 1938, made the 11th of November in each year a legal holiday—a day to be dedicated to the cause of world peace and to be thereafter celebrated and known as “Armistice Day.” Armistice Day was primarily a day set aside to honor veterans of World War I, but in 1954, after World War II had required the greatest mobilization of soldiers, sailors, Marines and airmen in the Nation’s history; after American forces had fought aggression in Korea, the 83rd Congress, at the urging of the veterans service organizations, amended the Act of 1938 by striking out the word “Armistice” and inserting in its place the word “Veterans.” With the approval of this legislation (Public Law 380) on June 1, 1954, November 11th became a day to honor American veterans of all wars.

Later that same year, on October 8th, President Dwight D. Eisenhower issued the first “Veterans Day Proclamation” which stated: “In order to insure proper and widespread observance of this anniversary, all veterans, all veterans’ organizations, and the entire citizenry will wish to join hands in the common purpose. Toward this end, I am designating the Administrator of Veterans’ Affairs as Chairman of a Veterans Day National Committee, which shall include such

other persons as the Chairman may select, and which will coordinate at the national level necessary planning for the observance. I am also requesting the heads of all departments and agencies of the Executive branch of the Government to assist the National Committee in every way possible."

On that same day, President Eisenhower sent a letter to the Honorable Harvey V. Higley, Administrator of Veterans' Affairs (VA), designating him as Chairman of the Veterans Day National Committee.

In 1958, the White House advised VA's General Counsel that the 1954 designation of the VA Administrator as Chairman of the Veterans Day National Committee applied to all subsequent VA Administrators. Since March 1989 when VA was elevated to a cabinet level department, the Secretary of Veterans Affairs has served as the committee's chairman.

The Uniform Holiday Bill (Public Law 90-363 (82 Stat. 250)) was signed on June 28, 1968, and was intended to ensure three-day weekends for Federal employees by celebrating four national holidays on Mondays: Washington's Birthday, Memorial Day, Veterans Day, and Columbus Day. It was thought that these extended weekends would encourage travel, recreational and cultural

activities and stimulate greater industrial and commercial production. Many states did not agree with this decision and continued to celebrate the holidays on their original dates.

President Eisenhower signing HR7786, changing Armistice Day to Veterans Day. From left: Alvin J. King, Wayne Richards, Arthur J. Connell, John T. Nation, Edward Rees, Richard L. Trombla, Howard W. Watts

The first Veterans Day under the new law was observed with much confusion on October 25, 1971. It was quite apparent that the commemoration of this day was a matter of historic and patriotic significance to a great number of our citizens, and so on September 20th, 1975, President Gerald R. Ford signed Public Law 94-97 (89 Stat. 479), which returned the annual observance of Veterans Day to its original date of November 11, beginning in 1978. This action supported the desires of the overwhelming majority of state legislatures, all major veterans-service organizations and the American people.

Veterans Day continues to be observed on November 11, regardless of what day of the week on which it falls. The restoration of the observance of Veterans Day to November 11th.

Veterans often are showered with platitudes but also are ignored by policy. The federal government sometimes is slow to act, and that leaves veterans to fight once more in order to get the medical help and benefits they need for as long as they live.

Veterans take us back to more settled times in America. People did all they could to keep America strong and safe.

Many issues divide us today. Cable news and social media allow the most extreme voices to dominate the conversation and frame those on the opposite side as their enemy.

Veterans know the stakes are much higher in battle. In the military, you're all on the same team. Differences of opinion exist, but the focus is on working together to complete a mission. Servicemen and women focus on what unites them, not on what divides them.

We can learn a lot from our veterans!

## Sweet-Potato-and-Cauliflower Mash

No white potatoes here! Just sweet potatoes and cauliflower mashed until silky and amped up with milk, butter, and a touch of nutmeg and cayenne.

### Ingredients:

Kosher salt and freshly ground pepper

2 1/2 pounds sweet potatoes (4 medium), peeled and cut into 2-inch pieces

1 head cauliflower (2 pounds), cored and cut into large florets

2/3 cup whole milk

1 stick unsalted butter

Pinch of freshly grated nutmeg

Pinch of cayenne pepper

### Step 1

Bring a large pot of salted water to a boil. Add sweet potatoes and return to a boil, then reduce heat and simmer 8 minutes. Add cauliflower; return to a boil, then reduce heat and simmer until potatoes and cauliflower are very tender, 10 to 12 minutes. Drain and return vegetables to pot. Place over medium heat and cook, stirring, until a film forms on bottom of pot, 1 to 2 minutes.

### Step 2

Combine milk, butter, nutmeg, and cayenne in a small pot. Bring just to a simmer. Add to cauliflower-potato mixture and mash. Season with salt and pepper. Serve immediately, or keep warm in a heatproof bowl set over a pot of simmering water up to 1 hour. Mash can be rewarmed by adding about 1/4 cup milk and stirring over low heat.

**PUBLIC NOTICE**

Several of the properties in the Christmas Valley township have utility easements for the Christmas Valley Water District.

When you have a utility easement on your property, the utility company/Water District may have a range of legal rights.

A few restrictions you might face include:

- Utility company/Water
- District access without your approval.
- Utility company/Water
- District may restrict your use of the easement when your use can harm underground water mains, valves, water meters, and the like.
- Restrictions on physical alterations: You may want to make an improvement to a certain section of your property. But the utility easement may prevent certain upgrades, such as erecting a fence or a gate.
- Vegetation restrictions: The utility company may require regular access to a particular area and constantly tear up your garden. Additionally, many utility easements limit the planting of major trees in a specified area.

If you're considering purchasing a property with a utility easement, take some time to research the local laws and regulations.

If you have questions regarding your utility easement call:

### Christmas Valley Park and Recreation District

invites everyone to enjoy  
the Park and Rec properties.

We ask that while enjoying the properties; specifically, the Golf Course, the Rodeo Grounds, the playground, the multi-use field and Baert Lake, that you be a good steward and please do not litter, please maintain control of your pets by keeping dogs on a leash and/or maintaining constant supervision. If your dog should defecate on the premises, please be sure to pick up after it.

Horses and camping are only permitted at the Rodeo Grounds.

Being good stewards and taking pride in these properties reflects on our community as a whole.

Thank you for your continued support of Christmas Valley Park and Recreation District.

# North Lake School

## October 15, 2023

To help expand our communication pathways, North Lake is scheduling more events for parents than in years past. Please watch for information. These events include grade level meetings at the middle and high school to inform you and your student of graduation expectations, credits, grades, scholarships, etc. Klamath Community College has already been here once, and is scheduled to join us at least three more times before the end of the year. They provide very helpful information regarding post-secondary options of all types, as well as Oregon scholarship information. Allison Rudolf is on the Lake County Scholarship Board, and is always willing to provide information on local Lake County scholarships. We understand that this information does not always make its way home to you, so we are posting it on Facebook, the district website and the reader-board. Please watch for upcoming events.

Elementary events are usually communicated directly to parents by the teachers, or posted on our FaceBook page and the district website.

Robo calls and emails will go out when we need to reach a large number of parents at one time with general information or reminders. We also use robo calls for more immediate needs, such as school closures or delays due to weather.

We have begun publishing on a regular basis with the Desert Whispers, the Community Breeze, and the Lake County Examiner. We hope this helps reach those who are not as closely connected to school events as are those with students who attend regularly.

One of our favorite events is coming up soon, and that is the Veteran's Day breakfast and program! It is scheduled on Thursday, November 9, 2023 with a breakfast at 8 AM and the program at 9 AM. If you are a veteran, past or present, or a Gold Star Family, you are warmly invited to attend. If you know a veteran who may not see our invitations, please feel free to invite them to this event. We look forward to honoring our veterans!

We still have a shortage of bus drivers, and are working hard to hire and train qualified applicants. If you are interested, please call the school office for information. I would also like to thank the parents for their patience and understanding as we navigate through this difficult situation. We appreciate your cooperation!

If you have questions or concerns, please feel free to stop by the school or give me a call if you have questions or concerns. We welcome your presence and involvement in our schools, so do not hesitate to ask how you may help. We all play a pivotal role in the education of our young people, so let's do this together!

Gail Buermann  
Superintendent
