NORTH LAKE SCHOOL NEWS

December is always a turning point in the year, it seems, as we close in on the first half of the year, and begin the downhill run to the finish line in June. It goes faster every year! This year is no exception. Our Christmas break begins December 15, 2023, and school resumes January 2, 2024. The end of the second quarter is January 18, 2024. That marks the middle of the school year.

Our winter sports seasons are well under way, and we have once again formed a co-op with Paisley girls and boys for the basketball season. Sports are a healthy, fun activity for students, and lessons are learned on the court and field that cannot be taught in classrooms. We recognize and appreciate those opportunities to help our students learn and grow into respectful, accomplished adults.

From time to time parents ask me what their students can do at home to help keep them learning over weekends or long breaks. I used to hand out paper copies of ideas, activities, or share books full of ideas. Now, finding helpful resources is much easier. Teachers and parents can Google almost anything, and find amazing resources, many free of charge. The hardest part is sorting through and finding just what you want. For younger students, here are some suggestions: Reading is Fundamental and Reading Rockets. For math, try Prodigy Math and Math.com. There are many, many more! It's also easy for parents to simply include their students in everyday activities that require reading, thinking, memory math, remembering, sequential multi-step activities, and organizing. Think of how you can fit learning activities into every daily routine such as cooking, cleaning, feeding animals, shopping and filling up with fuel. Scheduling appointments can involve telling time, scheduling and organization. Trips to town can include prioritizing, organizing, calculating costs, and time management.

Older students can keep skills sharp by doing much the same things, but on a more complex scale, with deeper involvement in decision-making and more overall responsibility. Most students will need to have acquired solid skills for independent living by the time they graduate from high school. Opportunities to learn these skills abound at school, at home, and in the community. Learning and maturing is a remarkable process, so enjoy this time with your teenagers, and help them grow into healthy, independent adults.

Happy holidays to everyone! Our best to you as you welcome in the year 2024!

PUBLIC NOTICE

Several of the properties in the Christmas Valley township have utility easements for the **Christmas Valley Water District**.

When you have a utility easement on your property, the utility company/Water District may have a range of legal rights.

A few restrictions you might face include:

- Utility company/Water District access without your approval.
- Utility company/Water District may restrict your use of the easement when your use can harm underground water mains, valves, water meters, and the like.
- Restrictions on physical alterations: You may want to make an improvement to a certain section of your property. But the utility easement may prevent certain upgrades, such as erecting a fence or a gate.
- Vegetation restrictions: The utility company may require regular access to a particular area and constantly tear up your garden. Additionally, many utility easements limit the planting of major trees in a specified area.

If you're considering purchasing a property with a utility easement, take some time to research the local laws and regulations.

If you have questions regarding your utility easement call:
(541) 576-2090 or (541) 947-6921

HOW TO MAKE CROCKPOT APPLE CIDER

Ingredients:

- *Mulling Spices* - 2 table-
spoons of mulling spices.
- *Apple Juice* - 8 cups of apple
juice.
- *Brown Sugar* - ¼ cup of
brown sugar.
- *Orange* - 1 orange (optional,
sliced).
- *Apple* - 1 apple (optional,
sliced).

With only 5 minutes of prep time, this crockpot apple cider recipe is truly hands-off! Gather your crockpot (slow cooker), chef's knife, and measuring cups to get started!

This apple cider will yield about 8 servings (½ gallon)! If you have extra crockpots, you can double or triple this recipe for large holiday parties!

Prep spices. Place 2 tablespoons of mulling spices in a double layer of cheesecloth and bring up the sides to form a 'bag', tie closed with a string (*see note). Add ingredients. Add the 8 cups of apple juice, ¼ cup brown sugar, and mulling spices to your crockpot or slow cooker. Stir until brown sugar dissolves. Place fruit on top. Lay apple and orange slices on top of the cider and replace the lid of your crockpot.

Cook on low for 2-3 hours or high for 1 ½ hour. Garnish with sliced fruit or cinnamon sticks, if desired, and serve while warm.

Bureau of Land Management is Hiring 100 Student Interns

LAKEVIEW, Ore. — Are you a student looking to kickstart a career in civil service?

Are you looking for a fun, fulfilling way to spend your summer?

During the next couple of weeks, the Bureau of Land Management is hiring at least 100 paid student interns across the country, some of them right here in the Pacific Northwest. Come work with us! Job applications will be open on USAjobs.gov from December 8 through December 18, 2023. Don't miss the opportunity!

Leaders from BLM Oregon/Washington will host two Zoom workshops to help students navigate the application process.

"Applying for a job with the federal government is a little different than applying for other jobs," said Amanda Roberts, BLM Prineville District Manager. "I'm excited to help students from our community get involved!"

Roberts will provide an hour-long presentation on building federal resumes. There will also be approximately 30 minutes available for workshop attendees to ask questions. The two webinars will cover the same content. The first webinar will be recorded and posted to YouTube.

The workshops will take place on: Saturday, December 9 at 10 a.m.,

(register here: https://blm.zoomgov.com/webinar/register/WN_bRLEkviRQRGj8O-b4g1dsw)

Thursday, December 14 at 4 p.m.

(register: https://blm.zoomgov.com/webinar/register/WN_2w2NwSRJR6y_TX7GDVC0_Q)

Students will get the most out of the workshop if they already have an account on USAjobs.gov.

Anyone 16 years or older and enrolled or soon to be enrolled in school is eligible to apply.
