KCC expands cosmetology program for online access

KLAMATH FALLS — In only its second year of operations, the Cosmetology program at Klamath Community College is expanding to allow for online access for students to become licensed professionals in barbering, esthetics, hair design, and nail technology.

With student enrollment for Cosmetology currently exceeding availability at KCC's downtown Klamath Falls Cosmetology facilities, the move to also allow online access was deemed necessary to meet overwhelming demands students, including cosmetologists, to enroll for a degree in Cosmetology or certification as a licensed professional in as little as six months online. The KCC Cosmetology program is meticulously designed with the skills and business acumen, as well as beauty and wellness. Not only does the program cover key subjects such as business skills, ensuring students are well-prepared to start or grow their own business, but the unique approach distinguishes the program, providing a comprehensive education that goes beyond technical skill alone. In developing the program, KCC collaborated with Bellus Academy, a leader in beauty and wellness and the recipient of multiple industry awards. "Many of the world's most esteemed beauty and wellness brands are rooted in entrepreneurship, and cosmetology provides a path to blend creativity, craftsmanship and an entrepreneurial mindset into a vibrant and rewarding career," said Lynelle Lynch, CEO of Bellus Academy. "The associate degree offered through KCC empowers licensed professionals with a business management credential that can accelerate their career and open new paths of opportunity."

Recognizing the transformative power of education in the industry, KCC is partnering with the KCC Foundation, a 501(c)(3) nonprofit, to offer scholarships through Beauty Changes Lives – an organization that to date has provided over \$2.8 million in scholarships to cosmetology students. The KCC Foundation will donate scholarships to sponsor student tuition for the new online program. Parameters for eligibility, such as Oregon residency, can be customized at KCC's request. Federal student financial aid is also available.

"Our approach to cosmetology, combining it with business and marketing coursework, has proven immensely popular, and this next step allows more interested students to pursue their career aspirations," said Dr. Roberto Gutierrez, KCC president. "Whether a seasoned veteran or new to the industry, we hope people will take advantage of this incredible opportunity to enhance their career pursuits."

For more information about the KCC Cosmetology program visit www.klamathcc.edu. Salon services are available at KCC Cosmetology, 357 E. Main St. in Klamath Falls. A wide variety of hair, skin and nails services are available to the public; call 541-882-6644 to make an appointment, or for more information visit www.klamathcc.edu.

Christmas Valley Park and Recreation District

invites everyone to enjoy
the Park and Rec properties.

We ask that while enjoying the properties; specifically, the Golf Course, the Rodeo Grounds, the playground, the multi-use field and Baert Lake, that you be a good steward and please do not litter, please maintain control of your pets by keeping dogs on a leash and/or maintaining constant supervision. If your dog should defecate on the premises, please be sure to pick up after it.

Horses and camping are only permitted at the Rodeo Grounds.

Being good stewards and taking pride in these properties reflects on our community as a whole.

The Desert Whispers
Newspaper would like to wish
all our readers a very
Happy New Year!!!

As you may have noticed this is
now Volume 44, meaning this is
the 44th year of printing for the
Desert Whispers!

We are finally recovering from
the shortages that occurred due
to the COVID shut downs.
Our previous paper provider
never recovered and we had to
find another paper source for
our 11x17 paper.

In January of 2023 we replaced
our old Xerox printer, as it was
worn out, with a new Xerox
printer. We continue to
experience delays getting our
printer specific toner
cartridges as the toner
shortages continue to be a
problem for Xerox and other
printer manufacturers.
Sometimes these toner delays
delay the printing of our
newspaper.

We hope that this will be
resolved in 2024.

Thank you for your patience
and continued support!!!

PUBLIC NOTICE

Several of the properties in the Christmas Valley township have utility easements for the Christmas Valley Water District.

When you have a utility easement on your property, the utility company/Water District may have a range of legal rights.

A few restrictions you might face include:

- Utility company/Water
- District access without your approval.
- Utility company/Water
- District may restrict your use of the easement when your use can harm underground water mains, valves, water meters, and the like.
- Restrictions on physical alterations: You may want to make an improvement to a certain section of your property. But the utility easement may prevent certain upgrades, such as erecting a fence or a gate.
- Vegetation restrictions: The utility company may require regular access to a particular area and constantly tear up your garden. Additionally, many utility easements limit the planting of major trees in a specified area.

If you're considering purchasing a property with a utility easement, take some time to research the local laws and regulations.

If you have questions regarding your utility easement call:
