## Cambria Wilson secures Lake County 4-H Association's \$500 Mini Grant for a Worthy Cause

by Karen Morgan

*Who says that our youth these days are self-absorbed and only sit around playing video games? This young lady is already making a tremendous positive impact on the community.*

As a fourth year member of the North Lake 4-H Sewing Club and Junior Leader, Cambria Wilson saw first hand the need for replacement and repair of the more than 20 year old sewing machines generously donated by a community member just as many years ago.

As stated in Wilson's 4-H Mini Grant Application, there are approximately 16 sewing machines in need of repair or replacement. The Sewing Club meets every Thursday and alot of time is wasted trying to get the machines to sew correctly.

Wilson contacted Cynthia's of Bend who provides sewing machine repair and service. Cynthia's offered to diagnose the machines for free and offered a discounted rate to repair them.

The 4-H Mini Grant of \$500 will allow the Sewing Club to have seven of the machines diagnosed and repaired.

*Cambria Wilson turning in the sewing machines for diagnosis and repair at Cynthia's of Bend.*

The Sewing Club intends to raise funds for more sewing machines to be repaired in the future.

Wilson says, "the machines have been used for many years and will be used for many more if we can get them fixed. I feel that sewing is a good life skill, and this project will immediately benefit the existing 4-H Sewing Club members and volunteer 4-H Leaders. This project will also benefit future 4-H Sewing Club members for years to come."

*Keep an eye on this young lady as she continues to inspire and lead.*

*4-H volunteer, Carolyn Mensch, L~R Lane, JJ, Nora and in the back Katelynn.*

*If you would like to make a generous donation to this 4-H Sewing Club or if you have a child interested in joining the Sewing Club contact their volunteer Leader, Colleen Phillips, at 541-576-4234.*

The third grade will be welcoming their new teacher early in February! Her name is Mrs. de la Cerna, and she is coming to us from the Philippines! We have been working on arrangements for her arrival for several months, and are very excited to have her join our staff in the very near future. Ms. Sue Ingalsbe, the current teacher, plans to have the students and Mrs. de la Cerna communicate for the purpose of introducing themselves and getting to know each other prior to her arrival. Having a teacher from another country will be an exceptional learning experience, and the students are very excited to meet her!

I would like to personally thank businesses and individuals in Christmas Valley, Fort Rock and Silver Lake for their support of students and staff at North Lake School. We also receive support from other agencies in Lake County for which we are grateful. Our school is a reflection of the care and commitment from all who support us each and every day. You are appreciated, and we thank you.

Respectfully,

Gail Buermann, Superintendent

## Martin Luther King Jr. Biographical

**M**artin Luther King, Jr., (January 15, 1929-April 4, 1968) was born Michael Luther King, Jr., but later had his name changed to Martin. His grandfather began the family's long tenure as pastors of the Ebenezer Baptist Church in Atlanta, serving from 1914 to 1931; his father has served from then until the present, and from 1960 until his death Martin Luther acted as co-pastor. Martin Luther attended segregated public schools in Georgia, graduating from high school at the age of fifteen; he received the B. A. degree in 1948 from Morehouse College, a distinguished Negro institution of Atlanta from which both his father and grandfather had graduated. After three years of theological study at Crozer Theological Seminary in Pennsylvania where he was elected president of a predominantly white senior class, he was awarded the B.D. in 1951. With a fellowship won at Crozer, he enrolled in graduate studies at Boston University, completing his residence for the doctorate in 1953 and receiving the degree in 1955. In Boston he met and married Coretta Scott, a young

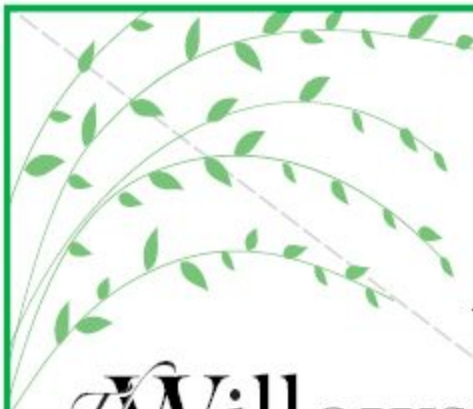

woman of uncommon intellectual and artistic attainments. Two sons and two daughters were born into the family.

In 1954, Martin Luther King became pastor of the Dexter Avenue Baptist Church in Montgomery, Alabama. Always a strong worker for civil rights for members of his race, King was, by this time, a member of the executive committee of the National Association for the Advancement of Colored People, the leading organization of its kind in the nation. He was ready, then, early in December, 1955, to accept the leadership of the first great Negro nonviolent demonstration of contemporary times in the United States, the bus boycott described by Gunnar Jahn in his presentation speech in honor of the laureate. The boycott lasted 382 days. On December 21, 1956, after the Supreme Court of the United States had declared unconstitutional the laws requiring segregation on buses, Negroes and whites rode the buses as equals. During these days of boycott, King was arrested, his home was bombed, he was subjected to personal abuse, but at the same time he emerged as a Negro leader of the first rank.

In 1957 he was elected president of the Southern Christian Leadership Conference, an organization formed to provide new leadership for the now burgeoning civil rights movement. The ideals for this organization he took from Christianity; its operational techniques from Gandhi. In the eleven-year period between 1957 and 1968, King traveled over six million miles and spoke over twenty-five hundred times, appearing wherever there was injustice, protest, and action; and meanwhile he wrote five books as well as numerous articles. In these years, he led a massive protest in Birmingham, Alabama, that caught the attention of the entire world, providing what he called a coalition of conscience. and inspiring his "Letter from a Birmingham Jail", a manifesto of the Negro revolution; he planned the drives in Alabama for the registration of Negroes as voters; he directed the peaceful march on Washington, D.C., of 250,000 people to whom he delivered his address, "I Have a Dream", he conferred with President John F. Kennedy and campaigned for President Lyndon B. Johnson; he was arrested upwards of twenty times and assaulted at least four times; he was awarded five honorary degrees; was named Man of the Year by Time magazine in 1963; and became not only the symbolic leader of American blacks but also a world figure.

At the age of thirty-five, Martin Luther King, Jr., was the youngest man to have received the Nobel Peace Prize. When notified of his selection, he announced that he would turn over the prize money of \$54,123 to the furtherance of the civil rights movement.

On the evening of April 4, 1968, while standing on the balcony of his motel room in Memphis, Tennessee, where he was to lead a protest march in sympathy with striking garbage workers of that city, he was assassinated.

## PUBLIC NOTICE

Several of the properties in the Christmas Valley township have utility easements for the Christmas Valley Water District.

When you have a utility easement on your property, the utility company/Water District may have a range of legal rights.

A few restrictions you might face include:

- Utility company/Water District access without your approval.
- Utility company/Water District may restrict your use of the easement when your use can harm underground water mains, valves, water meters, and the like.
- Restrictions on physical alterations: You may want to make an improvement to a certain section of your property. But the utility easement may prevent certain upgrades, such as erecting a fence or a gate.
- Vegetation restrictions: The utility company may require regular access to a particular area and constantly tear up your garden. Additionally, many utility easements limit the planting of major trees in a specified area.

If you're considering purchasing a property with a utility easement, take some time to research the local laws and regulations.

If you have questions regarding your utility easement call:  
(541) 576-2090 or (541) 947-6921

Repeatedly coming out of the cold into the dry heat of your home can cause itchy, flaking skin. Keep your home humidified and towel dry your pet as soon as he comes inside, paying special attention to his feet and in-between the toes. Remove any snow balls from between his foot pads.

If your dog is long-haired, trim him to minimize the clinging ice balls, salt crystals and de-icing chemicals that can dry his skin, and don't neglect the hair between his toes. If your dog is short-haired, consider getting him a coat or sweater with a high collar.

After each walk, wash and dry your pet's feet and stomach to remove ice, salt and chemicals—and check for cracks in paw pads or redness between the toes. Massaging petroleum jelly or other paw protectants into paw pads before going outside can help protect from salt and chemical agents. Booties provide even more coverage. Use pet-friendly ice melts whenever possible.

Pets burn extra energy trying to stay warm in wintertime. Feeding your pet a little bit more during the cold weather months can provide much-needed calories.

Make sure your pet has a cozy warm place to sleep. A cozy dog or cat bed with a warm blanket or pillow is perfect.

Remember, if it's too cold for you, it may be too cold for some pets. If left outdoors, pets can freeze, become disoriented, lost, stolen, injured or killed. In addition, don't leave pets alone in a car during cold weather, as cars can act as freezers that hold in the cold and cause animals to freeze to death.

## Winter

When the geese are flying south  
And the sky is grey, my dears,  
Close your eyes and lift your nose;  
Listen with your careful ears.

Feel the winter coming on;  
Hear it in the crackling trees;  
Note the creaking, quivering wind  
Sharply snapping at their leaves.

Feel it on the windowpanes—  
Chilly glass on fingertips—  
Mark the biting of the air,  
Heated breath on numbing lips.

See it in the early eves,  
In the glowing sunset where  
Shadows of the naked trees  
Rattle in the biting air.

Watch the nuthatch and the wren;  
They know it is time once more  
To abandon careful nests,  
As they've done each year before.

Let the frost rest on your face;  
Sense a shiver on your skin.  
See how pretty nature is  
When she ushers winter in.

### Wishing For Winter

*Have you ever wished for winter  
and dreamt of cold and snowy nights?  
Can you remember how the air feels  
when the wind picks up and bites?*

*Can you see the snowflakes falling  
or maybe glistening in the sun?  
Can you hear the silent struggle  
of the frozen rivers run?*

*Have you thought of barren tundras  
or of trees that droop with snow?  
Can you picture how the icicles  
will drip and drop to grow?*

*Wishing for the winter  
doesn't happen without reason,  
for there's a special kind of magic  
that only comes from wither's season.*
