North Lake Health District to open the first Dental Office in Christmas Valley later this year!

by Karen Morgan

After many hoops and several setbacks the North Lake Health District (NLHD) has finally broken ground and construction has begun on the first Dental Office in Christmas Valley that will serve all of North Lake County.

The planning for the project

began two and a half years ago when Carl Shumway, former NLHD Board member and Board Chair met Dr. Tyler Wright, who at that time had just purchased property in Christmas Valley. Dr. Wright told Carl that he was a dentist and had a practice in Grants Pass, Oregon. He said that he was interested in having a practice in Christmas Valley. Shumway told Dr. Wright about NLHD and invited him to a Board meeting to discuss a plan for a possible dental practice on the NLHD Medical Center Campus. A plan was set in motion and finally in January 2024, the ground was broken and the construction has commenced.

Krabill Enterprises was the

winning bidder for the construction contract to build the dental building and they are wasting no time in getting the building underway. Rich Krabill is well known in the area for his professionalism, and quality construction of all types of structures. If you look across the North Lake

cabinetry and equipment for the dental office to supplement some of the quality used equipment that NLHD purchased last year from a retired dentist closing his practice.

Dr. Tyler Wright could very well have decided to retire, but

fortunately for NLHD and the North Lake community he has decided to take on the challenge of working an additional dental practice in Christmas Valley.

Dr. Wright was raised mostly in Grants Pass, Oregon. He graduated from Grants Pass High School in 1975.

He went on to college at BYU and graduated in 1980 with a B.S. in Zoology and Chemistry.

He met his wife Shelley while in college. They have seven children and 16 grandchildren.

landscape and see some of the massive hay barns they were probably built by the Krabill team who are made up of family and others who are treated like family. Krabill does construction all over Oregon, as well.

Patty Effingham and her son, Billy Effingham, who is in the business to equip dental offices, have been busy trying to secure grants and donations of some of the medical

The Wright's children and their families are spread all over the U.S.: Virginia, Ohio, Texas, Utah, California, and Portland, Oregon.

Dr. Wright later went on to study at Oregon Health Sciences University, Dental School and graduated with a Doctor of Medical Dentistry degree in 1985.

Dr. Wright has had a dental practice in Grants Pass since 1985, and is still practicing in Grants Pass part time.

Over the years he has done volunteer dental work in Guatemala, Tonga, and in Samoa in the South Pacific for 15 months with his wife, Shelley. They ran a free dental clinic in Apia, Samoa from February 2019 to April 2020. The clinic had to be closed due to COVID in April of 2020. The Wright's went back in January 2023 to reopen the clinic and to help another couple who would stay and run it for 18 months.

Dr. Wright is a General Dentist and he says that the dental clinic will be an all age clinic. They will be able to do same day crowns, most extractions, fillings, dentures, partials, digital x-rays, and more.

Dr. Wright looks forward to helping the North Lake community with their dental needs.

The NLHD Board is grateful to all who have been involved in getting this project on board and in motion. The project is expected to be completed no later than late fall 2024.

There will be more updates as the project goes forward.

Christmas Valley Park and Recreation District

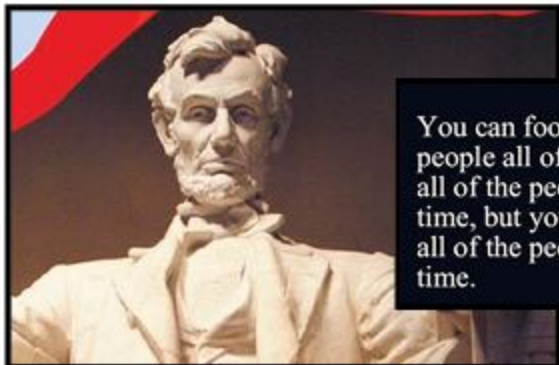

invites everyone to enjoy
the Park and Rec properties.

We ask that while enjoying the properties; specifically, the Golf Course, the Rodeo Grounds, the playground, the multi-use field and Baert Lake, that you be a good steward and please do not litter, please maintain control of your pets by keeping dogs on a leash and/or maintaining constant supervision. If your dog should defecate on the premises, please be sure to pick up after it.

Horses and camping are only permitted at the Rodeo Grounds.

Being good stewards and taking pride in these properties reflects on our community as a whole.

Thank you for your continued support of Christmas Valley Park and Recreation District.

You can fool some of the
people all of the time, and
all of the people some of the
time, but you can not fool
all of the people all of the

She Walks in Beauty

BY LORD BYRON
(GEORGE GORDON)

She walks in beauty, like the
 night
Of cloudless climes and starry
 skies;
And all that's best of dark and
 bright
Meet in her aspect and her eyes;
Thus mellowed to that tender
 light
Which heaven to gaudy day
 denies.

One shade the more, one ray the
 less,
Had half impaired the nameless
 grace
Which waves in every raven
 tress,
Or softly lightens o'er her face;
Where thoughts serenely sweet
 express,
How pure, how dear their dwell-
 ing-place.

And on that cheek, and o'er that
 brow,
So soft, so calm, yet eloquent,
The smiles that win, the tints
 that glow,
But tell of days in goodness
 spent,
A mind at peace with all below,
A heart whose love is innocent!

NOTICE OF PUBLIC HEARING

Lakeview, OR – Lake County Board of Commissioners, County Landfill & Transfer Site Fees Public Hearing Update and Final Hearing Notice.

Lake County Commissioners started a series of two hearings to review the current fee structure for County landfill and transfer sites. The first hearing took place during the Regular Session meeting January 16, 2024. The final hearing will be during the February 7, 2024, Combined Session. The meeting is held in the Commissioners Hearing Room located at the Lake County Courthouse, 513 Center Street, Lakeview. Commissioners welcome public comment. Those unable to attend may submit written comment through the end of the hearing process. Comment may be mailed to the attention of the Lake County Commissioners at the address above, or dropped off with the Commissioners' assistant at the Courthouse.

Facilities and Properties Manager, David Berman, presented information to the Commissioners at the first public hearing. He is requesting an increase in fees at the County Landfill and local transfer sites due to significant fiscal shortfalls over the last several years.

The expense of trucking trash to the landfill from transfer sites throughout the county is significant. The employee time and trucking expense is greater than the collected fees.

Mr. Berman is requesting a landfill fee increase of one-half cent per pound. This would raise the fee from 3.5 cents per pound to 4 cents. There is also a request to raise the minimum disposal fee for landfill and transfer sites to \$10.00 for 0-240 pounds. The landfill minimum is currently \$5.00 for 0-140 pounds, and a variable minimum at transfer sites throughout the county.

The tonnage fees would be adjusted from the current \$70 per ton to \$80. The tonnage rate at the Landfill has not increased since 1991. The tonnage rates in surrounding counties are higher, on average, than those in Lake County. This brings people from out of the County here to dispose of their garbage.

The Landfill has an average \$270,000.00 annual shortfall, which must be drawn from the County General Fund. The requested fee increases will not completely make up this deficit, but will eliminate approximately half of the shortfall.

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY given that the Lake County Board of Commissioners (BOC) will hold a public hearing Wednesday, February 21, 2024, at 11:00am, by Zoom (please request the link) or in-person at the Lake County Courthouse, Board of Commissioners Meeting Room, 513 Center Street, Lakeview, Oregon, 97630, to receive public comment and testimony on the following application. Failure to raise an issue at the hearing or to provide sufficient specificity precludes your ability to appeal the decision to the State Land Use Board of Appeals or LCDC. If you have needs requiring special arrangements, please call 541-947-6036 at least 24 hours prior to the meeting.

COMPREHENSIVE PLAN CHANGE (GOAL 3 EXCEPTION) APPLICATION NO. 21-051-CP
Public Hearing concerning an application by Webster Road Solar Farm II LLC to meet the requirement of a Goal 3 Exception (Comprehensive Plan Change), for the approved Photovoltaic Solar Project. The BOC will review the Goal 3 Exception requirements and application as submitted and the Recommendation to Approve of the County Planning Commission (PC). If approved by the BOC, the Exception would allow the approved PV Solar project to be established on a parcel greater than 320 acres, but less than 1920 acres of nonarable land. Commercial Utility Facilities or other facilities for the purpose of generating power for sale are allowed as a conditional use under the Lake County Zoning Ordinance Articles 3 and 24, Oregon Revised Statute (ORS) 215.283, and Oregon Administrative Rule (OAR) 660-033-0130(38). The proposed solar site would be: T25S R14E TL 109, 113, 111 and 112 in the A-2 Agriculture Use Zone. The notice of public hearing has been mailed to all adjacent owners with 750 feet, which includes maps and a list of adjacent owners. Notice was also provided to all affected agencies (local, state, and federal) and the 35-day notice in advance of the PC hearing to the Department of Land Conservation and Development (DLCD). The application materials are available on the Land Use / Planning page of the county website and in the Planning Office in the Courthouse between normal business hours of 8:30-5:00 M-F and during the hearing. The Recommendation including findings addressing all of the criteria for the exception decision on the above application is available in the planning department now. If you have any questions contact Darwin Johnson, Planning Director at 541-947-6036 or by email at djohnson@co.lake.or.us.

PUBLIC NOTICE

Several of the properties in the Christmas Valley township have utility easements for the Christmas Valley Water District.

When you have a utility easement on your property, the utility company/Water District may have a range of legal rights.

A few restrictions you might face include:

- Utility company/Water
- District access without your approval.
- Utility company/Water
- District may restrict your use of the easement when your use can harm underground water mains, valves, water meters, and the like.
- Restrictions on physical alterations: You may want to make an improvement to a certain section of your property. But the utility easement may prevent certain upgrades, such as erecting a fence or a gate.
- Vegetation restrictions: The utility company may require regular access to a particular area and constantly tear up your garden. Additionally, many utility easements limit the planting of major trees in a specified area.

If you're considering purchasing a property with a utility easement, take some time to research the local laws and regulations.

If you have questions regarding your utility easement call:

NORTH LAKE SCHOOL DISTRICT 14 ~ NEWS

January 18, 2024

After many years of contracting with First Student for student transportation services, the North Lake School District Board of Directors and Administration have made the decision to create a district-run transportation department. The decision was made after careful consideration of the benefits of services provided by a contractor compared to those provided by a district program. Ultimately, it was decided that the interests of North Lake students and parents would best be served by an in-house program for both home to school and activity trips.

The contract with First Student will officially end on June 15, 2024, and the district is already planning the processes and components of the new program. Opportunities for employment include the transportation supervisor, bus drivers and a mechanic. Position information is available on the North Lake School District #14 website, TalentEd, and on the COSA website. It will also be posted locally at the school, in the post offices, and various businesses. We invite all seeking solid employment opportunities with competitive wage and benefit packages to review our job postings.

North Lake School District has a strong desire to provide attractive employment opportunities, helping to support our families and boost the local economy. The communities of Fort Rock, Silver Lake and Christmas Valley are home to our students, and we are hopeful that a successful district transportation program will benefit all we serve.

If you would like more information, please feel free to call the school at 541-576-2121 and ask for Gail Buermann or Janet Waldron.

Respectfully,

Gail Buermann

Superintendent
