THE ANNUAL CHRISTMAS VALLEY PARK AND RECREATION DISTRICT INDEPENDENCE DAY GOLF TOURNAMENT Had Record Attendance

The 2024 Annual Independence Golf Tournament was held on Saturday, July 6th. There were 68 participants this year! This is a record number of participants.

CVPR would like to thank Greg & Kristen Rondeau and Dan & Kathy Kinion for hosting the BBQ at their lovely home on the 6th Green. After a delicious lunch the golfers participated in a raffle for prizes donated by Brim Tractor, Christmas Valley Concrete, Fast Break, JW Kerns, Oregon Country Realty, Robbins Equipment, Sagewood Grocery, The Lodge at Summer Lake, The Willows Antiques & Vintage & Gifts, and a couple of gift certificates for rounds of golf and a cart from CVPR. A huge thank you to all of the sponsors!

A lot of work went into getting the golf course ready for this event. The CVPR Greenskeeper, Sam Davis, is in the midst of a great undertaking of outfitting the greens with automatic sprinklers, but he was able to work his magic and make the course playable for the tournament.

Our CV Golf Committee member Greg Rondeau and Dan Kinion, and the CVPR Board liaison to the golf course, Dan Maple, worked together to make the necessary preparations to be sure that everything ran smoothly for this event.

The CV Golf Committee would also like to thank Board Chair, Shara Shumway, for the hard work that she performs year after year. She does a lot of the shopping for the BBQ, she organizes the sponsorship of the raffle prizes and she is always on hand to resolve any problem that may arise throughout the day. Thank you, Shara!

Lake County Burn Ban in Effect for 2024 Fire Season

Oregon Department of Forestry (ODF) declared the beginning of 2024 fire season on June 7, 2024. Lake County Commissioners remind Lake County residents County Ordinance 27 states a county-wide burn ban shall take effect immediately upon the declaration of Fire Season by ODF. The full ordinance may be accessed at: https://cms3.revize.com/revize/lakecounty/county_ordinances/docs/Ordinance%2027%20County%20Burn.pdf.

Lake County Ordinance 27 prohibits the burning of yard debris; outdoor campfires or bonfires; exploding targets; sky lanterns; and burning of combustible materials on private or public property throughout the unincorporated areas of Lake County, including County-owned lands and private property. Federal, State, City and Town lands place their own restrictions.

Call before you burn. Prohibited burning will be enforced by the Lake County Sheriff and your local District Fire Chief. They have the authority to order any fire activity to be immediately extinguished. If you fail to extinguish a fire when directed to do so you may be issued a Class B Violation. Burn permits may be issued by the fire authority within your jurisdiction.

Ordinance 27 does not prohibit burning for the purpose of heating in a stove, furnace, fireplace or other heating device used for habitation.

CHIROPRACTIC PHYSICIAN

I have been a chiropractor for 18 years and I absolutely love what I do helping patients improve and restore their health and lead a life of wellness. Chiropractic is based on the principal that health and wellness comes from within and spinal problems interfere with this balance.

I was born in Caracas, Venezuela. I received a Bachelor degree in Applied Sciences in Aviation at the University of Louisiana at Monroe. I also graduated from Parker College of Chiropractic, Dallas, Texas, in 2001. I practiced in Australia for 11 years before moving back to the United States and settling in Oregon.

I have a practice in Bend, Oregon and practice on Thursdays at the North Lake Health District.

I like to play soccer and other sports, but since moving to this area, hiking and skiing have become a new interest of mine. I am also very interested in yoga.

I have three children, Eros, Mateo and Athena and I have been adjusting them since they were born.

PUBLIC NOTICE

Several of the properties in the Christmas Valley township have utility easements for the Christmas Valley Water District.

When you have a utility easement on your property, the utility company/Water District may have a range of legal rights.

A few restrictions you might face include:

- Utility company/Water District access without your approval.
- Utility company/Water District may restrict your use of the easement when your use can harm underground water mains, valves, water meters, and the like.
- Restrictions on physical alterations: You may want to make an improvement to a certain section of your property. But the utility easement may prevent certain upgrades, such as erecting a fence or a gate.
- Vegetation restrictions: The utility company may require regular access to a particular area and constantly tear up your garden. Additionally, many utility easements limit the planting of major trees in a specified area.

If you're considering purchasing a property with a utility easement, take some time to research the local laws and regulations.

If you have questions regarding your utility easement call:
(541) 576-2090 or (541) 947-6921
