The 4th Annual Christmas Valley Harvest Golf Tournament Was Another Successful Event

by Karen Morgan

The weather was gorgeous for the fourth annual Harvest Golf Tournament held on Saturday, September the 8th. This year there were 17 sponsored teams and 56 players.

Again, this year the teams were playing a basic scramble format and instead of nine holes they played 18 holes. Since this is a fundraiser, there was unlimited mulligans and there was unlimited string just for the fun of it. The criteria for this tournament is to have fun! You do not have to be a skilled golfer or to have even played the game before. This tournament is for fun and for fund raising for the much needed improvements to the Christmas Valley Golf Course.

Afterwards, the team members, family and friends met inside the big tent for a pulled pork dinner with all the fixings prepared and catered by Kathi Wenick, Feed Barn Catering.

The auction began shortly after food was served. The auction items were generously donated by local businesses and out of town businesses, as well as, other golf courses. This year's auction items included: a portable A/C unit donated by Ed Staub, a Milwaukee Power Drill donated by Fleet Pride, a 14" propane table top firepit donated by Kerns Hardware, two new handcrafted wooden American Flag wall art donated for the fourth year in a row by Steve Schudel, 18 holes of golf for a foursome donated by Trysting Tree Golf Course in Corvallis, OR, Gift Certificates

from the Dinner Tree and for lodging at the Summer Lake Resort and the Anna Reservoir RV Park and a wonderful gift box of Juan's Award Winning BBQ sauce and rubs, a gift basket filled with goodies and a pint of Crown Royal with a flask donated by Sagewood Grocery, an umbrella and camp chair donated by Pepsi, a Grizzly Cooler, donated by N&S Tractor, a Milwaukee 2-tool combo donated by Napa in La Pine, PH balancing water donated by Western Beverage,, a Breyer horse and rider set donated by Santa's, and a golf bag donated by Columbia Distributing.

Thank you to High Desert Golf Car for the rental and delivery of the extra golf carts.

Thank you to Sagewood Grocery for donating ice and to Pepsi for donating the water and soda.

Thank you to the Christmas Valley Community Church for the setup and use of the BIG tent.

Thank you to the Christmas Valley Park and Recreation Board members, Shara Shumway, Dan and Ione Maple, and to the CVPR Golf Committee, Dan Kinion and Greg Rondeau for their tremendous efforts in making this a truly enjoyable and successful event!

Thank you to our volunteers, Colleen Phillips Auction Admin, Jim Strong, Auctioneer, Cayla Chamberlain, Beverage and Food Cart and Cambria Wilson for helping out whenever and wherever needed.

The applications will be conducted in the following areas east of Klamath Falls:

- Van Meter Fire area adjacent to Weber Road on Stukel Mountain.
- Golden Fire area southeast of Bly Mountain Pass.
- Public lands near the Town of Bonanza, west of Harpold Rd (Windy Ridge area).
- Lorella.
- Southeast of Gerber Recreation area, in the Horsecamp Rim and Lower Midway vicinity.

The goal of the proposed herbicide applications is to prevent the establishment and spread of invasive annual grasses, including cheatgrass (*Bromus tectorum*), medusahead rye (*Taeniatherum caput-medusae*), and North Africa grass (*Ventenata dubia*). The BLM is spraying the non-native, invasive annual grasses to restore native bunchgrass and shrub species within sagebrush restoration project areas and burned areas.

The herbicide to be used for these projects is Imazapic, a pre-emergent that helps reduce the germination of undesirable winter annual grasses. Perennial bunchgrasses are dormant during this period and unaffected by the treatment.

Maps will be posted along the main roads entering the project areas. Treatments will take up to two weeks for implementation and are dependent upon weather conditions. Please avoid camping or traveling through treated areas to allow aerial applicators to accomplish treatments in a safe and timely fashion.

For more information regarding these projects, please contact Trisha Roninger, Assistant Field Manager, at 541-885-4109 or Kerry Johnston, Botanist, at 541-885-4136.
