Fremont-Winema National Forest Reopens Popular Fishing Pier

LAKEVIEW, OR, June 10, 2025 —The Fremont-Winema National Forest is excited to announce the reopening of the fishing pier at Lofton Reservoir. The newly constructed pier was funded through the Federal Lands Recreation Enhancement Act, and this enhances public access to fishing, bird watching, and the breathtaking scenery the area is known for. The original pier, built in the mid-1980s, was removed in 2020 due to safety concerns after years of wear from the region's harsh winters and limited seasonal access. After more than three decades of use, inspections confirmed that the aging structure was no longer safe. The New pier is built with stronger, more durable materials and extends farther

Summertime Fun

Poet: Catherine Pulsifer

The bags are packed, the car's in
gear,
Vacation time, the best of the
year.
Picnics spread on a checkered
sheet,
With laughter shared and food to
eat.

Camping under a starry sky,
Roasting marshmallows, spirits
fly.
Swimming, hiking, games to
play,
Making memories each summer
day.

June Days

Poet: Catherine Pulsifer

June days stretch long and warm,
Nature starts to bloom in bril-
liant form.
School's soon will be out, vaca-
tion time is near,
June reminds us of summer
memories we'll hold dear.

Sights and sounds unique to this
season,
Our excitement knows no rea-
son.
Bask in the warmth of summer's
light,
A wonderful time that feels just
right.

BLM, partners raise money and conservation awareness for youth at annual event

LAKEVIEW, Ore. —The Bureau of Land Management and Pacific Northwest Four Wheel Drive Association teamed up for the 30th consecutive year during Memorial Day weekend to blend outdoor fun with land stewardship at the Christmas Valley Sand Dunes and Lost Forest.

This year, over 20 volunteers rolled up their sleeves to improve the Sand Dunes Wilderness Study Area and Lost Forest Research Natural Area. Their efforts included repairing almost half a mile of fencing along the Lost Forest boundary, protecting fragile habitats from motorized vehicles that can degrade the unique desert plant life.

“Year after year, this event shows the power of partnerships and stewardship,” said Steven Van-Si, Outdoor Recreation Planner BLM Lakeview Field Office. “Thanks to our dedicated volunteers and the Pacific Northwest Four Wheel Drive Association, we’re protecting sensitive landscapes while helping people discover the beauty and importance of the Christmas Valley Sand Dunes and Lost Forest.”

“It’s incredible to give back to a place that means so much to us,” said longtime volunteer Mona Drake. “Every year, we see more people getting involved and caring about the land.”

Sunday’s fun run saw a record turnout, with about 200 people exploring rarely seen corners of the dunes. The event raised around \$2,000, not including additional donations, for the Lake County “Don’t Crush the Brush” poster program, which educates youth about wildfire prevention and land stewardship.
