Respecting the Green: A Message to our Young Golfers and Their Parents

To our budding golfers and their families,

It's a joy to see so many young people embracing the game of golf on our course. The future of the sport depends on your passion and enthusiasm, and we love having you as part of our community. However, we've recently noticed some behaviors that are not in keeping with the spirit of the game or the hard work that goes into maintaining our beautiful course.

We've seen instances of golf carts being used for racing, clubs being dug into the putting greens, "peel-out" marks left on the turf, and non payment. These actions not only damage the course, which takes countless hours of dedication from our groundskeeping crew to maintain, but they also compromise the safety of everyone on the course.

Golf is a game built on integrity, respect, and responsibility. Part of that responsibility is caring for the course as if it was your own. The greens are carefully manicured and sensitive, and a single act of carelessness can take weeks to repair.

We believe that every young person should have the opportunity to enjoy the game and develop their skills. But to ensure this continues, we must insist that all golfers, regardless of age, follow a few simple rules:

- Treat the Carts with Respect: Golf carts are for transportation, not recreation. Please drive them responsibly.*
- Keep your Clubs off the Greens: The greens are for putting, not for practice swings or digging.*
- Leave No Trace: Please be mindful of where you drive and avoid causing damage to the turf.*
- PAY YOUR FEE: Please ensure you are paying the full fee for your round before you play.*

If these behaviors continue, we will be forced to implement a stricter policy, which may include requiring all young golfers to be accompanied by a PARENT OR GUARDIAN at all times. This is a step we do not want to take, as we value the independence and trust we have with our young golfing community.

Lets work together to preserve the quality of our course for everyone to enjoy. We are all stewards of this beautiful game. Thank you for understanding and cooperation.

WHAT IS DISC GOLF?

Disc golf is similar to traditional golf, however, instead of using golf clubs and balls aiming for a hole, disc golf players use disc golf discs and aim for a disc golf basket which is a pole extending up from the ground with chains and a basket where the disc lands. The object of the game is to complete each hole in the fewest number of throws, starting from a tee area and finishing with the disc coming to rest in the basket. Generally, a course is made up of 9 or 18 holes. Players start at hole one and complete the course in order, playing through to the last hole. The player with the lowest total cumulative throws wins. Disc golf is one of the best lifetime fitness sports. It is easy to learn, a healthy activity, and accessible to people of all ages and fitness levels. If you can throw a Frisbee, and you like to have fun, you can play disc golf.

Log Cabin Quilting: A Day of Stitching, Smiles, and History

By Cambria Wilson, Junior Leader – North Lake Foods and Fun 4-H

On July 11, the North Lake Foods and Fun (Fiber Arts) club members got together for a hands-on quilting workshop at the Christmas Valley Booster Building. Our focus was the timeless and beautiful Log Cabin quilt, which we learned is one of the most iconic patterns in American quilting history. We learned that the Log Cabin quilt pattern dates back the 1800's and was especially popular during the Civil War. The design symbolizes home and hearth, with the center square representing the heart of the cabin (traditionally red for warmth and firelight) and the strips or "logs" surrounding it symbolizing the walls built around it. This style was a favorite of pioneers and settlers and was often sewn using fabric scraps, just like we did during our workshop. Each of us created our own Log Cabin quilt blocks using our choice of colors and fabrics. We practiced cutting, measuring, and sewing and by the end of the day, we had each made something completely different, yet part of a shared tradition that spans generations. This workshop wouldn't have been possible without the guidance and support of our amazing leaders. A huge thank you to Colleen Phillips and Kenzie Threet, our fearless and fun club leader, for teaching us with patience and encouragement. We also want to recognize and thank our other incredibly patient helpers: Tara Grassman, Lois Miles, Amber Baker, and Beverley Phillips. Your help and encouragement made everything go smoothly and gave us confidence in trying something new. Our finished quilts will be displayed at the Paisley Mosquito Festival at the end of July and the Lake County Fair over Labor Day weekend.

Creativity, Community and Connection with the North Lake Foods and Fun 4-H Club

The North Lake Foods & Fun (Art and Photography) club members have had a busy 4-H season diving into projects like ceramics, cookie decorating, flower arranging, painting, animal photography, and so much more. We were messy, colorful, creative—and honestly just focused on having fun. This year we welcomed local artists who volunteered their time and often supplies to lead various projects. We started our year with a Cookie Decorating Class, which was open to the public and hosted by a local baker, Cheyanne Housden. We then collected food items and various winter necessities to build “Blessing Baskets”, which we boxed up and delivered to (10) families in the Fort Rock, Silver Lake and Christmas Valley communities. Our Blessing Baskets touched the lives of over 27 adults and children. We next dove into ceramics, where we learned how to roll slabs of clay, smooth the edges, and shape them into plates and bowls. Once the ceramics were fired, we glazed them and will get to enjoy them for years to come.

The next month, guest photographer Amber Warkentin hosted a photography workshop, where we focused on photographing animals - getting down low, looking for the right light, and being patient to catch that perfect shot. We learned a lot about timing and how even a muddy pig or a chicken mid-squawk can look like a work of art with the right angle. And then came flower arranging, with special guest artist, Lindy Simmons. We were all surprised at how calming and fun it was. The kids got to pick flowers and greenery and arrange them in their own style. Everyone's bouquet turned out totally different, but they were all beautiful in their own way. This club isn't just about crafts. It's about accepting each other's unique ideas and differences, connecting with talented artists in the community and building both life skills and cool projects to enjoy and gift to others. Look for some of our projects to be on display at the Lake County Fair over Labor Day weekend.
