Thank you

*To my neighbors in Christmas Valley,
I want to take a moment to publicly thank the medical transportation service that recently helped me when I needed it the most. Recently, I had to rely on them, and the experience reminded me just how lucky we are. Living in such a remote area, we often face hurdles that those in the city don't understand. We need to be very appreciative that we have this service available to us. It is more than just a ride; for many of us, it is a vital connection to health and safety. Please join me in showing them the appreciation they deserve.*

Warmly, Dalton from Fort Rock
