ARTEMIS II

NASA's first crewed mission of the Artemis program, sending four astronauts on a 10-day journey around the Moon to test the Orion spacecraft's life-support, navigation, and deep-space systems. Launched on April 1, 2026, the mission marked the first human lunar flyby in more than 50 years and carried the crew farther from Earth than any astronauts have traveled before, paving the way for future lunar landings and eventual missions to Mars.

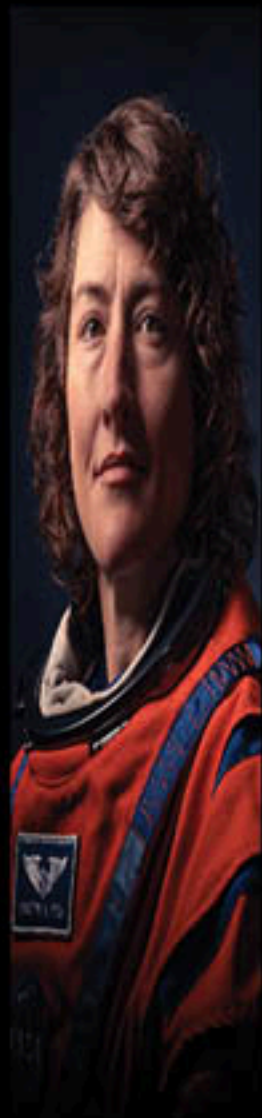

Artemis II doesn't just test hardware—it tests our readiness to step confidently into a new era of exploration. By sending astronauts farther from Earth than any crew has traveled in decades, the mission acts as a rehearsal for the challenges ahead, from lunar landings to long-duration journeys deeper into the solar system. It's a reminder that every orbit, every systems check, and every glimpse of the Moon from Orion's windows is part of a much larger story we're writing together.

WHAT'S NEXT? NASA is now shifting focus to Artemis III, targeted for launch in 2027, which will no longer attempt a lunar landing right away. Instead, it will stay in Earth orbit to test critical docking operations between Orion and commercial lunar landers from SpaceX and Blue Origin—an essential step before humans can safely return to the Moon's surface.

2026 Updated Golf Course Rates

As the winter chill fades, we are hard at work getting ready for the 2026 golf season. We've missed seeing you out on the course, and we can't wait to welcome you back for another year of great drives and (hopefully) fewer bunkers.

To ensure the Christmas Valley Golf Course remains a premier destination for our community, we are making several key improvements this year, from fresh sand on the greens to vital equipment maintenance, our goal is to provide the best possible playing conditions for every member.

Updated 2026 Rates

To support these enhancements and keep pace with rising maintenance costs, we have adjusted our rates for the upcoming season. These changes allow us to continue investing in the quality of the course you love.

Annual Membership: Individual \$250 / Family \$350

Valid January 1, 2026 – December 31, 2026

Greens Fees: 9 Holes \$25 / 18 Holes \$35

Cart Rental: \$30

Why Renew Now?

Membership is still the most cost-effective way to enjoy the course. By renewing for the 2026 season, you aren't just getting unlimited play; you are directly supporting the upkeep of our community's beautiful recreation space.

How to renew:

In-Person: Stop by the Office and pay with check or cash.

Drop Box: Drop your Name, Address, and Membership fee in the drop box located outside the office building.

Mail: Send to Christmas Valley Park & Recreation District PO BOX 181 Christmas Valley OR 97641. Include your membership fee by cash or check.

We are looking forward to a fantastic season and can't wait to see you on the first tee!

Warm Regards,

Ashley Anderson

DID YOU KNOW?

A fun fact about Artemis II:

The crew brought along a tiny plush astronaut named Rise, which floated inside the Orion spacecraft as a zero-gravity indicator—and it carried a micro SD card with the names of nearly six million people who signed up to “travel” to the Moon symbolically.
